CHARITY OF MOOSE LODGE

Upper End Poor Well Provided For on Christmas Day
Special to The Telegraph
 Lykens, Pa., Dec. 29.—Christmas Day will long be remembered by the people of Lykens and Williams Valley for the kind and extent of the benevolent work carried out on that day. There was not a widow, an orphan, or needy family from Millersburg to Tower City which did not have the means provided for a joyous Christmas and many will have plenty for weeks to come. The greatest donors to these needy was the Independent Order of Moose, whose lodge building is situated in Lykens. This generous body procured nearly a thousand pounds of chicken, together with bushels of oranges, bananas, potatoes, celery, canned goods, etc. This was packed in nearly 200 baskets, averaging from a half bushel to a bushel to a basket. More than a dozen automobiles carried these baskets to their destination.

How To Get Rid of a Bad Cough
 A Home-Made Remedy that Will Do It Quickly, Cheap and Easily Made

If you have a bad cough or chest cold which refuses to yield to ordinary remedies, get from any druggist 2 1/2 ounces of Pinex (50 cents worth), pour into a pint bottle and fill the bottle with plain granulated sugar syrup. Start taking a teaspoonful every hour or two. In 24 hours your cough will be conquered or very nearly so. Even whooping cough is greatly relieved in this way. The above mixture makes a full pint—a family supply—of the finest cough syrup that money could buy—at a cost of only 64 cents. Easily prepared in 5 minutes. Full directions with Pinex. This Pinex and Sugar Syrup preparation takes right hold of a cough and gives almost immediate relief. It loosens the dry, hoarse or tight cough in a way that is really remarkable. Also quickly heals the inflamed membranes which accompany a painful cough, and stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough. Excellent for bronchitis, spasmodic croup and winter coughs. Keeps perfectly and tastes good—children like it. Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in gualiac, which is so healing to the membranes. To avoid disappointment, ask your druggist for 2 1/2 ounces of Pinex, do not accept any other. A guarantee of absolute satisfaction, or money promptly refunded goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

HOMES OF WOMEN WRECKED BY THE INVADERS
 Women deserve a better fate

American women are better off than their European sisters in most respects. Our American girls, however, are of highly nervous organization and usually suffer from troubles peculiar to their sex.

When a girl becomes a woman, when a woman becomes a mother, when women pass through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances. At these critical times women are best fortified by the use of Dr. Pierce's Favorite Prescription, an old remedy of proved worth that keeps the entire female system perfectly regulated and in excellent condition.

Mothers, if your daughters are weak, lack ambition, are troubled with headaches, lassitude and are pale and sickly, Dr. Pierce's Favorite Prescription is just what they need to surely bring the bloom of health to their cheeks and make them strong and healthy.

For all diseases peculiar to woman, Dr. Pierce's Favorite Prescription is a powerful restorative. During the last 40 years it has banished from the lives of tens of thousands of women the pain, worry, misery and distress caused by irregularities and diseases of a feminine character.

If you are a sufferer, if your daughter, mother, sister needs help get Dr. Pierce's Favorite Prescription in liquid or tablet form at any medicine dealers to-day. Then address Dr. Pierce, Invalids' Hotel, Buffalo, N. Y.

For confidential advice from a staff of specialists that will not cost you a penny. To-day is the day; 136 page book on women's diseases sent free.—Advertisement.
