HARVARD STUDENTS OFFER BETS ON GAME

Yale and Crimson Players Drill Furiously on Snow-clad Gridirons

Special to The Telegraph. New Haven, Conn., Nov. 20. — A northeastern blowing thirty miles an hour and bringing with it nearly two inches of rain and snow made no difference with the plans of the Harvard and Yale football teams yesterday. The Crimson advance guard, consisting of twenty players, Head Coach Houghton and assistant coaches, had what was termed a "satisfactory" try-out in the new bowl. Much of the drill was devoted to punting and practice in kicking field goals. Captain Brickley kicked goals with his usual accuracy from all angles, despite the fact that the gridiron was covered with slush, and the water stood inches deep. Mahan also kicked goals with good success. After a short signal drill the players left for New London to join the rest of the Harvard squad to-morrow. Football enthusiasts were apprehensive to-day because of weather conditions, but the Weather Bureau said last night indications now point to a fair, cold Saturday. Harvard students sent \$3,000 here to bet on their team at odds of 10 to 9. Yale men covered the bets at once.

PENN STATE REGULARS WORK

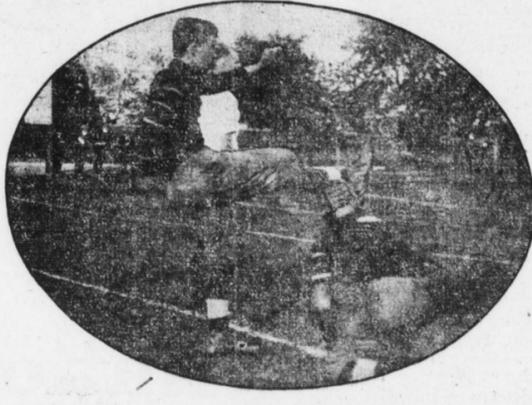

Special Care to Prevent Injuries in Preparation for Pitt Game

Special to The Telegraph. State College, Pa., Nov. 20. — For the first time in three weeks Penn State's varsity was able to work with its regular line-up yesterday. With the rounding up of the crippled Hollenback tried out a new backfield combination that so well satisfied him that he said he would stick to it for the Pitt game on Thanksgiving Day. Higgins played fullback, Clark left half, Yerger right half and Captain Tobin quarterback. This arrangement puts Welby and James to the bench. Tobin's re-appearance with the regulars put new life into the eleven and he handled the team with his old-time form. Apparently his two weeks in the hospital hadn't slowed him up. While the team had no scrimmage, it was given a long signal drill on a frozen field. Hollenback said he would give the men no rough work while there was the slightest chance of further injuries. The outlook for a strong line-up against Pitt was further brightened to-day by the appearance of "Whitey" Thomas, the right end, who has been laid up with a dislocated arm since the Harvard game. Rough edges of the eleven's offensive play were smoothed to-day under the eyes of five coaches. Page, a former end, joined the staff for a week.

Finals in Many Gridirons; Tech Winds Up With Steelton

Yale-Harvard Game Is the Important College Battle; Some Teams Will Enjoy a Day of Rest

Finals will be played on many gridirons to-morrow. Some of the big varsity eleven will have a day of rest in preparation for the Thanksgiving Day games. The final game in the "Big Six" series will be between Yale and Harvard. In scholastic circles Central High will wind up the out-of-town schedule with a game at Wilkes-Barre. Tech High and Steelton complete the season at Island Park. The annual game between Central High and Tech takes place Thanksgiving afternoon at Island Park. What happens to-morrow may figure in the results next Thursday. Due to the fact that the days have grown shorter, many of the battles to-morrow will start at 2 o'clock and 2.30. The battle at Island Park will start promptly at 3 o'clock. Among a long list of eastern football teams the number of unbeaten ones narrows down to a scant three—Harvard, Union of Schenectady, N. Y., and the Army—and the two latter are the only ones that have won all their games. Union closed its season with eight consecutive wins and with the excellent defensive record of only 14 points for opponents. That is a small number this year. Dartmouth has climbed over the 300 mark in total points and closes its season next Saturday with Syracuse. The scoring of the Carlisle Indians has been consistently weak, which is a big contrast to what they usually do in a season.

SLUGGER RETURNS IN DISGUISE

Trick Pulled Off in New York Made Public Yesterday

Special to The Telegraph. New York, Nov. 20. — A trick that will rank with that of Charles Dillon, famous Carlisle player, was pulled with success by a Stevens player against New York University Saturday. It became known yesterday. Dillon's trick was pulled against Harvard. He received the ball on a kickoff and ran 105 yards for a touchdown, with the leather tucked under his jersey. The Stevens player was ruled from the game for slugging. In the next quarter a "guy" was sent in. This "guy" had his face hidden in bandages. It was the ruled-out slugger.

