BOILER EXPLOSION INJURES FAMILY

Two Members Probably Fatally Hurt and Others Are Badly Scalded and Bruised

Special to The Telegraph. Selinsgrove, Pa., Nov. 6.—Two members of the family are fatally injured and four others seriously hurt as the result of a boiler explosion yesterday morning on the farm of Joseph Ramer, near Grubb's Church. Those who are not expected to live are Charles Ramer, 21 years old, body scalded and deeply cut about head and chest; Joe Ramer, 59 years old, scalded and seriously hurt, William Ramer, 18 years old; James Ramer, 15 years old; Harry Ramer, 17 years old, and Mary Ramer, 9 years old. The family calamity was caused by the developing of two much steam pressure in a weak boiler of worn out type. The old engine, which was being used to saw wood, but the power had been so weak that the saw worked unsatisfactorily and in their desire to complete the sawing quickly, the Ramers decided to turn more draft into the fire-box and thereby increase the steam pressure. Mrs. Ramer and her daughter Anna, 10 years old, were engaged in the kitchen preparing the noon meal. They had just gone to the side door to call the others to dinner when the explosion occurred. Charles Ramer was hurled fifty feet by the impact of the explosion and landed on the cellar door. When the horror-stricken mother reached the demolished shed she found her three sons and the daughter lying there, bleeding and frantically crying from their burning scalps. Neighbors attracted by the explosion rushed to the scene, while others summoned physicians. The father of the family was found in a ditch twenty feet from the shed. His body had been hurled through an opened door. It is feared that neither he nor Charles will recover from the effects of the wounds.

You Make Friends By Recommending a Reliable Kidney Medicine

Your representative called at my door yesterday meaning to leave a sample of your noted Swamp-Root and I am certainly pleased to see anybody connected with the firm who makes a medicine which has done so much for me and my family. A few years ago I was suffering from a terrible pain in my back and when I was up around the house I had to walk with my body bent nearly double. I had placed a thousand dollars above my head I could not straighten up to get it. Hearing of Dr. Kilmer's Swamp-Root I sent you for a sample bottle and from the effects of that small amount I was sure it would help me so I bought one bottle and it has cured me. Shortly after that my husband, who was a coal miner, was suffering from kidney trouble and could not work and I sent for some of Dr. Kilmer's Swamp-Root. He was in a terrible condition, but as the doctors had not given me any relief, I had more faith in Swamp-Root, and it was well founded, for it did the work, and after taking a few bottles he was completely cured. I daily recommend the use of Swamp-Root to my friends and neighbors.

Sincerely yours, MRS. JOHN NORDQUIST, Galeton, Penna. Sworn and subscribed to before me, this 14th day of May, 1912. W. D. ALLEN, J. P.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove What Swamp-Root Will Do For You. Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Harrisburg Telegraph. HOW TO DESTROY THE DANDRUFF GERM

BY A SPECIALIST. That the dandruff germ is responsible for nearly all the diseases to which the scalp is heir, as well as for baldness and premature gray hair, is a well known fact, but what we realize that it is also indirectly responsible for many other diseases as well, we appreciate the importance of any agent that will destroy its power. We are therefore, particularly pleased to give here-with the prescription which an eminent scientist states he has found after repeated tests, to completely destroy the dandruff germ from one to three applications. It will also almost immediately stop falling hair and it has in numerous cases produced a new hair-growth after years of partial baldness. This prescription can be made up at home, or any druggist will put it up for you: 6 ounces Bay Rum, 2 ounces Lavonna de Compose, one-half drachm Menthol Crystals. Mix thoroughly, and after standing an hour it is ready for use. Apply night and morning, rubbing into the scalp with the finger-tips. If you wish it perfumed, add 1 drachm of your favorite perfume. While this preparation is not a dye it is unequalled for restoring gray hair to its original color.—Advertisement.

Have You Neurasthenia?

Neurasthenia is a condition of exhaustion of the nervous system. The causes are varied. Continuous work, mental or physical, without proper vacation periods, without proper attention to diet and exercise, also worry over the struggles for success, are the most common causes. Excesses of almost any kind may produce it. Some diseases, like the grip, will cause neurasthenia. So also will a severe shock, intense anxiety or grief. The symptoms are: oversensitiveness, irritability, a disposition to worry over trifles, headache, possibly nausea. The treatment is one of nutrition of the nerve cells, requiring a nonalcoholic tonic. As the nerves get their nourishment from the blood, the treatment must be directed toward building up the blood. Dr. Williams' Pink Pills act directly on the blood and with proper regulation of the diet have proved of the greatest benefit in many cases of neurasthenia. A tendency to anaemia, or bloodlessness, shown by most neurasthenia patients, is also corrected by these tonic pills. Your own druggist sells Dr. Williams' Pink Pills. Two useful books, "Diseases of the Nervous System" and "What to Eat and How to Eat," will be sent free by the Dr. Williams Medicine Co., Schenectady, N. Y., if you mention this paper.—Advertisement.
