### Your Last Chance to Enter the Drawing Contest

Every child must know that to-morrow is the last day to enter Santa Claus drawings. Those whose drawings are finished can mail them or bring them to Santa Claus Post Office—Basement. Those who have not received blanks had better hustle.

### Voting Starts Saturday

Everybody over 16 years of age is invited to visit the 4th floor where a great number of pictures of Santa Claus are on exhibition. The pictures have been drawn by the children of Harrisburg and vicinity between the ages of 5 and 14 years of age. In order to decide the winners for the ten handsome prizes offered, we invite the public to vote for their favorite drawing. Every visitor to the Carpet Department—where the drawings are exhibited—will be entitled to one vote with each visit. In other words, you may vote as often as you choose, but only one vote with each visit, with no obligation on your part to buy.

Come and vote, and help the children who have been working hard, to win a prize. Prizes will be awarded before Christmas. Now on display, Main floor.

### A City of TOYS On the Third Floor

Large in proportion and most complete.

Never before has Toytown presented such an attractive appearance—all the toys are classified, and each have their own individual section. This also makes selection less difficult.

"Count the stars in the sky" was the way the first Indian who visited Europe described the number of people he saw there, to his comrades.

This might apply to the amount of toys to be found in Toytown, for counting the numberless toys would be like counting stars.

Bring the children to-morrow and let them see this wonderful display.

Santa is here, also a great big bear to amuse the kiddies.
