1,083 CONVERTS AT MILLER TABERNACLE

\$1,458.40 Contributed For Evangelist at Yesterday's Services at Mechanicsburg

Special to The Telegraph
Mechanicsburg, Pa., Feb. 15.—Great results have been the outcome of the Miller evangelistic campaign, exceeding the hopes of the originators of a revival which has swept the entire section of the county. One thousand and

eighty-three souls have been won for Christ, and the closing meetings offer fresh enthusiasm, increasing interest, deeper spirituality and more penitents. A change in the moral atmosphere of the town is already evident, and Sunday schools are filled with new scholars, and quickened interest. The Rev. Mr. Miller had "To-morrow" for his subject last night, when he arraigned sinners for delaying in the most important step in their lives. At the close, seventy-five persons came for his welcoming hand clasp. It was a late hour when the meeting finally closed, for penitents continued to come. A cross of purple and gold, the colors of the Citizen Fire Company, was presented last evening by that organization to Evangelist Miller. Fastening down the trimmings on the cross were gold pieces amounting to the sum of twenty-five dollars. The Rev. L. M. Dice made the presentation speech. Almost 1,000 women attended the lecture in the afternoon in the First United Brethren Church, given by Mrs. A. W. Bowman, on "The Second Coming of Christ." At the men's meeting in the afternoon a permanent Bible class was organized with a membership of 440, and these officers elected: President, Charles Eberly; vice-president, J. L. Young; secretary, R. H. Thomas; treasurer, Robert H. Ross; directors, Professor H. A. Surface, J. W. Geiger, Guy Lucas, A. B. Harman, E. F. Stone, Dr. J. A. Killmore, J. S. Weaver, John Davis, George Hurst, J. Z. Prowell and J. C. Lentz.

The collections yesterday were taken for the evangelist, as there was no sum whatever stipulated. All he asked was a free-will offering of the people, and the sum contributed amounted to \$1,458.40. More offerings will probably come in to-day. This is a rest day, and to-morrow night will see the close of the meetings unless arrangements can be made for a few days longer.

JOHNSTON-MORRISON WEDDING

THE WHOLE BODY NEEDS PURE BLOOD

The bones, the muscles, and all the organs of the body depend for their strength and tone and healthy action on pure blood. Hood's Sarsaparilla makes pure blood. It is positively unequalled in the treatment of scrofula, catarrh, rheumatism, dyspepsia, loss of appetite, that tired feeling. There is no other medicine like it. Be sure to get Hood's and get it to-day. It is sold by all druggists. —Advertisement.

Constipation a Penalty of Age

Nothing is so essential to health in advancing age as keeping the bowels open. It makes one feel younger and fresher and forestalls colds, piles, fevers, and other dependent ills. Cathartics and purgatives are violent and drastic in action and should be avoided. A mild, effective laxative- tonic, recommended by physicians and thousands who have used it, is the combination of simple herbs with pepsin sold by druggists everywhere under the name of Dr. Caldwell's Syrup Pepsin. The price is fifty cents and one dollar a bottle. For a free trial bottle write to Dr. W. R. Caldwell, 453 Washington street, Monticello, Ill.

To Prove the Quality of Coal

You must burn it, and after it's in the cellar it's annoying to discover that it doesn't burn satisfactorily. You avoid such risks when you order

KELLEY'S COAL

The Kelley coal business is one of the oldest in the city, and for many years its fuel has been preferred because of its uniformly good burning qualities. Any size or kind for any heating system.

"What's Wrong With My Coal?"

"It takes so long to come up in the morning and the ashes seem to contain too much unburned coal." The trouble is that you are trying to burn coal that is too large for your furnace. You must have the draft on otherwise it won't burn briskly around the fire box. It is too slow coming up in the morning and sometimes goes out entirely without any apparent reason and you are raking through the grate pieces of unburned coal. All this proves that the coal is too large or too hard. If you are using Egg Size—try Stove next time and if Stove is too large try Nut or Pea or Buck-wheat. We shall be glad to advise you.

