### Bessie's Awfully Pleased to Be in Belgian Relief Show

BESSIE WYNN

#### Pretty Little Lady Will Sing Her Head Off to Help the Cause Along

Special to The Telegraph  
Philadelphia, Dec. 11.—"Oh, how glad I am that I am to be part of the show in Harrisburg next week for the benefit of Belgian sufferers," quoth fascinating Bessie Wynn in her dressingroom at Keith's Theater. Miss Wynn had just received word from the booking office in New York that the booking agents had favored the Harrisburg Rotary Club by allowing Bessie to go to the Capital City for the benefit week instead of to New York, as it was originally planned. "Isn't it just lovely of the Harrisburg folks to want me on their charity bill. And I've wanted to do my part toward helping the Belgians, too, and

you can count on it that I'll sing my head off in Harrisburg next week to help the cause along. Where was I to be next week? New York. But then, my New York date will hold good later, and I like Harrisburg anyway. I always did like the folks in that city, and I hope they'll like my new songs."  
Miss Wynn has an entire new repertoire of selections and is the hit of the entire bill at Keith's in Philadelphia this week.  
Wilmer & Vincent have announced the following bill of vaudeville for Rotary week at the Orpheum: Joe Jackson, king of comedians, Ed Howard & Co., in "Those Were the Happy Days."  
Bessie Wynn, queen of syncopation. Lorraine and Dudley in a laughable sketch.  
The Farber Girls.  
LeHoon and Dupree in a novelty offering.  
McCloud and Carp with banjo and violin.

#### RELIEF WORKERS GO THROUGH BIG FACTORY

##### Study Methods Used in Sorting Garments to Be Used in Making Clothing for Belgians

Members of the Red Cross division of the home and war relief committee spent most of today at the Brough Manufacturing Company's plant learning the methods used in handling, sorting and arranging garments after they have been cut. The Brough Company will cut all materials to be used in the relief work.  
The Red Cross division of the committee will sell candy on the opening night of Belgian week at the Orpheum. Work was started today for the arranging of materials at head-

quarters, 7 South Front street. By the beginning of next week it is expected that the place will be open, each division having its own desk to prevent confusion. Candy, cakes and other articles will be placed on sale to raise funds.  
The executive officers will meet every Wednesday evening at 8.30 o'clock and an advisory board will be appointed at the next meeting.  
Members of the committee of the Red Cross division are as follows:

- Miss Anne McCormick, chairman;
- Mrs. Carl B. Ely, vice-chairman;
- Mrs. Ross A. Hickok, Mrs. John E. Fox, Mrs. George B. Kunkel, Mrs. John C. Stine, Miss Anna Gemmill, Mrs. John Fox Weiss, Miss Mary Robinson, Mrs. Morris E. Jacobson, Mrs. Richard M. H. Wharton, Mrs. J. B. McAister, Mrs. Orville W. Hickok, Miss Kathleen Westbrook, Mrs. John K. Royal, Mrs. H. B. Bent, Mrs. Roy G. Cox, Mrs. Carl W. Davis, Mrs. John Campbell, Mrs. Cameron S. Young, Middletown; Mrs. Robert H. Thomas, Jr., Mechanicsburg; Mrs. G. R. Bell, Camp Hill; Mrs. Robert Sterling, Dauphin; E. Z. Gross, George W. Rely, Miss Helen McFarland, Mrs. L. S. Mudge, Mrs. Rhoads, of Middletown, and Mrs. William E. Wright.

### CHICKEN LAUNDERING QUEER POULTRY ART

#### Soap, Bluing and Water Necessary to Keep White Birds Clean For Exhibition

Do you know how to launder a chicken?  
Well, take a little trip through Chestnut Street Hall, where the annual poultry show is now on, and you will see how it's done.

Owners of the White Wyandottes which took so many prizes this week are explaining to visitors that bluing, soap and water are just as necessary to keep a bird pure and white as to keep the daintiest bit of lingerie that way.

Several skeptical visitors intimated that they were "from Missouri," so the owners of the chickens showed how it's done—that chicken laundering. An electric fan is used to dry the prize birds.  
Four of the prizes offered this year will not be awarded, there being no entries in the events. Blue ribbons and medals won by the various exhibitors were in evidence to-day. In accordance with the rules of the association, the names of the owners of the birds on exhibition were also placed on display. This brought out the fact that Harrisburg and vicinity has a large number of poultry fanciers. Included among the exhibitors from nearby towns are those of S. W. Brightbill, of Penrock. Mr. Brightbill was awarded the prize for the best display of Leghorns. His prizes were first, third and fifth White Leghorn cockerels, second, fourth and fifth hens and first, second, third and fourth pullets.

For the benefit of farmers who attend the local markets to-morrow, the show will open at 9 o'clock in the morning.

#### WOMAN DIES OF WOUNDS

Chicago, Ill., Dec. 11.—Mrs. Mary R. Flaville, who was shot and robbed last May, while journeying from Florence to Perugia, Italy, died today at the home of friends in Park Ridge, a northern suburb. Her death was caused by the injuries which she suffered in the attack made on her in Italy. For many years she was prominent in philanthropic work here and was one of the leaders in the Chicago Relief and Aid Society.