Elected Captain of the Harrisburg Academy Eleven Next Season. Reuben Bennett, right end on the Harrisburg Academy team, was yesterday given unanimous election as captain of the football team for next season. Bennett has been on the squad for three years. Talbot said: "I'm sorry and Coach Hinkey is sorry that we had so much secret practice this year, but we were driven to it. We've got a tough job ahead of us, but we're going to win. You needn't worry about those fourteen points in the Princeton game. We had to save some of the big fellows for Saturday. We're going to give the best we've got, and it will be enough."

BRICKLEY IS WITH HARVARD

Practiced With Squad in the Yale Bowl Yesterday Afternoon

Cambridge, Mass., Nov. 20. — The first skirmish line in Harvard's advance on the Yale bowl was thrown out yesterday when the backfield and center candidates of the Harvard team proceeded to Boston to take a train for New Haven. Captain Brickley was a member of this advance company and Coaches Houghton, Wigglesworth and Campbell went along. The players planned to practice for a short time in the bowl this afternoon and to retire as far as New London to-night. There they will be joined to-morrow by the rest of the squad and the day will be spent in walks, automobile rides and light practice on the New London baseball grounds.

LEBANON VALLEY SCRUBS

Prepare For Battle With Shippensburg Y. M. C. A. Eleven

Special to The Telegraph. Annville, Pa., Nov. 20. — The Lebanon Valley reserves were given a hard signal drill to-day in preparation for the Shippensburg Y. M. C. A. eleven to-morrow on Annville field. Coach Guyer is confident that his scrub team will defeat the later team, as the second string men are now playing their best. The coach ordered his quarterback to use the forward pass in the coming contest, as he is sure that the team is not gaining the ground that is possible.

MONTREAL FRANCHISE IS SOLD

Special to The Telegraph. Montreal, Can., Nov. 20. — When the franchise of the Montreal baseball club of the International League was offered for sale yesterday to dissolve partnership between S. E. Lichtenhein, Gordon C. Cushing and E. R. Carrington, there were only two bids. Frank McKenna, on behalf of a syndicate, offered \$21,000 as his bid, while S. E. Lichtenhein, who held the controlling interest in the club, offered \$30,000. As this was the highest bid within the stated time the club was knocked down to Lichtenhein, who now owns it outright.

BITS OF SPORTS

Eastern football teams practiced in the snow and rain yesterday. Cleveland capitalists have given up the idea of buying a Cleveland franchise. The Phillies' leader, Pat Moran, is preparing for next season. No boxing show will be held at Lancaster on Thanksgiving Day. Manager Hensel is busy on a big bill for a later date. Captain Tobin is back on the Penn-State team. Hershey defeated the Steelton All-College five at Hershey last night, score 28 to 22. Yale ticket authorities are sending back to applicants \$21,000 that had been mailed for tickets. Instead of the expected difficulty in filling the new bowl for the Harvard game, 9,000 seats were added temporarily, making the total 69,000, and 10,500 applicants were refused opportunity for admission. Candidates for the P. R. R. Y. M. C. A. basketball league, which will open within the next two weeks, will meet in the association building this evening promptly at 7.30 o'clock. The Rescue five defeated Liberty in the Middletown League series last night, score 26 to 20. The Union team won for Car Shops, score 25 to 10. Mendham, of the Federals, of the P. R. R. Y. M. C. A. team, bowled 659 in three games last night. The Feds won from Barons, margin 64 pins.

A BOOK THAT REVEALS THE CAUSES OF THE WAR

"The Story of Europe" Explains the Century of Quarrels Leading to the Present Conflict

The unique value of "The Story of Europe," which we are distributing to our readers, consists in the fact that it lays bare the deep-rooted causes of the most stupendous conflict in the history of man. It shows clearly how Europe has become a camp of hostile powers, explains the real facts about the Triple Alliance and Triple Entente, and tells how and why they were formed. It de-

scribed the hidden, as well as the apparent, forces that have been at work for generations looking toward this great war. It portrays the issue of Pan-Slavism versus Pan-Germanism that has had much to do with precipitating war at the present time, and tells graphically of the giant struggle between Great Britain and Germany for commercial supremacy and its influence in the conflict. It explains the colonial policy and development of the great Powers, all of which have rich colonial possessions except Germany. It draws a true picture of the greed and jealousy that have kept nations constantly ready to jump at one another's throats. Never has the indictment of Europe been so fully and fairly drawn as in this great book, which enables you to understand why the nations of Europe are now at war. Delay in obtaining your copy of this great book may cost you your opportunity. Cut out the coupon printed on another page and get the book to-day.
