UGH! NOT CALOMEL, OIL OR SALTS, TAKE "CALIFORNIA SYRUP OF FIGS"

Delicious "fruit laxative" cleanses stomach, liver and bowels

A harmless cure for sick headache, biliousness, sour stomach, constipation, indigestion, coated tongue, sallowness—take California Syrup of Figs. For the cause of all such misery comes from a torpid liver and sluggish bowels. A tablespoonful to-night means all constipation, poison, waste matter, fermenting food and sour bile gently

moved out of your system by morning without griping. Please don't think of "California Syrup of Figs" as a physic. Don't think you are drugging yourself or your children, because this delicious fruit laxative can not cause injury. Even the most delicate child can take it as safely as a robust man. It is the most harmless, effective stomach, liver and bowel cleanser, regulator and tonic ever devised. Your only difficulty may be in getting the genuine, so ask your druggist for a 50-cent bottle of "California Syrup of Figs" then see that it is made by the "California Fig Syrup Company." This city has many counterfeit "fig syrups," so watch out.

CAUSED BY OVEREATING

Deficient gastric secretion, meaning a lack of the fluids necessary for digestion, is a prevalent condition. You may have it now and not know it because you are able to get along without actual discomfort even with your enfeebled digestion.

If you overeat—then you are in trouble. You have indigestion because you have given your weakened stomach too much to do. The deficient gastric secretion was what doctors call the predisposing cause, the overeating was the exciting cause. It is easy not to repeat the overeating but the predisposing cause must be corrected if you are to be well.

The secretions that digest the food come from glands that are nourished directly by the blood. When these secretions are insufficient the only way to restore their healthful condition is by building up the blood. This can be done by Dr. Williams' Pink Pills, the non-alcoholic tonic that assists nature in keeping the body in health. Proper attention to diet and the use of Dr. Williams' Pink Pills should be tried in cases of disordered digestion because it is the simple and natural way to correct the trouble.

Send to-day for a copy of our free diet book, "What to Eat and How to Eat." Address: The Dr. Williams' Medicine Co., Schenectady, N. Y. Your own druggist sells Dr. Williams' Pink Pills.—Advertisement.

Four Real Artists Give Successful Recital

The recital given last evening at Camp Hill by the Misses McCarrell and Myers, assisted by William F. S. Yates and Miss Pauline Davison, pianists, was much of a success. Miss McCarrell was in especially fine voice and rendered her numbers very cleverly. She made a decided impression with her "Rosa" and "Anti-Suffrage" and the audience was highly appreciative.

Miss Alice Myers, well known in Harrisburg and Camp Hill, gave her vocal selections with much ease and fluency her best numbers being "Morning," by Humer, and "Mon Desir," by Nevin. These two ladies are going upon the lyceum platform the coming season and are sure to be successful.

Miss Davison gave her selection with much artistic coloring and her light runs and passages were superb. She shows exceptional talent for one of her age and experience. Mrs. W. Yates, known all over Harrisburg and vicinity, gave his selections with his usual masterful technique and was decidedly "at his best" in Chopin's "Marche Funere," where his soft singing tones were wonderfully executed.
