## DEER HUNTING IN MONT ALTO SECTION

### Number of Fine Stags Shot on First Day of Season

Special to The Telegraph  
Waynesboro, Pa., Nov. 11.—Yesterday the deer hunting season opened in this section under most promising auspices and the lovers of the sport had not been in the mountains very long before several deer were brought down.

The first one shot was the prize of Josef Harlacher, a student of the State Forest Academy, Mont Alto. He killed a 100-pound spike buck along the pipe line in the rear of the hospital at the White Pine Sanatorium.

The second deer was killed by Harry Monn, of Roadside, in the Vineyard Hollow, near Glen Furney.

Harry Rosenberger, of Biesecker's Gap, killed an 8-prong buck at 10.30 o'clock, near the same point where Mr. Monn brought down his prize.

It is reported that the Monterey Gun Club, which is in camp at Caledonia, brought down three very large bucks.

A doe was found dead in the mountains near Glen Furney yesterday morning by Forest Ranger Harry Thomas. It had been shot but a short time before, but the hunter who killed the animal made a quick get-away after he had discovered his mistake.

Daniel Pentz, residing above Roadside, said that there were a number of deer near his home during the past week. A little girl in the neighborhood saw a herd of deer last Sunday.

A large black buck came up to within a few feet of Mr. Pentz's house Sunday, and after feeding on some grass around the house, returned to its haunts in the mountain. This buck has been seen in that vicinity for several years and is a wiry old creature and is good at dodging those hunting him.

## WILL ABANDON COAL CHUTES

Special to The Telegraph  
Lewistown, Pa., Nov. 11.—Transfer chutes of the Susquehanna Coal Company at Lewistown Junction will be abandoned on December 31. These chutes were established in the year 1889 by Jerry Buzzard, who was brought from Losh's Run as foreman. They constituted the transfer point for all coal coming from the anthracite coal regions enroute to Western markets, and frequently attained the mark of 200 cars a day. In busy seasons these chutes employed 100 men.

## Would You Trust A Man

whose surroundings, mode of life, and food and drink, have combined to make him treacherous, indolent and unreliable? And food and drink are among the chief causes. Coffee—one of the commonest beverages—contains a drug, caffeine, which affects stomach, liver, heart and other organs. Some persons are strong enough to stand the attacks of the coffee-drug, but to most people it is a poison, and sooner or later is bound to tell. If you find coffee is hurting you, quit it and try

# POSTUM

This healthful food-drink is made of prime wheat and a bit of wholesome molasses, carefully blended and roasted. It contains the food elements of the wheat and molasses and nothing else—nothing injurious or harmful. Serve Postum piping hot and it is delicious and invigorating.

## PAIN IN THE BACK

Do not worry about a pain in your back. The worry will do you more harm than the pain. The serious diseases of the kidneys seldom or never produce such pains, while the cause of most backache is muscular rheumatism, which is painful but never fatal. Lumbago is a form of muscular rheumatism, so is stiff neck. Sufferers from any form of muscular rheumatism affecting the joints should keep the general health at the highest standard by the use of a non-toxic tonic like Dr. Williams' Pink Pills, and eat good, nourishing food without too much meat. Proper nutrition and good blood are the best means of fighting rheumatism. Medicines do not control the disease directly, but a well-nourished system will often throw it off. Rheumatism quickly thins the blood. Dr. Williams' Pink Pills act directly on the blood and as they build it up and strengthen the system there is an increased resistance to the rheumatic poisons. In this way many rheumatic sufferers have found complete recovery. A book, "Building Up the Blood," which tells about the treatment of rheumatism, is sent free for the asking from the Dr. Williams' Medicine Co., Schenectady, N. Y. Your own druggist sells Dr. Williams' Pink Pills.—Advertisement.
