CAR LIMIT BILL  
IN PREPARATION  
Will Be Offered to Legislature if  
the Full Crew Act Is  
Repealed

In the event of the Full Crew Bill's being repealed, it is proposed by the trainmen's legislative committee to introduce a "car limit bill." This was the announcement of the general chairman of the Brotherhood of Railroad Trainmen in Philadelphia yesterday. A general opinion prevails with trainmen that the effort to repeal will not succeed.

President W. H. Garretson, of the Brotherhood of Railway Conductors, and President William G. Lee, of the Brotherhood of Railroad Trainmen, went east last night for a conference in Philadelphia to-day with the legislative and grievance boards of the two brotherhoods. A dispatch from Philadelphia says:

The general chairman of the Brotherhood of Railway Trainmen yesterday said the operation of the full crew bill since its passage has been so satisfactory that its repeal is highly improbable. It is, however, expected the introduction of a car limit bill.

Pennsylvania's full crew bill was enacted into law," he said, "after most careful legislative investigations not only in this, but in other States. The Supreme Court of the United States twice has passed upon the constitutionality of such laws, once in relation to the Arkansas act and again when the Indiana act was appealed. There is now pending a referendum on such a law in Missouri. Full crew laws are operated in about eighteen States and their value has been proven in all. The Supreme Court of Pennsylvania supported our present law. In the face of such convincing arguments as these, it is unlikely the bill will ask for the repeal of the measure on the Pennsylvania books.

RAILROAD PROFITS SHOW  
A Continuous Decline

Philadelphia, Oct. 20.—Data concerning the Pennsylvania Railroad system, which was presented to the Interstate Commerce Commission yesterday in connection with the rate case of special interest to the public, shows that the railroad's net income for the year ended June 30, 1914, the lowest for any year since 1905.

FOUR MORE ROADS  
WILL BE REBUILT

State Highway Department Asking For Bids For Reconstruction of Big Roads

Bids have been asked by the State Highway Department on four State-aid highways in Beaver, Washington, Chester and Jefferson counties. The bids will be opened on November 10.

The highway in Beaver county is more than two and one-half miles of brick block pavement to be constructed in Moon and Hopewell townships. It extends from the borough line of Monaca along the Ohio river through Colona and Stubo to the borough line of Alkippa. This road is to be completed by October 1, 1915.

The one in Washington county is in Cecil township. The total length is 12,829 feet of which 1,500 feet is to be brick block paving, the balance asphaltic concrete. This highway extends from the bridge over Miller's Run at Venice in a northerly direction to the brick block pavement south of McDonald and is to be completed August 1, 1915.

The highway in Chester county is in Penn township. It extends from the town line to the Upper Crawford township line, the road being locally known as the Elkview road. Its length is 6,662 feet. The road is to be completed by the first of July. It is to be of asphaltic bituminous macadam, penetration method.

The highway in Jefferson county is in Brookville borough and extends from the end of the present brick block pavement to the west line of the borough, a distance of 2,400 feet. It is to be constructed of brick block and is to be completed by June first.

Public Service Cases—A hearing was held before the Public Service Commission this morning in the matter of the proposed abolition of Parker's Crossing in Harbor Creek township, Erie county, and the construction of an undergrade crossing near Six-mile creek in the same county. The crossing is over the Lake Shoe and the Nickle Plate Railroads and the lines of the traction company.

The hearings that were to have been held on the complaints of the Association of Ice Cream Manufacturers against the Adams Express Company and Gomer Jones against the Delaware, Lackawanna and Western Railroad Company, which involved rates between Taylor and Scranton, have been postponed at the request of any suspicious cases.

Chief Roderick Here.—James E. Roderick, State chief of mines, was at the Capitol last evening for the first time since his illness. He appeared to be in good shape. To-day Mr. Roderick was called to Philadelphia.

Koot and Mouth Disease.—State Veterinarian C. J. Marshall to-day issued a warning that the foot and mouth disease, whose ravages in Pennsylvania a few years ago are well remembered, had appeared in part of Indiana and Michigan. He has issued a warning that persons who have imported cattle lately and before federal quarantine began should take great care and make prompt reports to him of any suspicious cases.

