Burns and Shock

By Associated Fress

Provided. Man. Dec. 24—Four deaths and the probable fatal burns and shock

Real for the probable fatal burns and the probable fatal Representatives and
Senators Returning
to Nation's Capital

Washington, D. C., Dec. 28.—Senators and Representatives were returning to Washington from their holiday recess for the reassembling of Congress to-morrow. With their return evidences of activity began to appear on both sides of the Capitol and the Demecratic leaders were still determined to expedite the passage of all necessary legislation so as to avoid an extra session after March 4.

Practically all of the real work of the session is yet to be accomplished. On the House side rapid progress has begun to be made in clearing up appropriation bills and a few general measures, but in the Senate, in addition to the supply measures, the entire administration legislative program remains to be disposed of. There the imingration bill is the unfinished business, with prospects of a continuation of the fight against the measure because of the literacy test provision.
