SOLAR PLEXUS BLOW FROM NATIONAL HEAD

Governor John K. Tener Says Charles W. Murphy Is Not in Baseball

Special to The Telegraph. New York, Nov. 21.—Another solar plexus blow was handed to baseball peace disturbers yesterday. Governor John K. Tener, president of the National League, delivered the blow when he announced that Charles W. Murphy, of the Chicago Cubs, was no longer identified with National League baseball. The statement was made at the close of a meeting of Eastern League owners. Governor Tener said: "I do not know what was the financial agreement between Mr. Taft and Mr. Murphy when the club changed hands last winter," said President Tener, "but I do know that from that time on Mr. Murphy has had nothing whatever to do with the league, either by word, letter or otherwise."

"When a man buys a house and the former owner takes a mortgage on the property no one can say that the purchaser is not the owner. It is true Mr. Murphy owns some of the realty of the Chicago National League club, but does that make him a partner in the Chicago club."

In speaking of the proposed sale of the Chicago club to Charles Weighman, owner of the Federal League club in that city, President Tener said there was nothing in the National League constitution to prevent any club from selling its stock to any one who desired to buy it.

Governor Tener said he could not tell, nor could any one tell, whether there would be peace in baseball during the winter.

INTEREST IS STRONG IN SCHOLASTIC GAMES

Central Hopes to Win at Wilkes-Barre; Tech Has Hard Proposition at Steelton. With an overflow of grit and brimful of spirit, the Central High squad left this morning for Wilkes-Barre. A victory for Central is the hope of Central High officials and players. Winning today's game would make Central a strong favorite for the Thanksgiving Day game.

No one who has seen Central at work denies that Coach Paul Smith has a variety. Things broke badly for the varsity eleven on many occasions. Accidents put players out of the game and Central lost an opportunity in not having a stronger schedule. Interest in Harrisburg today was in the Tech-Steelton game at Island Park. Both elevens finished a week of hard practice yesterday. Steelton is anxious to get revenge for the former defeat at the hands of Tech. The local eleven is just as anxious to keep up its good work and add another victory. The weather was ideal for a football game. The Tech band was out early and helped to boost the game. The teams lined up as follows: Tech High. Steelton.

TURKS TIE UP TARTARS. In the first game of hockey between the Turks and Tartars of the Seller School, at Island Park yesterday, a tie score resulted, each team scoring one goal. Miss Elizabeth Hurlock scored one goal for the Turks and Miss Dorothy Hurlock one for the Tartars. The Tartars had a donkey as their mascot and the car in which the captain rode was draped in green. They circled the field amid the cheers of the spectators. The teams were as follows: Turks. C. C. Reynolds, l. w. E. P. Harris, l. w. E. Brandt, l. i. E. Hurlock, c. (captain) D. C. Hurlock, c. A. E. IMPORTANT GRIDIRON GAMES

Dartmouth Hopes to Win From Syracuse in Final Battle. Special to The Telegraph. New York, Nov. 21.—In the new Yale "howl" at New Haven, before one of the largest crowds that ever witnessed an athletic contest in this country, the football teams representing Yale and Harvard Universities close their 1914 season this afternoon. Another game of unusual interest today is the Dartmouth-Syracuse contest at Fenway Park, Boston. The defeat by Princeton is the only blot on the records of the two teams and while Dartmouth is the favorite an interesting struggle is promised. The Army and Navy will get their final workout before they meet next Saturday. The Army plays Springfield training school at West Point, while the Navy will receive Ursinus at Annapolis. LaFayette and Lehigh, rivals for years, play at Easton, Pa., and a worthy exhibition is promised.

German Writes to Mother That Russians Cut Off Both Legs. Sunbury, Pa., Nov. 21.—A story that has excited Germans has been received by Mrs. Herman Klerf from her mother in Germany. Her brother is a prisoner in a Russian camp near Petrograd and sent word that the Russians cut off both his legs. The letter says: "Dear Mother—I was captured by the Russians and am treated well; could not be treated better. Take the postage stamp from this note and put it in my collection." When the stamp was removed this message was found. "This is probably the last time you will hear from me. They have cut off both my legs."
