

# PRINCETON STADIUM NEAR COMPLETION

### Will Be Ready For the Annual Battle With the Yale Football Eleven in November

Princeton, N. J., Sept. 29.—Very little work remains to be done on Princeton's new stadium, the gift of Edgar Palmer, '03. The unusual weather this summer was highly favorable to work of this kind. Princeton's newest addition to her athletic equipment is practically complete.

The first concrete was poured on June 29, at which time there were many who predicted that it would be impossible to finish the work in time for the Yale game this fall. But at the present time both sides of the horseshoe have been entirely completed and all of the structure is built for the remaining curve which will complete the work. All that remains to be done is the pouring of the concrete on this curve. The engineers in charge state that this will all have been done by October 10, which will leave just a month until its opening for putting the finishing touches to the completed work.

### Field Improvements

The playing field has been given particular attention and is said to be the finest of its kind in the country. The seating capacity of the stadium is 41,000. It is 672 feet long by 520 feet wide. The playing field is 517 feet long by 250 feet wide. The height of the promenade, which runs around the whole stadium at the top behind the seats, is 65 feet above the level of the field. Surrounding the playing field is a 440-yard cinder track and a 220 straightaway is provided along one side of the field.

A new field house for the convenience of the teams is to be constructed just outside of the stadium at the cost of \$20,000. The stadium proper will be emptied and filled by means of 26 exits.

## ELIZABETHVILLE HIGH SCHOOL FOOTBALL TEAM AND OFFICIALS

Two years in the football game does not make gridiron stars. The game must be developed. The developing process is on at Elizabethville High School. Football is the leading sport with the Elizabethville High School Athletic Association since last season. For a small town Elizabethville has good material. The team had been practicing but eight days prior to the game with Central High on Saturday. The above picture includes: Top row, reading from right to left—Howard, Weaver, Miller, Swab, Keefer, R. ## More World's Records on Columbus Track

Columbus, O., Sept. 29.—From ten heats on yesterday's Columbus Grand Circuit racing program, a time average of 2:04 67-100 was made for a reduction of the world's record made on the same track last Tuesday, when 13 heats were trotted and paced in an average of 2:05 1-5.

Etawah, the Geers trotter, was the sensational performer. In winning the Chamber of Commerce Stake, he made a world's record three-heat trotting mark, regardless of sex or age. The total, 6:13 3/4, is just two seconds below that made by Hamburg Belle at Hartford, in the Charter Oak Stake race in 1905.

## HUNTING SEASON OPENS THURSDAY

### Bear and Ducks Will Be Ready For Shooting, but Hard to Find; Small Game Later

One more day and then comes the hunting season. Bears and wild ducks will be ripe Thursday. Harrisburg has a number of bear hunters, but they seldom start after the season opens. The river is low and there is not likely to be very favorable conditions for duck hunting. Hunters, however, are a patient lot of fellows. They are willing to wait until they think it is time for bagging game. Local bear hunters claim there are too many leaves and bushes in

the woods and mountains for bears. As soon as a hunter is sighted by a bear brain gets lost in the thickets. As for ducks, they are very scarce just now. Later they are likely to make their appearance in large numbers. Hunters say ducks ought to be plentiful because of the spring season having been closed. Some local hunters do not look for a large number of ducks in this locality. They claim that on the marshes and lakes where ducks breed men rob the nests of eggs to supply the egg demand in the larger cities and that only in certain territories are ducks protected during the hatching season.

## Hans Lobert to Be Phillies' New Manager

Philadelphia, Sept. 29.—It is virtually assured that John B. Lobert will be named to succeed Charles S. Doolin as manager of the Phillies. Unless there is an unexpected hitch, Lobert will receive the appointment this week at a meeting of the directors.

## Pocket Billiard Star Gives Great Exhibition

Pocket billiardists in Harrisburg and vicinity witnessed some wonderful shooting at The Cave rooms, Market street, last night. O. P. Ephardt, the Toledo champion, gave one of the best exhibitions ever seen in Harrisburg. Ephardt is an artist. His fancy and trick shooting is interesting and difficult.

## OLYMPIC GAMES MAY BE HELD IN SPITE OF WAR

New York, Sept. 29.—That the Olympic games of 1916 will be held in Berlin, despite the European war, is indicated in a letter received by the American Olympic committee yesterday, from Baron Pierre de Coubertin, president of the International Olympic Committee. The letter, mailed from Havre and is addressed to the late James E. Sullivan, says: "The seat of the VI Olympiad remains what it was, and, contrary to what the American papers say, I will not personally make any proposal in favor of a change. We never thought the Olympic games would stop wars, and I feel perfectly sure that when the present war is over, the Olympic movement will begin again as strong and fruitful as ever."

## ARMY-NAVY GAME TO BE FIXED THIS WEEK

Washington, Sept. 29.—Final settlement of the controversy between West Point and Annapolis over the selection of the place for this year's Army-Navy football game probably will be reached to-day or early tomorrow. Secretaries Daniels and Garrison last night agreed to confer then with the athletic officers of the two service schools to consummate an agreement.

## GRAMMAR SCHOOL TEAMS SHOW MID-SEASON FORM

Cameron and Rely Grammar School teams played a tie game yesterday; score, 12 to 12. The game was hard fought. Yontz and Landis played star games for Cameron, while H.
