

BUCKNELL ELEVEN MOSTLY FRESHMEN Coach George Cockill More Than Pleased With Work of Green Men

Coach George Cockill was more than pleased with Saturday's result of the Gettysburg game and complimented the team for its good work. Coach Cockill has been up against a hard proposition all season because he was obliged to use green men. Early in the season Bucknell faculty put a ban on certain players for reasons known to themselves only.

Bucknell had expected to send a veteran team against Princeton, Swarthmore and Cornell, the teams that were played early in the season, but for various reasons the Bucknell eleven for those games had seven freshmen in the line-up. The loss of Shafter, the center in the first scrimmage of the season, was the first severe blow. His loss was followed by the loss of Cruikshank, Sturgis and Chambers.

The team has shown great improvement in the last two weeks and with the experience gained by the freshmen this year Bucknell can look forward to a bright year in 1915.

To fill the places of Harn and Topham is going to be a big problem. There are several freshmen linemen who will develop in another year, but it will be some time before they play the game as "Benny" Harn has played. It during his four years at Bucknell, Topham is another player whom it will be hard to replace in a year's time. Davis shows promise as an open-field runner and has a lot of speed.

The Bucknell coaches and the team will now bend every effort to make a good showing against Washington and Jefferson in the closing contest of the year on Thanksgiving Day.

CENTRAL HIGH LOSES AGAIN

Lost to Stevens Trade School of Lancaster in a Hard Game Central High lost to Stevens Trade School at Lancaster Saturday, score 10 to 0.

Both teams played well in the first period. Central had a crippled team. In the second period the Stevens team came back strong and by a series of line plunges, coupled with free use of the forward pass, worked the ball within striking distance of the goal, and Cline scored on a line plunge. The final score came when Crownover booted a placement goal from the thirty-yard line. Rote, Smeltzer and Bingham were out of the game.

BITS OF SPORTS

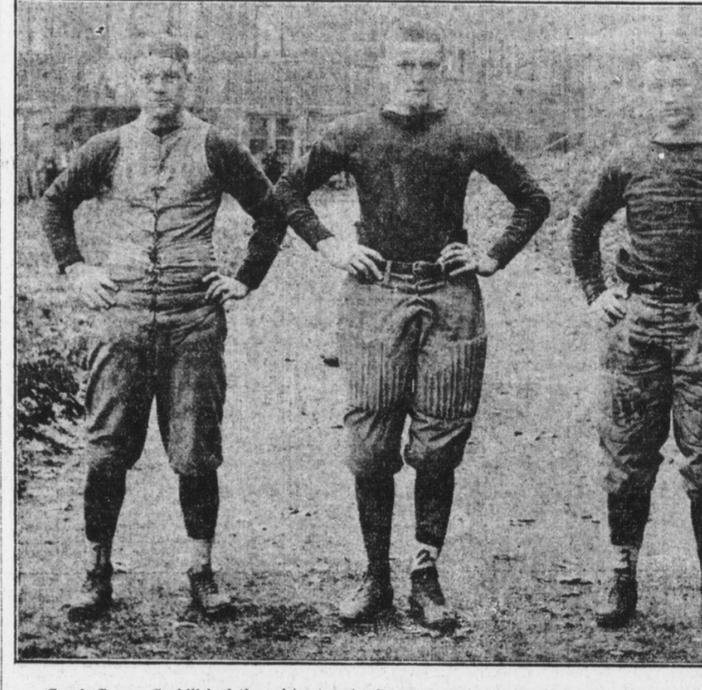

Yale will close the season Saturday with Harvard. St. Louis will trade "Hob" Perdue for good men. Captain Goldstein is back in the game with Dickinson. Elmir franchise of the New York State League is for sale.

The six-day bicycle race at New York started last night. The scrub team of the Neldig Memorial of Oberlin defeated St. James' team of Steelton Saturday, score 62 to 7. Harrisburg defeated the York basket-ball five Saturday, score 45 to 42. An extra five-minute period was played. Eddie Plank may sign with Chicago Feds.

