

A TELEGRAPH "FOR SALE" SELL IT QUICKLY

To the Girl Who Is Out of Work

You're tired of looking for work in stores and factories and don't know what to do? Why not do housework? It's dignified if you make it so.

How about wages? That depends upon your present ability and the work you do. I know a girl who started at housework a little over a year ago at \$4.00 per week.

The most this girl ever made before was \$6 per week in a downtown store—\$ until 5.30 except Saturdays, when it was \$ until 10. Her car fare cost 10c a day.

The most this girl ever made before was \$6 per week board and room.

Last year she opened a savings account, and to-day has a tidy sum in the bank.

You can do what she's done if you want to. Read Telegraph Want Ads and you'll find plenty of opportunities.
