

THE YELLOW PERIL

Japanese Warnings

The Japanese early sought for the truth, and their earliest knowledge was the principle that their strength depended on a healthy stomach.

The first day you start to take this reliable medicine, impure germs and accumulations begin to separate in the blood and are then expelled through the Liver, Bowels and Kidneys.

In place of the impurities, the arteries and veins gradually get fresh vitalized blood and the action of this good blood on the skin means that pimples, boils, carbuncles, eczema, rash, acne and all skin blemishes disappear.

It is not a secret remedy for its ingredients are printed on wrapper. For free advice or free booklet on blood, write Dr. V. M. Pierce, Buffalo, N. Y.

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 31 one-cent stamps to pay expense of wrapping and mailing only.

Loss of Hagerstown Baldwin Hotel Damage \$150,000 and National Guard Company Loses \$8,000

OFFICER LOST HISTORIC SWORD Automobiles Burned in Antietam Garage Were Owned by Prominent People of the City

DR. BRUMBAUGH IS SPENDING DAY WITH DAUPHIN FARMERS [Continued From First Page]

LOSS OF HAGERSTOWN BALDWIN HOTEL DAMAGE \$150,000 AND NATIONAL GUARD COMPANY LOSES \$8,000

The Baldwin Hotel, which wrecked the Baldwin Hotel and destroyed the Antietam Hall and the O. D. Shery building in this city early yesterday morning, placed the loss at about \$400,000, the heaviest the city has ever sustained by fire.

The loss is partly covered by insurance. The Baldwin Hotel, located on the main business block in Washington street, was owned by Mrs. W. T. Hamilton, widow of Governor W. T. Hamilton, and was valued at \$150,000. The insurance on the building is about \$35,000. Charles W. Boyer, lessee of the hotel and proprietor of the Academy of Music, which is in the hotel, sustained a loss of between \$15,000 and \$20,000. Guests of the hotel lost between \$5,000 and \$6,000 in jewelry, clothing and other personal effects.

The destruction of the Antietam Hall caused a loss of about \$30,000, which Company B, First Maryland Infantry, located in the building, lost. Captain John K. Beckenbaugh had a personal loss of \$500, including a valuable sword formerly owned by his father, General George H. Eyd Douglas, who was on Stonewall Jackson's staff. Mr. Shery estimates his loss on the building at \$30,000 and \$5,000 on his skating rink.

Grant, who was the destruction of seventy-five automobiles, ranging in value from \$1,000 to \$4,600. The machines were stored in the Antietam Garage, on the first floor, where the fire started. They were owned by prominent residents of the city, including Judge M. L. Keedy, W. Wylie Ritchie, William U. Roulet, J. J. Jamison, Major J. C. Byron, Harry E. Baker, F. Wilbur Bridges and others. Harry E. Baker, proprietor of the garage, estimates his loss at between \$10,000 and \$15,000.

The Cumberland Valley Box Company, which occupied the second story of the building, had a loss of \$15,000. Keith, Housman, Secretary of Internal Affairs, Dr. Houck spoke in his usual genial strain, paid a tribute to Steelton and the big part the workmen have played in the development of the borough and the town. He also referred to the worth of Dr. Brumbaugh as a man and as prospective Governor, and concluded with a prediction that Dr. Brumbaugh WILL be Governor by some 200,000.

From Steelton the party went to Enahaut, where most of the townspeople and several hundred school children greeted the candidate. Dr. Brumbaugh and Dr. Houck spoke along much the same strain as in Steelton—a large part of Enahaut's male population is employed at the big steel works—and the two were enthusiastically received.

Heart-to-Heart Talk to Youngsters Oberlin was next in the itinerary and there 300 cheering school children formed the bulk of the big crowd. Dr. Brumbaugh wasn't gubernatorial candidate there; he was just a big school superintendent, and he talked to the youth of Pennsylvania at heart, and he delivered a little heart-to-heart talk to the enthusiastic youngsters.

Upon the children he impressed the importance of holding advantages and the opportunities that their "golden rule days" offered so that they could fit themselves to that type of men and women of which Pennsylvania could be proud. And then Dr. Brumbaugh smilingly advised the little folks to return to their books. Dr. Houck set the children laughing with a real talk and proved that he is not only a good pretty close to the hearts of school boys and girls.

Shake Hands With Men On the way to Middletown, the next stopping point, the party had to pass through Steelton again, and while no more speech-making had been scheduled, the party was met by a large crowd of men and women who shook hands with the candidate and his wife.

MRS. SWAVELY'S BIRTHDAY Mrs. George Swavely's birthday was celebrated at her home, 709 North Second street, with a little gathering of friends and neighbors. There was music and a supper served to Mrs. Swavely, Mrs. Winters, Mrs. Mary Smith, Miss Jeanette Bissinger, Miss Madalene Myers, of Carlisle; Miss May Swavely, Miss Margaret Swavely, Earl Gibson, Howard Swavely, George Swavely, Jr., Mr. and Mrs. George Swavely.

Carlisle, Pa., Oct. 29.—A huge mountain fire has been raging in the South Mountains since early yesterday. The fire, which is burning two miles east of Mt. Holly, is spreading rapidly and it is feared that the blaze, which has demolished 500 acres of woodsland, will reach the little borough if the flames are not checked. More than fifty men from Carlisle and Mt. Holly are fighting the fire.

The Two Witnesses

FALSE WITNESS THE TRUTH

1.—"Dr. Brumbaugh is the nominee of Penrose." The people know better. He was nominated by 250,000 Pennsylvanians after the "home front" of his country had urged him to run.

2.—"The liquor interests are financing his campaign." His personal friends are financing his campaign. Dr. Clarence Gibbons, President of the Law and Order Society; and Dr. Paul Voigt, Treasurer of the German-American Blankenburg Club.

3.—"He held a conference with Senators Penrose and Oliver at the home of Mr. L. J. Kolb before he decided to run for Governor." "There is not one atom of truth in the whole story."—L. J. KOLB.

4.—"Dr. Brumbaugh has never been active against the saloon by word, pen or deed." All Huntingdon County knows the falsity of this. Ask the men of '89. All Philadelphia knows it is false. Ask the School Board of that city.

5.—"He took no part in the effort to reform Philadelphia." Two men who know have answered for Dr. Brumbaugh—Dr. Clarence Gibbons, President of the Law and Order Society; and Dr. Paul Voigt, Treasurer of the German-American Blankenburg Club.

6.—"The ministers of Pennsylvania will not support him." Ask the big preachers who think for themselves. These, for instance, have declared for him: Rev. Floyd Tompkins, Episcopal, Philadelphia; Rev. Russell H. Conwell, Baptist, Philadelphia; Rev. J. H. Davies, Presbyterian, Philadelphia; Rev. B. H. Hart, Methodist, Harrisburg; Rev. Rufus W. Miller, Reformed, Philadelphia; Rev. George W. Shelton, Presbyterian, Pittsburg.

7.—"The Sunday School workers are not for him." Mr. George W. Bailey, President World's Sunday School Association; Mr. H. J. Heinz and Hon. John Wanamaker, President State Sabbath School Association and Honorary President and a host of other big Sunday School men are urging his election.

8.—"He does not believe in the conservation of childhood and womanhood." His life work has been for the conservation of childhood and his every speech has asserted his purpose to care for women and children who toil.

9.—"He does not believe in County Local Option." "I AM FOR COUNTY LOCAL OPTION."—M. G. BRUMBAUGH.