Democrats Row.—Notice was filed in the Dauphin county court and at the Capitol to-day by C. B. Lynch, Jr., and F. E. Scullin, of Philadelphia, in contest of the nomination papers of T. Henry Walnut and C. W. T. Robinson as Democratic candidates for the Legislature in the Seventeenth Philadelphia district. It is contended that they were not selected according to Democratic rules and not selected by the committee which they claim represents the Democrats of the wards comprising the district.

Governor to Take Stump.—Governor John K. Tener will make the speech at the closing meeting of the Republican campaign in Pittsburgh on the evening of October 29. Announcement to this effect was made at the Capitol to-day.

Asking For Bids.—The Board of Public Grounds and Buildings is asking for bids for the construction of the new State bridge at New Castle. The bid will be opened November 10.

Erie Visitors.—Ex-Auditor General A. E. Sisson and Senator Henry A. Clark, of Erie county, were visitors to the Capitol to-day.

Senator Hunter Here.—David Hunter, Jr., senator from Pittsburgh, was among the Capitol visitors. He came here to attend a commission meeting.

Commissions Meet.—The Panama Exposition Commission met at the Governor's office to-day to discuss exhibits at the San Francisco exposition. The commission to plan the State Home For Inebriates also met to-day to outline its work.

PATRIOTIC SONS ARE  
STRONG IN DAUPHIN

Upper and Southern Districts May Hold County Convention Soon

The semiannual district convention of the Southern-Dauphin district, Patriotic Order Sons of America, was held yesterday in the room of Camp 19, 26 North Third street, with Camps 8, 10 and 716, of this city; 102, of Steelton; 424, of Dauphin; 505, of Highspire; 616, of Grantville; 522, of Enhaut, and 705, of Hershey, represented.

Miles Morrison, of Steelton, presided. The reports of the delegates showed a prosperous condition of the camps in the districts represented, all of whom reported much activity both in the increase of membership and finance.

A committee, consisting of Ed H. Welger, of Harrisburg; Joseph W. Brooker, of Steelton; and John M. Shannon, of Pottsville, was appointed to meet with the Upper District convention in May, to endeavor to form a county convention of the Dauphin county Patriotic Order Sons of America.

A press committee appointed includes J. M. Shaffer, Frank Lindsey and A. C. Dean, of Harrisburg; Elmer E. Livingston, of Enhaut, and I. Ira Cargill, of Steelton.

District Presidents H. E. Zorger, of District No. 1, and Cyrus Gorman, of District No. 2, were, by resolution, pledged the hearty support of the twenty-one camps in the district, and much discussion was had on the condition of the weak camps and steps taken to strengthen them.

The following officers were elected: President, J. L. Porter, Camp 124, Dauphin; vice-president, Lee Roy Puzell, Camp 522, Enhaut; master of forms, W. Lewis, Camp 218, Harrisburg; secretary, Ed H. Welger, Camp 8, Harrisburg; treasurer, J. M. Shaffer, Camp 716, Harrisburg; conductor, W. Carpenter, Camp 505, Hershey; inspector, Jacob Bard, Camp 8, Harrisburg; guard, A. A. Treher, Camp 102, Steelton.

TROUBLE IN YORK CHURCH

Special to The Telegraph  
York, Pa., Oct. 20.—Friction between the Rev. Richard Brooks, pastor of the Epworth Methodist Episcopal Church, and the board of trustees has caused a split and forty members have threatened to resign. Six trustees have already handed in their resignations. The trouble arose over payment of the pastor's salary.

PLAN OF PROPOSED PROSPECT PARK-CEMETERY

DISCUSS PLAN FOR  
NEW LIGHT SYSTEM

Power Company Willing to Make New Contract With the Borough

A plan for improving Steelton's street lighting system and at the same time reducing the expense was discussed at a meeting last evening of Councilmen Stees and Sellers, representing the town property and finance committees of council, and Robert W. Hoy, commercial manager of the Harrisburg Light and Power Company.

The plan was suggested several months ago by Councilmen Sellers and immediately taken up by council. The town property committee was instructed to prepare a new list of locations for lights, to recommend the replacing of a number of arc lights with incandescents and the placing of new lights in various poorly-lighted parts of the town.

The town property committee, with the help of the councilmen from each precinct, prepared a new list, which was submitted to the council. This new scheme was submitted to the power company last evening and Mr. Hoy intimated that his company would be willing to change the contract with the borough in order to allow the saving.