#### WANTS BIBLES FOR SOLDIERS

Pittsburgh, Dec. 11.—Important officers of the International World's Sunday School Association and the World's Sunday School Association here, today announced plans which they say will result in sending a Bible to each soldier in the warring armies of Europe. A. J. Heinz, at whose residence the meeting was held, said that an appeal would be sent to every Sunday school in the country, each scholar being asked to contribute five cents he has earned.

#### BOOKS AND MAGAZINES

The House-Fly: Its Structure, Habits, Development, Relation to Disease and Control. By C. Gordon Hewitt, D.Sc., F. R. S. C., Dominion Entomologist of Canada.  
This volume, one of the Cambridge Zoological Series, is probably the most thorough study of its subject ever brought into print. In its prime. In its 400 pp., fully illustrated, the author considers every side of the relations of the house-fly to humanity, and offers valuable and practical suggestions for the fight against this disease-bearing pest.

### MORE SHELLS CROSS AMERICAN BOUNDARY

#### United States Artillery Reaches Naco to Reinforce Troops Along Border

By Associated Press  
Naco, Ariz., Dec. 11.—A train in four sections, bearing United States artillery ordered here from El Paso to reinforce the border troops, arrived to-day. The guns were unloaded at Osborne, three miles east of here. The soldiers of General Hill and Governor Maytorena, Mexican leaders fighting about Naco, Sonora, were unusually active all last night. Maytorena's artillery took a new position southeast of Naco and opened fire before daylight on Hill's trenches. Several shells burst this side of the boundary line. A large number of bullets from both Mexican factions fell on the American side.

#### TWO SPANIARDS EXECUTED

By Associated Press  
Washington, D. C., Dec. 11.—Two Spanish subjects, Vicente Vidal and Eduardo Basuñal, have been executed at Tampico by General Caballero, the Carranza commander. The cause of their execution is not known. Caballero himself disclaiming that he knew why he had been instructed to put them to death, according to a report to the State Department to-day from Thomas H. Devan, the American Vice-

#### To Go Over Plans for Merchants' Ice Plant

Plans for an ice manufacturing plant, with proposals for purchasing a site, will be discussed at a meeting of the stockholders of the Merchants Ice Company to-night, in Maennerchor Hall, North and Church streets.  
An interesting report is promised by the board of directors. The members have been looking over other plants, and securing data on costs of buildings and grounds. A constitution and by-laws, with rules, to govern the new corporation, will be adopted. It was announced to-day that the new company would be doing business early next summer.

### America Wholly Unprepared For War, Say Wotherspoon and Wood

That the United States is wholly unprepared for war, and, in fact, has not more than one-tenth the number of soldiers needed for the regular army in case of war, is the contention of Major General Leonard A. Wood, former chief of the general staff, and now commander of the department of the East, and W. W. Wotherspoon, present chief of the general staff. General Wood says a foreign enemy could land troops in the United States somewhere between Boston and the Chesapeake Bay, if the navy could not hold them off. General Wood's statement was made in an interview, while the position of General Wotherspoon is contained in his annual report. He goes considerably farther than did Representative Gardner of Massachusetts in his recent speech in the House. The chief of staff says the United States has only 49,968 men and 2,738 officers fit for fighting.

### SEEK WOMAN WHO STABBED HUSBAND

#### Jealous Helpmeet Sinks Dagger Into Spouse Nearly Striking His Heart

Members of the local police department searched all day for Mrs. William Smith, North and Capital streets, who last night stabbed her husband, following a quarrel, it is said, over another woman.  
Smith is in the Harrisburg hospital with a dagger wound near the heart. His condition is serious, but it is believed the wound will not prove fatal.  
Smith was taken to the hospital about 10 o'clock last night. Mrs. Smith went along to the hospital about 10 o'clock last night. Mrs. Smith went along to the hospital, where Lieutenant Edward Worden was told by the Smiths that a colored man had done the stabbing, after Mrs. Smith left the hospital. The husband then said his wife did the stabbing. Smith asked that his wife be left alone as she had threatened to kill herself if arrested.  
Colonel Joseph B. Hutchison said he could not grant Smith's request, and is making a search for Mrs. Smith.

#### PAIN IN THE BACK

Do not worry about a pain in your back. The worry will do you more harm than the pain. The serious diseases of the kidneys seldom or never produce such pains, while the cause of most backache is muscular rheumatism, which is painful but never fatal. Lumbago is a form of muscular rheumatism, so is stiff neck.  
Sufferers from any form of muscular rheumatism affecting the joints should keep the general health at the highest standard by the use of a non-alcoholic tonic like Dr. Williams' Pink Pills, and eat good, nourishing food without too much meat. Proper nutrition and good blood are the best means of fighting rheumatism. Medicines do not control the disease directly, but a well-nourished system will often throw it off. Rheumatism quickly thins the blood. Dr. Williams' Pink Pills act directly on the blood and as they build it up and strengthen the system there is an increased resistance to the rheumatic poisons. In this way many rheumatic sufferers have found complete recovery.  
A book, "Building Up the Blood," which tells about the treatment of rheumatism, is free for the asking from the Dr. Williams Medicine Co., Schenectady, N. Y. Your own druggist sells Dr. Williams' Pink Pills.—Advertisement.
