#### "BLOOD WILL TELL"

The Heroes of the War "Blood will tell," is an axiom that in all the ages has never been gainsaid. Every man who does a brave, heroic act carries within his veins a quality of blood that urges and sustains him. No matter whether he inherits it from a long line of famous ancestors or from the sound and healthy constitution of his immediate parents, whose only distinction is honorable toil and a simple, virtuous life.

It matters little where or how you obtain it, but it matters all the world that by some means you possess good blood. Good blood is first, last and always the making of manly men and womanly women. It is the source of all courage, virtue and happiness. A new man can be made out of one that's "used-up," bilious and dyspeptic. It's done by Dr. Pierce's Golden Medical Discovery. It starts the torpid liver into healthful action, purifies and enriches the blood, cleanses, repairs, and strengthens the system, and restores health and vigor. As an appetizing, restorative tonic it sets at work all the processes of digestion and nutrition, and builds up flesh and strength for the only Blood and Liver Remedy that's guaranteed, in every case, to benefit or cure. If it doesn't do all that's claimed for it, the money is promptly refunded. But it keeps its promises—that's the reason it can be sold in this way.

It is not a secret remedy for its ingredients are printed on wrapper. You only pay for the good you get. "Discovery" strengthens Weak Lungs, relieves Shortness of Breath, Bronchitis, Severe Coughs, and kindred ailments. It's the source of all courage, virtue and happiness. ## What the Shops Are Showing

New York, now the world's fashion center, is "crazy about" the new sand color, and, with usual alertness, the Walk Over Boot Shop, 225 Market street, is showing a stunning model in ooze finished offered in this stylish shade. It is very simple in design, the smart color giving it all the desired chic, and is made with fairly heavy sole and straight heel for walking and street wear with smart costumes. The price of this model is \$5.90. The Walk Over Shop is also offering other models in ooze or suede finish in gray and brown at \$5.00 and \$6.00, and these shoes make excellent styles for the well-dressed woman who likes distinctive footwear.

For the Christmas Dances Christmas festivities demand a full dress suit for evening wear, and the price is no longer prohibitive, for The Hub, 220 Market street, offers a wonderfully attractive full dress suit, carefully tailored and made of excellent materials, for the remarkable price of \$17.00. The appearance of the suit is as stylish as any \$25 or \$30 suit, and any man who wishes to look well at a Christmas dance or any social gathering, will be interested in this exceptional value. The Hub is showing all the correct accessories for evening wear—shirts, waists, neckties, mufflers, studs, cuff links, and the prices are most reasonable. Any of these things make splendid Christmas gifts for men.

Indiscriminate Rooms A living room often is furnished with a number of pieces which do not really match—a comfy leather chair, an oak table, perhaps a mission chair or several other indiscriminate pieces, and it is vitally important that such a room should be "pulled together" by using a well selected wall covering. The A. B. Taek Wall Paper Shop, 1216 North Third street, will be found very helpful in making appropriate and artistic selections, and they are showing now a very charming paper for the living room, in blended tones of reds and browns, with so much depth of beauty and harmony of coloring, that even a poorly furnished room will seem homelike and in good taste when this paper is used as the background, while with leather furnishings, and oak or mission wood trim, it is ideal.

Gift Suggestions Everybody knows that the Studebaker Grocery Store is a very satisfactory place at which to buy all sorts of goodies for the Christmas table, but perhaps there are a few who have not yet had occasion to find out how many attractive gift suggestions are available at this store. The Studebaker Store is exclusive agency for the charming Bellefontaine baskets, ranging in price from 50c to \$6.00. They are also offering very lovely Japanese wicker lamps and other Japanese novelties at prices from 25c up. They make a specialty of arranging gift baskets at any price desired, and these may contain a jar of fancy fruits, stuffed dates, figs, candied fruit, bonbons, pure mint or clear sugar candies for children, delicacies for invalids, and so forth.

Charming Gifts A wee bouquet on her shoulder and a gracefully sprayed corsage at her waist finishes the costumes of the well-dressed woman, and the Astorch Store, Fourth and Market streets, offers the loveliest of artificial bouquets of the orchids, violets, roses and lilies-of-the-

valley as well as the cunning little old-fashioned bouquets arranged in deep, oval boxes, beautifully decorated. Boxes are 10c, and bouquets from 25c up. For Christmas giving nothing is a more welcome gift to a woman than a beautiful French plume, and these are shown at Astorch's in artistic holly boxes at prices from \$2.98 up, while pretty plumes in plain boxes are offered for as little as \$1.98, and ostrich fancies from 49c up.

Fragrance Close your eyes, give imagination free rein, and take a whiff of the delightful Sous Bois perfume offered at the Gorgas Drug Store, 16 North Third street. A woodland path, through rows of fragrant pine trees with herb-scented shrubbery on either side, and underneath a carpet of Springtime buds might yield a fragrance as sweet as this exquisite French perfume, offered in gift boxes for \$2.25 and \$4.25 a bottle. This is just one of the many perfumes shown at this store which are unusual and delightful, and the prices, including gift boxes, range from 25c up. Cut glass perfume sets with silver mountings and bulbs covered with rose, green or lavender silk to match any color scheme, are also offered.

The Little Mother Playing "mother," putting baby to bed—and almost immediately waking her and dressing her, is a play which never wears the child, and any little girl who receives one of the cunning little character dolls offered at Miss Saunders' Shop, 24 South Second street, will have many happy hours throughout the year. These dolls are unbreakable German dolls, each with individual, really child-like expressions, and are dressed in the daintiest of handmade clothes, with real buttons and buttonholes, so that they may be dressed and undressed, and the prices range from 35c to \$7.00. Neckwear, hosiery, handkerchiefs and silk underwear are other gift suggestions offered at this shop.

A Pretty and Practical Gift Have you ever gone on a week-end journey and when ready to pack your satchel found that your washcloth was wet and could not be packed? Have you ever been on a sleeper and tried to manage washcloth, soap, hairpins, and in a tiny, overcrowded dressing-room? If you have ever been in such predicaments, you will appreciate the very practical usefulness of the rubber-lined bags, cases and traveling aprons, shown at the Woman's Exchange, Third street at Herr. They are covered with dainty cretonnes in many different styles and colors, which make them delightfully pretty for Christmas giving, and the prices range from 25c up.
