Athletic Star May Manage Yankees if Trade Can Be Effected; Mack Denies Deal

Special to The Telegraph New York, Oct. 27.—Though he will not admit that he has been angling for the Athletic star, Frank Farrell does not deny that he has hopes of separating Eddie Collins from the Philadelphia club before next Spring.

Philadelphia club before next Spring. Whether Collins would be made manager of the Yankees if obtained by the local American Leaguers isn't altogether certain, but the probabilities are all that way.

Whether Collins can be brought to New York depends largely upon the showing Lute Boone makes as a member of the All-American team Connie Mack is campaigning through the West. If Boone can impress Mack as a young man with a big future, it is almost an even money bet that he, among others, will be traded off to the Athletics in exchange for Collins.

among others, will be traded off to the Athletics in exchange for Collins.

While the Federal Leaguers were in town last week Mr. Farrel said: "I hope Boone can play a lot of good baseball for Mack. If he does, the Philadelphia club may be willing to part with Collins.

Further than that the Yankee president would say nothing, but many a Yankee manager has been hired on less provocation since Frank Chance went away from here. The acquisition of Collins would probably cost the New York club quite considerable in players and in cash, and Boone would certainly be involved in the deal.

Philadelphia, Pa., Oct. 27.—Connie Mack last night denied the new dispatch from New York. "If we are negotiating with Farrell for the release of Collins, Joe Ohl must be doing it, for it's news to me," explained the gaunt general,

PHILLIES WILL TRAIN IN FLORIDA GAMP

Southern Town of St. Petersburg Has Up-to-date Equipment; Athletics to Go South

Special to The Telegraph

Philadelphia, Oct. 27. —If present plans do not miscarry, the Phillies will do their Spring training in Florida next year, arrangements having been almost perfected to take the squad to St. Petersburg. In all probability the Philadelphia management will secure the grounds for a term of years, either three or five.

This will be the farthest South the Phillies have ever gone to get into condition, but the success attending other teams that went to Florida induced President Baker to favor the location, although he had contemplated sending the players to California. The St. Louis Browns did their training last Spring at St. Petersburg and wanted to go again, but a hitch in the arrangements allowed the Phillies to slip in and they have secured an option on the grounds, and it is expected that the details will be settled in a few days.

St. Petersburg, on the west coast of Florida, is generally considered an ideal place for a ball team to train,

EDDIE COLLINS

The speedy second-sacker of the Philadelphia Athletics, who, according to the latest brand of winter league dope in circulation around New York, is due to be involved in a trade whereby he will become manager of the much-managed New York American League club. Luther Boone, the Yankees' second baseman, is now with the team that Connie, Mack is leading on a barnstorming tour of the West, and if Boone makes a good impression it is believed that the leader of the Athletics will consent to release Collins to the Yanks in exchange for Boone, a few more players and considerable cash.

FOUR ELEVENS HARD AT IT THIS WEEK

Lebanon; Academy, F. & M.; Central, Bloomfield

The four scholastic teams are at it with a will again and all of them hope to win the remaining games on their schedules. Which one will do this cannot be told until the final whistle Thanksgiving Day.

The results of Saturday's games were a disappointment for Tech and Central, as it was the first that either team was not able to score. No excuse for the result of the Tech-Greensburg game was offered by Coach Dunkle, except that the Tech team was outweighted and were weak on the line. Coach Dunkle game the men a light signal practice on the Island yesterday afternoon, followed by a severe drill. He said that the team has plenty of hard work to do if it is to win the remaining games. The players came out of the Greensburg games in good condition, with the exception of a few severe bruises.

Coach Taggart at Steelton yesterday had his men hard at work and he says there will be a different story when Tech plays Steelton again. The team is getting right into the scrimmage with lots of pep. The players were all in good condition after the Central's Hard Job

Coach Smith has the hardest proposition facing him. With practically a new team and the two of the best experienced players injured, the older school's chances look rather poor. It is hoped that the team will take a brace and win the game with Bloomfield Academy Saturday. Central's showing against Steelton was a disappointment and the team must improve remarkably to win the two important games that remain on the Schedule.

The Academy team is working to Marshal Academy game on Saturday. Arrangements are being made to take the team to Lancaster in automobiles. All four teams have hard games for Saturday and they are all confident of victory. Steelton will go to Williamsport to meet the strong team of the Franklin and Marshall Academy will meet in their annual battle at Lancaster. Tech plays Lebanon High on the Island field.

Yale: Rest for the overtrained men on the Yale football team and harder work for those who are not up to standard, seems to be the plan of t

return from Gettysburg. Coach Guyer did not give his men much work today, only light signal practice being held.

Gettysburg: The typhoid epidemic at Lehigh has invaded the Gettysburg squad. Elscheid, who was at Lehigh for the first two weeks of the year, was taken to his home in Harrisburg suffering from the malady. A strict examination of all the men and of the training quarters by the club physician has failed to show any signs of infection. Elscheid has been alling for some time, but it was only during the last few days, that the fever revealed itself. There is much depression over his loss to the team, as hehad shown himself to be a brilliant backfield performer.

Albright: Coach Charley Kelchner to-day on his return from Lewisburg, where, on Salurday afternoon, he witnessed the Bucknell-Susquehannat game, inaugurated a week's hard practice in preparation for the coming here next Saturday of the Susquehannat eam.

Helm last night defeated Harry Cooler, of Indianapolis, 50 to 43 in the
Interstate Three Cushion Billiard

League tournament.

DEFEND BILLIARD TITLE

Alfredo De Oro, champion, and George W. Moore, challenger, will, on Wednesday, Thursday and Friday of Wednesday, Thursday and Friday of this week in New York, compete for the Jordan W. Lambert trophy, emblematic of the highest professional at three-cushion carrom billiards. They will play 150 points, 50 each night. Stakes of \$250 a side, a purse of \$300 and the Lambert trophy, valued at \$1,100, will be at issue. By winning De Oro will become the owner of the jeweled emblem and the championship which it represents will terminate. A victory by Moore will make the emblem the medium of competitions for at least one year more.
