Wagner's at the Food Show

30,000 visitors at the recent Baltimore Food Show eagerly claimed the advantage of the splendid opportunity which is this week to be repeated to the people of Harrisburg.

When you go to the Food Show, as doubtless you will, we should like you to go to the Wagner booth, where we have reserved for our Harrisburg friends an opportunity elsewhere offered and received with the most marked attention.

We have just come from the Food Show at Baltimore, where more than 30,000 visitors sought out the Wagner booth and claimed full measure of the hospitality which was dispensed there during two weeks.

The coupons distributed at the door were eagerly claimed and as eagerly redeemed, and 30,000 people bore with them to their separate homes a souvenir of their visit to the Wagner booth which they esteemed to be well worth while.

There are ever so many families in Harrisburg long faithful and steadfast friends of the Wagner Food Products before whom we hope to have the exquisite personal satisfaction of uttering the sentiments of gratitude we feel because of their many kindnesses.

We are also permitting ourselves to hope that we shall have the pleasure of meeting each and every grocer of Harrisburg that we may repeat to him our thanks for many highly valued courtesies.

GLASS OF SALTS CLEANS KIDNEYS

If your back hurts or Bladder bothers you, drink lots of water

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grams of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to cleanse and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.—Advertisement.