It is said that Connie Mack will release Lapp and Oldring. JOHNNY GRIFFITHS WINS HIS BATTLE

By Associated Press Sydney, Australia, via London, Nov. 16, 4:59 a. m.—Johnny Griffiths, the American pugilist, knocked out Hughie McEwan, the former light-weight champion of Australia, in the eighth round of their fight here to-day.

BUCKNELL STARS IN SATURDAY'S LINE-UP

Coach George Cockill had three big stars in the game against Gettysburg who did the bulk of the work. They are, reading from right to left, Captain Topham, fullback; Gdaniec, left halfback, and Keiser, right halfback.

BATTLE BOYAL WAS WILLIAMSPORT GAME

Tech High Held Their Opponents to a Scoreless Tie on Saturday

Williamsport, Pa., Nov. 16.—Saturday's scoreless football game between High School and Harrisburg Tech was the best game Williamsport has seen this year. Both teams were anxious to support their claim to the High School championship of Central Pennsylvania and both displayed championship form.

High played a defensive game, kicking on first down throughout almost the entire game. High's one flash of offensive work came in the opening of the second quarter. A punt had gone over the heads of the Tech backs and rolled almost to the goal line and the return punt gave High the ball on Tech's 40-yard line. High rushed the ball ten times in the effort to get it over the line, practically all the rushing it did. Tech had the heavier team and had been well coached. Its ends were down under punts and nailed the back so quickly that only once was he able to run back a punt and then only for five yards.

High punted fifteen times for 490 yards, an average of 32 2-3 yards and Tech punted ten times for 340 yards, an average of 34 yards. But Tech had the advantage in running back the punt eight yards, an average of five and one-half yards, while High could only run it back five yards, an average of eighteen inches. High covered one fumbled punt and punted once out of bounds.

High only tried to crush the ball thirteen times during the game and made a net gain of twenty-five yards,

an average of two yards. Tech rushed the ball 83 times for a net gain of 239 yards, an average of two and seven-eighths yards. Tech tried five forward passes, three of which grounded, one gained seven yards and one gained twenty yards, but was caught by a High player.

High fumbled but one pass but it last ten yards and the ball. Tech fumbled two punts and lost the ball both times, and fumbled four passes, three of which were regained for a total loss of seven yards and one lost the ball but no distance.

There can be no comparison on the kick-off, because High kicked off twice for a total of 55 yards which Tech ran back a total of twenty yards. Tech did not kick off, and consequently High had no opportunity to run back the ball but no distance.

High made one try for a field goal and Tech made four tries, but all failed. Williamsport. Speaker, le Stadden, lt Bathurst, lg Vanderlin, c c Gilbert, rg Mayer, rt Frain, re Whiteman, qb Weishart, rb Galbraith, rfb Rothrook, fb Referee—Whitman, Bucknell. Umpire—Grove, State College. Head linesman—Emerick. Quarters—13 minutes each.

CHIEF BENDER GOES AFTER CAR Chief Bender, the Athletic twirler, who was injured in an auto accident at Snyder, returned to that place to-day. Bender came to Harrisburg after the accident. Chief Bender was severely cut and bruised near Snyder when an auto was thrown, through the windshield of an automobile he was driving and which struck a rut. The cuts were about the face and hands, but Bender was not seriously hurt. He came to this city by train.

Yale Landed on Princeton; Take on Harvard Saturday

College Games on Saturday Brought Some Results Not Looked For by Dopsters

By "Ump"

In Saturday's football battle Yale's victory over Princeton by a score of 19 to 14, was about the only battle in varsity circles that caused unusual comment. Some predicted that the Tigers would come back and win, but Yale's machinery was working fine. Princeton tried hard in the second half to win and the Tigers' work was of a character that kept Yale busy until the finish. Yale played the game that wins every time.