SECOND SUICIDE DUE TO BANK TROUBLES

Levi Kline, Well-known Lebanon County Farmer and Auctioneer, Hangs Himself

Special to The Telegraph
Schaefferstown, Pa., Feb. 15.—A second suicide, traceable to the looting of the First National Bank here, was recorded in the discovery of the body of Levi Kline, a widely known auctioneer and Bethel township farmer. When the disclosures of the misappropriation of the funds of the local bank by Alvin Binner, the suicide cashier, showed D. B. Kieffer, the Middleton cattle dealer, to be heavily involved, it was noticed that Kline became much worried. Kline was engaged to some extent in the cattle business and had dealings with Kieffer, but it is not known that he was in any way financially interested in any of Kieffer's paper. It is thought rather that Kline, in view of the financial troubles of Kieffer and the others in the local bank's wrecking, was led to magnify his own money troubles, and, fearful of his ability to meet his obligations, decided on suicide.

Members of Kline's family were unable to throw any light on the subject of his financial affairs, explaining that he had always refrained from speaking of them. Erich B. Horst, president of the local bank, declared that so far as he knew there was none of Kline's paper in the Schaefferstown Bank and neither did Kline's name appear on any of the bank's books. Kline was a customer of the bank. Kline is said to have done business of late principally with the Fredericksburg National Bank.

Some time ago Kline bought a Bethel township farm of seventy acres, paying \$4,200. Kline left his home, one and a half miles northeast of Mount Zion, at dark Saturday evening and it was thought by members of his family that he planned a visit to neighbors or to Mount Zion. The hour grew late and he had not returned a second day, but it was not until daybreak that his body was found hanging to a chestnut sprout in the rear of the barn. Using binding twine for a loop, he had fastened it to the sprout, and then sank to the ground, dying from strangulation. Kline was 58 years old and leaves a wife and ten children.

Holders of National Bank Stock Agree to Assessment

Schaefferstown, Pa., Feb. 15.—Announcement was made yesterday by President Horst that all but seven of the 250 shares of the bank stock had been accounted for in the payment of the \$170 assessment. Examiner Logan and his assistants were busily engaged at work. Using binding twine for a loop, he had fastened it to the sprout, and then sank to the ground, dying from strangulation. Kline was 58 years old and leaves a wife and ten children.

Sick Women Made Well

Reliable evidence is abundant that women are constantly being restored to health by Lydia E. Pinkham's Vegetable Compound

The many testimonial letters that we are continually publishing in the newspapers—hundreds of them—are all genuine, true and unsolicited expressions of heartfelt gratitude for the freedom from suffering that has come to these women solely through the use of Lydia E. Pinkham's Vegetable Compound.

Money could not buy nor any kind of influence obtain such recommendations; you may depend upon it that any testimonial we publish is honest and true—if you have any doubt of this write to the women whose true names and addresses are always given, and learn for yourself.

Read this one from Mrs. Waters:

CAMDEN, N.J.—"I was sick for two years with nervous spells, and my kidneys were affected. I had a doctor all the time and used a galvanic battery, but nothing did me any good. I was not able to go to bed, but spent my time on a couch or in a sleeping chair, and soon became almost a skeleton. Finally my doctor went away for his health, and my husband heard of Lydia E. Pinkham's Vegetable Compound and got me some. In two months I got relief and now I am like a new woman and am at my usual weight. I recommend your medicine to every one and so does my husband."—Mrs. TILLIE WATERS, 530 Mechanic Street, Camden, N.J.

From Hanover, Penn.

HANOVER, PA.—"I was a very weak woman and suffered from bearing down pains and backache. I had been married over four years and had no children. Lydia E. Pinkham's Vegetable Compound proved an excellent remedy for it made me a well woman. After taking a few bottles my pains disappeared, and we now have one of the finest boy babies you ever saw."—Mrs. C. A. RICKRODE, R.F.D., No. 5, Hanover, Pa.

