

### See These New CORSET STYLES

In conjunction with "The Fourth Semi-Annual Gossard Proclamation of Authoritative Corset Styles," we are placing on exhibition a full line of models of the beautiful new corsets which will set the styles for well dressed women this season.

Our illustration shows the general lines that the style makers have decided on, but nothing less than a personal inspection will give you a satisfactory idea of their beauty and comfort.

If you are contemplating the purchase of a new frock or suit, you should by all means purchase your corset first. The corset is the foundation of your entire appearance, and no frock, no matter how expensive, will be smart unless your corset has the correct new lines.

### For Every Figure

In our complete assortment of the new styles in Gossard Front Lacing Corsets, we have a model for every known type of figure. The prices run from \$2 to \$25, depending upon the material used. The lower priced Gossards are correct in style, and will give splendid wearing service. Our experienced corsetiers will be glad to give you their expert advice and a personal fitting at any time.

Gossard Corsets set the correct styles for the entire civilized world. These styles for the next six months are just out. See them at your earliest convenience if you would be correctly attired.

## ACID STOMACHS ARE DANGEROUS

Nine-tenths of All Stomach Trouble Said to Be Due to Acidity

A Physician's Advice on Cause and Cure

A famous physician whose successful researches into the cause and cure of stomach and intestinal diseases have earned for him an international reputation, said in the course of a recent lecture that nearly all intestinal troubles, as well as many diseases of the vital organs, were directly traceable to a general condition of the stomach which in turn was due nine times out of ten to excessive acidity, commonly termed as stomach or heartburn, which not only irritated and inflamed the delicate lining of the stomach, but also set up gastritis and stomach ulcers. It is interesting to note that he condemns the use of patent medicines as well as of medical treatment for the stomach, stating that he and his colleagues have secured remarkable results in the use of ordinary food—neutralizing the acid and removing the source of the trouble. He contends that it is as foolish to treat the stomach itself as it would be for a man who steps on a nail to cut out the nail and the foot without first removing the tack. Remove the tack and the foot will heal itself—neutralize the acid and the stomach troubles will disappear. Irritating medicines and medical treatments are not only useless, but they remove the acidity, and there will be no need for medicines as well as of medical treatment. The stomach will then heal itself. Sufferers from acidity, sour stomach or heartburn should take a teaspoonful in a quart of water, three or four times a day, repeating in fifteen minutes, if necessary, the being the dose which the doctor has used with most efficacious in all cases.—Advertisement.