Harvard's scoreless tie with Brown was due to the presence of many substitutes in the Harvard line-up. Daney mountramped all over Penn and Cornell bowed to the Michigan eleven. Next Saturday the finals will come on many gridirons and the results will be anxiously awaited. Straight football continues and is giving the spectators interesting exhibitions. Lebanon Valley's right to get a

chance with some of the bigger college cake with their victory of Muhlenberg on Saturday, score 7 to 0. Considering that the Muhlenberg eleven has been scoring against the best teams this year the Lebanon Valley victory is all the more creditable.

Harrisburg had an exciting college game Saturday in the battle between Bucknell University and Gettysburg College. Coach George Cockill's team won, score 25 to 0. Gettysburg was never in the game as a probable winner, but put up a game fight. The game was attended by a large crowd. It was the best contest seen at Island Park since college games were played in this city. Harrisburg was a real college on Saturday. The Bucknell stars were Topham, Gdaniec, Keiser, Davis and Spotts, and Lawrence and Morett, the Steelton boys. The Gettysburg stars were Hoar, Weigels and Scheffer. After the game, the Bucknell students celebrated with a parade and George Cockill was given an ovation by his many admirers at Hotel Columbus.

Economy Contest Rules For Thanksgiving Day

Rules governing the annual economy contest of the Motor Club of Harrisburg to Gettysburg and York on Thanksgiving Day will be as follows: Contestants in the economy contest of the Motor Club of Harrisburg on November 26, 1914, will be required to cover the route on a limited time schedule. The use of gasoline alone will be recorded.

The contesting cars will be compelled to make an average speed of not less than sixteen miles an hour. The scores made in the contest will be arrived at as follows: Divide the total quantity of fuel consumed in ounces (128 ounces to the gallon), by the combined weight of the car and its passengers in pounds, and the car with the lowest percentage, irrespective of price or body equipment, is the winner. Cars will report at the starting line at 7 o'clock a. m., November 26, with full complement of passengers entrants desire to take on run. Gas tanks will be filled and then cars weighed and record of full weight with passengers made.

Each entrant must purchase his gasoline from the committee at the garage before the start. All tanks will be filled by the technical committee (or filled by the driver of the car in their presence), who will record same for references. Inspection will be made of all tanks and leads and provision must be made for the convenience of passengers entrants to properly examine them, and the presence of entrant or driver is necessary at this time. Cars having to take gasoline enroute will be disqualified.

A silver trophy will be awarded by the Telegraph to the entrant making the best score in the contest. A certificate of merit will be issued by the Motor Club of Harrisburg to each car finishing first, second and third.

Each entrant is requested to make a note of any contestant who may deviate from the route or who is in any way working about his car. Observers must be appointed by each entrant and must be satisfactory to committee.

The contestants shall be preceded by a pacemaker; and any entrant or representative thereof who passes the pacemaker shall be disqualified. Contesting cars must not run the pacemaker car unless it is passing behind the schedule. Should a contesting car pass the pacemaker car it takes the pacemaker and his flag and must set a pace not in advance of that which the pacemaker car should have set. If the pacemaker car fail to maintain the proper pacemaking pace, it must surrender the pacemaker's flag

to the next car that is suitable to take up the pace. Cars unintentionally leaving the course must return to it at the point whence they left, under penalty of disqualification.

Cars intentionally leaving the course to make repairs or adjustments may be disqualified at the discretion of the referee.

No time will be allowed for tire repairs. Time lost in making tire changes must be made up before the night control. Lateness at night control will be penalized at the rate of one point per minute for each minute contesting car is behind official time.

Contestants are requested to report at the starting line with as little gasoline as possible in the gasoline tanks. All gasoline will be drained from the car before the start and the tanks filled with official gasoline.

An entrant or competitor in the economy contest shall have no recourse against the Motor Club of Harrisburg, its committees or any of its officials under any circumstances.