Bloody Shirts Shown as Evidence in Court  
Coats cut to shreds and blood-stained shirts were produced as evidence in the case of four Italians arrested on charges of holding up a party of Macedonians on the Franklin street bridge Saturday night were arraigned before Squire Gardner for a preliminary hearing.

The Italians gave their names as Mauris Muff, Daniel Muff, Joseph Saulin and David Klaro. All four defendants were committed to jail in default of bail to answer charges of felonious assault and battery at the next term of court.

Oberlin to Have Big  
Republican Meeting

There will be a big Republican rally this evening at the firehouse in Oberlin. The firehouse has been rented by the Dauphin County Republican League, branch of Swanton township, to hold a meeting and the full membership will be present this evening.

County Chairman William H. Horner will introduce the speakers, who include Senator E. E. Heilmann, John C. Nissley, Frank Nissley, Jr., Leonard Nissley and David Nissley, and several others.

TO GIVE MUSICAL

The choir of Grace United Evangelical Church will give a musical Thursday evening, at 7:45 o'clock.

PROSPECT HILL TO  
BE PARK CEMETERY

Public-spirited Men Hear of the Much-needed Semipublic Improvement  
As indicating the public spirit of the citizens of Harrisburg, a representative group had dinner at the Harrisburg Club with Herman P. Miller last evening, in honor of Warren H. Manning, the distinguished landscape designer who has been in the city for the past few days, in connection with the proposed park system of Harrisburg. Mr. Miller's guests were not advised of the nature of the proposition which was to be submitted for their consideration and there was pure interest in what was to be presented, inasmuch as the only suggestion given in the invitation was a proposition for a "much needed semipublic improvement."

When the cigars were passed Mr. Miller announced that the hour had arrived when he had to uncover a rather "grave" subject. He then developed the thought that the time had come for the creation of a new burial ground for the city and details were given of the proposed landscape treatment of the Prospect Hill Cemetery at the terminus of Market street. This is a delightfully situated spot, and, while it has been used as a city of the dead for several years, it is now proposed to make it one of the most attractive cemeteries of the country. It was suggested by Mr. Miller that under the charter granted some years ago the cemetery company was not in an amenable corporation for profit. This fact was set out in the charter granted in 1875 by the Dauphin County Court to Jacob Haehlein, Alexander Roberts, Dr. George W. Reilly, Henry Kellner, H. H. Schellen, Chamber Dubbs and W. K. Alicks.

Manning Talks  
Mr. Manning has made a thorough study of the situation and during his talk a stereoscopic operator threw upon the screen views of other famous cemeteries of the country. It was the country, and great interest was manifested in the proposition. During his presentation of the matter Mr. Manning paid tribute to the old park commission and to J. Horace McFarland, whose efforts for civic advancement throughout the country, he said, have been widely recognized. He also paid tribute to the late John Hoffer, one of the founders of the park system, and other members of his family who have donated land from time to time to park purposes. It was altogether a most interesting affair and Mayor Royal provoked a smile when he referred to the presence of a number of prominent undertakers, monument designers, physicians and others, who have to do in the course of their lives, with cemeteries.

As a civic proposition the matter impressed all present, especially as it is proposed to make Prospect Hill a proper terminus of an important city

ON THE FIRING LINE

What It Means to Most Men

There are many true heroes that have perished in the European war who never smelt a powder, but who succumbed to sickness after hard campaigning—coupled with bad water and lack of food. The sick and debilitated man is as much out of place in his struggle for life and existence as he would be on the firing line. On the other hand the strong, vigorous man, his veins filled with rich, red blood, has an enormous advantage in whatever position he may be fated to occupy, in war or business.

The prompt and certain action of Dr. Pierce's Golden Medical Discovery in driving all harmful germs and impurities from the blood, sets in motion the repair process which works actively on the diseased membrane where Catarrh flourishes unchecked or where the skin gives warning of the bad blood beneath by showing pimples and boils, also the skin clears up and becomes wholesome and rosy.

Thus by building up new and perfect covering and carrying out of the system the Catarrh infested matter by way of the blood, liver and kidneys, Catarrh is overcome and permanently conquered.

