ALL-STAR TEAM WILL MEET INDIAN ELEVEN

Game Will Be Played at Fenway Park on Saturday, Nov. 28; Proceeds For Charity

Special to The Telegraph Boston, Mass., Nov. 19.—All-star football teams have been picked season after season, and by experts. This year an all-star team will go up against the Carlisle Indians at Fenway Park, Saturday, November 28. This game promises to be a unique contest. The proceeds of the game will go to charity, the money to go to the Children's Island Sanatorium fund, and to the Red Cross. This contest was arranged last Spring, when contracts were signed by Glenn Warner, the Carlisle football director, and President Lammie, of the Boston American League Club. For the All-Stars, Hamilton Fish will act as captain, and the former Harvard leader will get into the game at his old position of tackle. The players from the New York district will be coached by Fische, and the finishing touches will be put on at his country home at Garrison, on the Hudson. The players about Boston will be coached in the same formations and with the same signals by Harry Gardner, the Harvard quarterback of last year's team. A week before the game the full squad will get together and the best men will be selected to start the game against the Indians. The players will be taken in hand by Fische after the Harvard-Yale game for their final polishing.

Some of the most noted football players of the East will get into the game, and the old-timers are very anxious to resume gridiron activity. So many have volunteered that it is likely that practically a new eleven will play in each period for the All-Stars. In addition to Fish and Gardner, Ted Coy, the great Yale captain of 1910, will be in the line-up, with "Hokey" Baker, of Princeton, and "To" Pendleton, captain of the Tigers in 1912, and Philbin, of Yale. Dartmouth will be represented among others by Sherwin, and Williams by Wadsworth, the former quarterback. Other New England colleges also are expected to be represented in the final make-up of the eleven. Harvard, naturally, will have the larger representation, and in addition to those named there will be Pat Grant, one of the first of the roving centers; Minot, the great punting back; Percy and Jack Wendell; Vic Kennard, whose drop kick defeated Yale at New Haven in 1908; Crawford Blagden, the Crimson tackle of more than a decade ago; Huntington, Hitchcock, Wiglesworth, Parkinson, "Dick" Lawrence and the Withington brothers, Paul and Lothrop, both captains in their senior years at Harvard.

TWO YALE STARS TO SHINE AGAINST HARVARD

ALEC WILSON Quarterback

"RED" BRANN Left End

Wilson and Brann, who did wonderful work in the big game against Princeton, are expected to show along with Le Gore in the final test of Yale's football season against Harvard. Most of the experts who watched the game with Princeton were very favorably impressed with the work of the two men. Both men have now been playing two seasons with the team.

FOOTBALL CHAMPIONSHIP GAME

May Be Played Between East and West Next Season

Special to The Telegraph Cambridge, Mass., Nov. 19.—Thomas K. Richards, undergraduate manager of the Harvard football team, last night said that his statement as to the possibility of a football game next year for the championship of the country, reported in a dispatch from Lincoln Neb., was based merely on the hope that such a contest might be arranged.

He said there had been no serious discussion of the proposition to his knowledge, but he felt it was the general sentiment among the football leaders of the Eastern colleges that such a game would be of value to the sport.

CORNELL IS WORKING HARD

Line-Up Will Be Same as the One That Faced Michigan

Special to The Telegraph Ithaca, N. Y., Nov. 19.—The Cornell varsity went through the first of its series of four secret practices yesterday in preparation for the Pennsylvania contest on Thanksgiving Day. The actual drill was held in the baseball cage. The line-up was practically the same as the first team that played in the contest against Michigan. The head coach, however, tried out several different men in the positions of guard and tackle.

BICYCLISTS AHEAD OF RECORD

New York, Nov. 19.—The ten leading teams in the six-day bicycle race had traveled 1,604 miles, 6 laps, at 8 o'clock this morning and were nine miles ahead of the record set by Foster and Goulet in 1913. Fifteen teams were still in the race.

General Shift at Penn; Four Regulars Retained

Philadelphia, Nov. 19.—Only four members of the Penn football eleven are sure of their positions. This quartet consists of Captain Journey, Ned Harris, Walter Hopkins and "Nig" Koons. The others will be forced to show improvement in their work before they will be certain to start the game against Cornell on Thanksgiving Day.

Yesterday the players reported in football togs for the first time since the Dartmouth defeat and Coach Brooke divided the squad into two teams. They engaged in a signal drill for more than an hour and a half. The first team lined up as follows: Left end, Lundberg; left tackle, Townsend; left guard, Russell; center, Journey; right guard, Henning; right tackle, Harris; right end, T. Price; quarterback, Merrill; left halfback, Mathews; right halfback, Rockefeller, and fullback, Avery.

