

# LIGHTWEIGHTS ARE READY FOR BATTLE

## Freddie Welsh to Meet Ad Wolgast in a Ten-round Contest

New York, Nov. 21.—Trained to the minute, Freddie Welsh, the lightweight champion of the world, is ready for his ten-round bout with Ad Wolgast at Madison Square Garden to-night. Interest runs high, and a crowd which will tax the capacity of the big structure will be on hand.

The interest is not without good cause. Welsh and the former champion are rivals of long standing. When Wolgast was champion he and Welsh were matched on several occasions, but something always prevented a meeting. Three years ago, on November 30, 1911, to be exact, the men were to have boxed for the world's championship, but the night before Wolgast was stricken with appendicitis.

Willie Ritchie, then unknown, fought Welsh, and was beaten for the first time by the Briton. On another occasion an accident to Welsh's neck prevented the question of supremacy being settled.

Now, Welsh, wearing the crown he took from the brow of Willie Ritchie, who previously had dethroned Wolgast, will meet the Michigan boy. That a royal battle will result seems certain.

# Saturday Games Ordinary; Local Teams Are Beaten

## Carlisle Big Disappointment; Tech Trims Lebanon; Steelton and Academy Lose; Central Fails to Score

By "UMP"  
 Ordinary football was played on many gridirons Saturday. Harvard, with the aid of the forward pass, won from Michigan, score 7 to 0. The Carlisle Indians lost to Syracuse, score 20 to 3. After Saturday's games there were but two teams with clean scores, the Army and Pittsburgh.

In scholastic circles nothing happened to indicate any big improvement in the teams picked as factors in the Central Pennsylvania and local championships. Tech High won from Lebanon High, score 40 to 0; Central played no-score game with Bloomfield Academy, and Steelton High lost to Williamsport High, score 30 to 0.

These results, to many minds, place Tech in line as this season's probable winner.

Central did not have its regular line-up at New Bloomfield on Saturday. It was a practice game in which

Coach Paul Smith sized up several new men who may get into the game before the season ends. In the game at Steelton next Saturday the Central eleven will have its crucial test. Tech had little trouble with Lebanon High. The score, 40 to 0, could have been doubled had Tech players so desired. There was but one man on the Lebanon team who played the game. His name was Light. Had this boy had any help from his teammates Lebanon would have scored. Once Light received the ball from Hynson on a forward pass and ran fifty yards.

Steelton lacked the punch at Williamsport. Twice Steelton was within ten yards of Williamsport's goal line, but were held for downs. The Harrisburg Academy fell down at Lancaster. The Franklin and Marshall Academy eleven won by a score of 46 to 0. Coach Tatem's players were outplayed in every quarter.

## George W. Reily Wins Country Club Match

The annual medal play tournament for the golfers' cup brought out the largest field of the year at the Country Club of Harrisburg on Saturday afternoon, almost fifty players being on the course. At times it was so crowded that players had long waits and strong sentiment for a larger course was manifested.

The playing was spirited and some fine scores were made. George W. Reily, winner of the golfers' cup in 1912, won the trophy with a net score of 74. The cup was won by Dr. W. E. Wright last year. A. M. Sides and Lesley McCreath were tied for second place with net scores of 75. Gillespie was third with a net score of 81.

Among the players were Governor Tener and his brother, George E. Tener, although they were not in the match.

This coming Saturday the club will tender its caddies a tournament which will be played in the morning. In the afternoon a benefit will be given T. J. Dinan, the professional.

## WILLIAM PAVORD WINNER

With four up on borey, William Pavord, of the Harrisburg Park Golf Club, won the silver cup. It was the close of the nine match bogey. Pavord's score was 36 for nine holes. F. B. Harry won second prize. The summaries follow:  
 W. Pavord, first, 4 up, first prize.  
 F. B. Harry, second, 3 up, second prize.  
 G. W. Vint and K. E. Richards, tie for third and fourth prizes, 2 up.
