## Attention Is Now Directed to "The Gift Department"

"Almost over night" this new department has come to life. A large section of

### The Furniture Floor

has been transformed into a practical Gift Department. And it is well deserving of its name, for in it are just the kind of useful gifts that signifies a thoughtful giver.

And for gifts of distinction we can suggest nothing that would carry the same dignity and charm. A handsome smoker set for "him"—a sewing table that brings memories of Colonial days, for "her"—and so on.

You can best appreciate the large variety of this gift furniture by paying a visit to this new Gift Department, and you'll surely be pleased with the brightness and freshness of the entire showing.

### All Purchases Will Be Delivered When Desired

You may select your gifts now, and be sure of having them delivered at a stated time. If desired, we shall hold them and deliver them just in time for Christmas.