Members of the Keystone Motorcycle Club, since its organization have been factors in demonstrations and have had numerous successful runs and contests. While every member of the Keystone club has figured in its success, there are a number of members who are looked upon as leaders. One of these leaders is Claude W. Baskin, a charter member, who worked hard two years ago to secure members for the club and was valuable in its organization. October 12, 1912, at a meeting held in Heagy Brothers' motorcycle store. He has been official referee at Middletown races and all hill climbing events. This season Claude W. Baskin made a perfect score in the 423 mile endurance run to Staunton, Va., and return, receiving merchandise prizes valued at \$20. He missed only two runs out of a total of thirty and stands a chance to win a silver loving cup. Baskin has two Harley-Davidson motorcycles and expects to have a third in the near future. Robertson, of the Brooklyn and Buffalo Federal League clubs, respectively, stated late yesterday that no decision would be announced until the regular meeting of the league in December. Gloom Covers Tech High Camp; Beck May Not Get Into Game

Scholastic Teams Are Working Hard For Saturday Battles; Yale Is Picked to Win From Harvard

Gloom is spread all over Tech. It was announced yesterday that Beck is not likely to play against Steelton. Beck has a bad shoulder. The game at Williamsport last Saturday was a hard one for Beck, and he has not been able to show his usual form in practice. Coach D. Forrest Dinkle is of the opinion that Beck will be needed next Thursday, and he does not care to take any chances in having him put out of the Central game by probable injury Saturday.

Steelton High will come to Harrisburg with an entirely new line of tactics. Coach Ed C. Taggart has been drilling the Steelton team in trick formations and in forward passes and Steelton will have to be watched. Coach Taggart held final scrimmage with the scrubs this afternoon. Tomorrow light practice will be in order.

Central Getting Ready

Central is not losing any opportunity to get in shape for the game at Wilkes-Barre Saturday. Every man on the Central squad who has shown anything like form is being tried out. Numerous shifts were made yesterday in the Central line-up by Coach Paul Smith, and while some of the regulars may be missing, Central expects to have a very creditable line-up against Wilkes-Barre High.

Carlisle.—Coach Glenn Warner changed his mind and allowed the Carlisle Indian varsity eleven to enter into a short scrimmage here this afternoon against the scrubs, whereas he had earlier thought best to allow the

Redskins' first eleven to remain idle until Thursday. The revivifying influences of the snappy cold weather caused the reinduction of the aborigines into hard work.

Lebanon Valley.—Coach Guyer gave his football squad a long signal practice on Anville Field. Forward passing received the most attention, as in this department of the game the coach wishes his second team to use in Saturday's contest. On account of the most important games on the scrubs' schedule being played, the men are not doing their best in the work on Anville Field.

Harvard.—A squad of nineteen players in charge of Coaches Houghton, Campbell and Wiglesworth, left here to-day for New Haven, where they will practice for Saturday's game in the Yale bowl. Linemen will go down Friday. Yesterday afternoon Captain Brickley and Ernest Soucy were out. Both worked with one of the substitute layouts, Brickley being at halfback and Soucy at end. There is little chance for the latter to play. Brickley was very slow and there is not a chance for him to play Saturday, unless to go in for a moment to try for a field goal. This is the final decision of the coaches.

Yale.—"We are going to win Saturday; we know it and you know it. We have a tough job, but every man is going to put everything in him into that game, and we are going to win."

Thus spoke Captain Talbot of the Yale football team last night, before the largest and most enthusiastic mass meeting held at Yale in years. The gathering of the undergraduates took place in the dining hall, with 3,000 students in attendance. The cheers and songs with which the Eli supporters will christen the new bowl at the Harvard game Saturday were practiced.

LEE MAGEE HANDS IN HIS NOTICE

Special to The Telegraph St. Louis, Mo., Nov. 19.—Leo Magee, infielder for the St. Louis Nationals, yesterday served a formal ten days' notice on the club that he would consider his services to the club at an end at the expiration of the ten-day period. President Britton issued the following statement: "I am told that Magee has an offer from the Federals of a three-year contract at \$6,000 a year and a \$2,000 bonus the moment he signs. We have a valid claim to Magee's services for 1915, but if he regards his moral obligations thus lightly I am willing to let him go."

JOHNSON TO FIGHT McVEY

New York, Nov. 19.—Jack Johnson, the heavyweight champion, has accepted terms for a fight with Sam McVey in Havana, it was announced last night by Billy Gibson, boxing promoter. Gibson, who is acting as representative of Havana sporting men, said he has received a telegram from Johnson agreeing to an offer of \$3,000 for the match, win, lose or draw, and 50 per cent. of the moving picture rights. Johnson stipulated that the fight must take place in April.

HORTON WINS CHAMPIONSHIP

Defeating John Ross in the Harrisburg Academy tennis finals yesterday afternoon, Charles Horton won this season's championship. The match was one-sided, the scores being 6-2, 6-3. Horton is a Williamsport boy and is a member of the Williamsport Country Club team.