Now answer this question if you can. Why should a woman continue to suffer without first giving Lydia E. Pinkham's Vegetable Compound a trial? You know that it has saved many others—why should it fail in your case?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health. Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

Recent Deaths in Central Pennsylvania

Special to The Telegraph
Elizabethville.—Mrs. Alexander McLaughlin died at her home on Saturday morning after several weeks' illness. Some time ago she suffered a fall in which her head was injured and which seemed to hasten the end. Mrs. McLaughlin was a member of the local Reformed Church and an earnest Sunday school worker. She was 66 years old and is survived by her husband, one daughter, Mrs. Charles Yerges, of Carsonville, and four sons, Curtin C. of this place; Harry, of Dietrich; John, principal of schools at Westfield, N. J.; and Robert, of Enola. Funeral will be held on Wednesday morning.

Huntingdon.—William Malcolm Phillips, president of the First National Bank of Huntingdon for thirty-two years, died to-day in Alexander. He was 83 years old.

Halifax.—Harry Cratzer, 43 years old, died on Friday evening after a lingering illness. He is survived by his wife, his father and several brothers and sisters. The funeral will be held on Thursday afternoon. The Rev. J. P. Binchard, of Jacobsville, officiated at the services.

Williamstown.—John Saussaman died Friday night. He was 64 years old and spent nearly all his life in this vicinity. Harry E. Saussaman, a Harrisburg lawyer, is a son of the deceased. Death was due to a complication of diseases. Mr. Saussaman was a former mine superintendent.

EXCITING RUNAWAY

Special to The Telegraph
Tower City, Pa., Feb. 15.—While the Lykens brewed tea was standing in front of McCarrall's Bottling works, at Tower City, the horses took fright and started to run. The teamster, hastening out of the building, jumped on the rear of the wagon and catching the lines tried to hold them. After running a square the horses turned to the side and on to an icy patch. It was a decayed tooth, eye-strain or a tired driver which caused the horses to throw the driver down. The driver was found unconscious under the team, with a keg of liquor on top of him. He was not seriously injured. The horses were not hurt, but the wagon was wrecked.

LECTURE BY R. P. HOBSON

Special to The Telegraph
Annville, Pa., Feb. 15.—Richmond Pearson Hobson will deliver a lecture on Sunday morning, February 21. His visit to this town is made possible because of the annual convention of the Lebanon County Sabbath School Association. Mr. Hobson will speak on "The Temperance Question." All of the town churches will unite at this service.

NEURALGIC PAINS

These may be felt in any nerve of the body but are most frequent in the nerves of the head. Neuralgia may be caused by a decayed tooth, eye-strain or a diseased ear, but the most common cause is general debility accompanied by anemia, or thin blood. For this reason women who work too hard or dance too much and who do not get sufficient rest, sleep and fresh air, are the most frequent sufferers from neuralgia and sciatica, which is neuralgia of the sciatic nerve. Nutrition for the nerves is the correct treatment for neuralgia and the only way to nourish the nerves is through the blood. Dr. Williams' Pink Pills supply to the blood just the elements it needs to increase its capacity to carry nourishment to starved nerves. They have proved helpful in so many cases of neuralgia and sciatica that any sufferer from these troubles is fully justified in giving these pills a trial. Dr. Williams' Pink Pills contain no harmful or habit-forming drugs and may be taken for any length of time with perfect safety. The pamphlet "Diseases of the Nervous System," is free to you if you mention this paper. Address: The Dr. Williams' Medicine Co., Schenectady, N. Y. Simple Living Economy

Isn't scrimping one's food, or subsisting on an unpalatable diet, but it's cutting out indigestibles, surplus quantities; and planning meals to balance up essential food values. The ordinary diet is generally deficient in some of these values, such as the mineral elements, the lack of which is often responsible for anemia, listlessness, nervous breakdown, and general inefficiency. A daily ration of

Grape-Nuts

has been a boon to thousands. Made of prime, hard wheat and malted barley, it contains all the nutrient—including the vital mineral elements, phosphate of potash, etc., which Nature has bountifully stored in these rich food grains. Grape-Nuts is long-baked, very easy to digest, and comes ready to eat from the package. A crisp, appetizing food that combines good, simple living and true economy.