There is not a drop of alcohol or any narcotic in Dr. Pierce's Golden Medical Discovery, but in this safe vegetable remedy there is a mighty alterative power which by replacing the blood impurities with pure, rich blood, not only ends Catarrhal conditions wherever located, but vitalizes the kidneys, stomach, liver, bowels and every organ of the body. People who suffer humiliation and mental misery because of Pimples, Skin rash, blotches, Eruptions, Boils, Carbuncles, are especially benefited. It is not a secret remedy for its ingredients are printed on wrapper.

HOW TO STOP  
STOMACH TORMENT

Sound Advice From A Well-Known Physician.  
Men and women who suffer from what they call Dyspepsia, indigestion or just plain "stomach-trouble" usually seek relief in the form of some peppin pill or tablet, or other artificial digestant. This, experience teaches me, is a serious error. In nine cases out of ten, the distress is caused by the development of acids in the stomach, instead of a digestant being required, something should be taken to dissolve the acids. In this acidity, when normal digestion will follow as a matter of course. This acid matter is distinctly poisonous and unless it is dissolved, digestion merely carries the mass of fermenting food from the stomach to the intestines, where its poison is absorbed by the blood and carried all over the body.

If you suffer from any of these conditions, make it a point to take a teaspoonful of Bismuth Magnesia in a quarter glass of water, after each meal. This would be no formation of acidity and consequently no distress or discomfort. Sour, acid, flatulency, belching, bloating, etc., would then be a thing of the past. Bismuth Magnesia is not a medicine, it is a natural, it is inexpensive and can be obtained at any drug store. It is prepared for just such a purpose. It enters the stomach, simply by dissolving the acids that have been formed there. Its action is absolutely harmless.—Adv.

How to Destroy  
the Dandruff Germ

BY A SPECIALIST  
That the dandruff germ is responsible for nearly all the diseases to which the scalp is heir, as well as the loss of hair and premature gray hairs, is a well known fact, but when we realize that it is also indirectly responsible for many other diseases as well, we appreciate the importance of any agent that will destroy this power. We are therefore, particularly pleased to give here, a prescription which an eminent scientist states he has found after repeated tests, to completely destroy the dandruff germ in from one to three applications. It will not only immediately stop falling hair, but it has in numerous cases produced a new hair growth after years of partial baldness. This prescription can be made up for you. You may purchase it put it up for you: 6 ounces Bay Rum, 2 ounces Lavender de Compose, one-half ounce Menthol Crystals. Mix thoroughly, and after standing an hour it is ready for use. Apply night and morning, rubbing into the scalp with the finger-tips. If you wish it perfumed, add 1 drachm of your favorite perfume. While this preparation is not a dye it is unequalled for restoring gray hair to its original color.—Advertisement.

"I Banished All Signs of  
Superfluous Hair Forever"

Says a Special Correspondent  
A new medical treatment called Mrs. Osgood's Wonder has been devised that never fails to remove all traces of unwanted hair growths wherever applied. It is extremely effective even in the longest standing cases and cannot injure the skin or complexion. Mrs. Osgood's Wonder can be obtained at Kennedy's Drug Store or other druggists on a signed Money-Back Guarantee found in every package. Its use costs nothing if it fails.—Advertisement.

WHY SUFFER ANY  
STOMACH DISTRESS

When Mi-o-na, the Quick and Effective Remedy Costs But a Trifle.  
If your stomach is continually kicking up a disturbance causing distress after eating heartburn, coated tongue, gas, sour taste of food, and you feel bloated, irritable and nervous, you are suffering from indigestion and dyspepsia. It is not only needless but dangerous for you to suffer this misery, and now is the time to stop the distress. Simply get from any drug store some Mi-o-na tablets, which are especially prepared to quickly banish all kinds of indigestion misery, and regulate upset stomachs.

Mi-o-na, a simple and harmless prescription that can be used at any time. These small and most beneficial tablets do more than give quick and lasting relief—they soothe the irritated lining of the stomach and stimulate the flow of the digestive juices so that what you eat is quickly converted into healthful nourishment for the blood and nerves. Then you are well and strong and no longer worry about trifles or have restless nights.

Do not delay treatment and allow indigestion to wreck your health and happiness. Get some Mi-o-na tablets from H. C. Kennedy at once, and take them at the first sign of distress. If Mi-o-na doesn't cause every symptom of indigestion to quickly vanish the refund price, small as it is, will be refunded.—Advertisement.
