How to Destroy the Dandruff Germ

BY A SPECIALIST

That the dandruff germ is responsible for nearly all the diseases to which the scalp is heir, as well as for baldness and premature gray hair, is a well known fact, but when we realize that it is also indirectly responsible for many other diseases as well, we appreciate the importance of any agent that will destroy its power. We are therefore, particularly pleased to give herewith the prescription which an eminent scientist states he has found after repeated tests, to completely destroy the dandruff germ in from one to three applications. It will also almost immediately stop falling hair and it has in numerous cases produced a new hair-growth after years of partial baldness. This prescription can be made up at home, or any druggist will put it up for you: 6 ounces Bay Rum, 2 ounces Lavona de Compose, one-half drachm Menthol Crystals. Mix thoroughly, and after standing an hour it is ready for use. Apply night and morning, rubbing into the scalp with the finger-tips. If you wish it perfumed, add 1 drachm of your favorite perfume. While this preparation is not a dye it is unequalled for restoring gray hair to its original color.—Advertisement.

LARGE ATTENDANCE AT INAUGURAL BALL

Governor Brumbaugh and His Party Attend Festivities For a While

Governor Brumbaugh was the guest of honor last evening at the inaugural ball of the "Big Q" Society in Chestnut street auditorium.

The Governor and his party, including Lieutenant Governor and Mrs. Frank F. McClain, Miss Mabel Brumbaugh, Senator and Mrs. Edward E. Beideman, Senator and Mrs. Charles Kline, Mr. and Mrs. Cyrus Woods, and Mr. and Mrs. Francis Shunk Brown, and the dozen or more members of the Governor's staff went to the auditorium immediately after the new chief executive of the State had clasped some 4,000 hands at the reception at the Capitol.

Because of the recent death of Mrs. Brumbaugh the dancing was discontinued and the Governor was in the big room. He only remained a few minutes—just long enough to tell the 400 or more guests how glad he was to see them and to wish everybody a continuance of good times.

Chestnut street auditorium never appeared to better advantage than last evening. Massed flags and bunting formed an attractive background of a color scheme that was made brilliant by the pretty gowns and conventional black and white of the masculine dress. A band under the direction of Cornelius B. Shope and an orchestra under Fred Weber's leadership played the kind of music that helped make the affair one of the most successful dances of the year.

Just before 11 o'clock Governor Brumbaugh and party arrived. Escorted by Senator Beideman and Charles E. Covert, president of the "Big Q" Society, the Governor marched into the hall while band and orchestra swung into "Hail to the Chief." and the great audience arose and applauded. Because of the late hour and the fact that the new Governor was really fatigued after a long and strenuous day and evening, Senator Beideman asked that the usual receiving line be dispensed with. Governor Brumbaugh spoke for a few minutes and then bowed and marched out of the hall while the musicians played "Auld Lang Syne."

POLYCLINIC BENEFIT

Operetta, "Papa's Daughters," Promises to Be a Finished Production

The Polyclinic hospital, one of the newer institutions of the city, located in the old Porter residence at Front and Harris streets, is doing a large amount of charity work and needs larger and more complete equipment. To secure this without making personal canvass of the city, the Ladies' Auxiliary of the hospital is staging the clever operetta "Papa's Daughters" to be presented by local talent at the Majestic theater, on the evening of Monday and Tuesday, January 25-26.

Nearly everyone knows a good show when they see it. But everyone does not know what it is that makes a show good. A show to be interesting and "classy," must be full of "snap" and "pep," and the text of the comedy, joyous with life, touching in tender sentiment, perfect in plot, startling in denouement and resplendent with costuming.

Such a show is "Papa's Daughters," the new operetta. The plot is perfect in detail, the lyrics are the height of the song makers' art, closely and consistently following the text of the libretto; the lines abound with clean, sparkling humor, while throughout there is interwoven a tender love story of subtle appeal. Special attention has been given to stage settings and costuming the scenery and costumes all being new and of the finest grade.

Everyone is looking forward to the presentation dates with keen interest as Harrisburg theatergoers will then have an opportunity of seeing a first-class production in every respect. The pleasure of seeing it will be greatly enhanced by the knowledge that this finished production is made possible through the efforts of Harrisburg's own talent.

Mr. and Mrs. Edward Evans and daughters, Elizabeth and Esther, of Lancaster, are guests of the former's parents, Mr. and Mrs. W. H. Evans, 767 Susquehanna street.

LAND SALE SCHEME IS NOT SANCTIONED

[Continued from First Page.]

ple in purchase Indian land provided McAlester lots are bought from them. Are lots in good section and individuals and whole sections of high class and bona fide? Full quick reply essential.

The following reply was received by the Harrisburg Chamber of Commerce:

"We have no connection with demonstration car. Am not familiar with their proposition. Cannot advise."

The Harrisburg Chamber of Commerce officials say that, since the demonstration and expedition comes from McAlester, it is very significant that the representative business body from that city has no connection of knowledge of the affair. The local chamber is of the opinion that the proposition ought to have at least the indorsement from the McAlester chamber.

Although not disposed to interfere with the sale of high class real estate in Harrisburg by out of town interest, the chamber feels that Harrisburg people should act with full knowledge of the telegrams exchanged relative to the people in question. It is suggested that people who are contemplating spending their small savings in Oklahoma land be advised to exercise the utmost caution and make no deals until the indorsement of the best banks, business firms and public bodies in McAlester be procured.
