

AN EASY WAY TO END CATARRH FOREVER

Simple Home Treatment Destroys Germs of This Dangerous Disease

The reason why so many people who suffer from Catarrh never seem able to get cured is that they are continually seeking the momentary relief of sprays, douching, greasy creams and ointments. Such things do open up the swollen nostrils and clear the head temporarily, besides stopping for a while the disgusting blowing, hawking, spitting and choking, but they never cure. To drive out Catarrh for good you have got to get down to its real cause. Catarrh is a germ disease. The air is always full of catarrh germs thrown off by one person and absorbed by another and when the system does not throw off such germs they find permanent lodgment in the nose, throat and head and multiply rapidly.

The germs of catarrh can be best destroyed by inhaling the pure medicated air of Hyomel (pronounced high-o-mel), this splendid and powerful combination of oil of Eucalyptus with other healing agents has a wonderful germicidal action. You breathe its air into your nose, throat and lungs by means of a small, hard rubber inhaler which H. C. Kennedy and other leading druggists in Harrisburg and vicinity supply with every treatment. This medicated air is certain death to the germs of catarrh and drives them completely out of your system and when the germs are destroyed the catarrh and all its disgusting and painful symptoms will stop. Even two or three minutes' use will give refreshing relief, while if you will use it two or three times a day for a few weeks it will completely banish catarrh and every symptom of it. Hyomel is pleasant to breathe and is always sold by druggists everywhere with a positive guarantee of success. No results or money back, surely no Catarrhal sufferer should go long before trying this simple home remedy.—Advertisement.

CUT THIS OUT

OLD ENGLISH RECIPE FOR CATARRHAL DEAFNESS AND HEAD NOISES

If you know someone who is troubled with head noises, or Catarrhal Deafness, cut out this formula, and hand it to them, and you will have been the means of saving some poor sufferer perhaps from total deafness. Recent experiments have proved conclusively that Catarrhal Deafness, head noises, etc., were the direct cause of constitutional disease, and that salves, sprays, inhalers, etc., merely temporize with the complaint and do not cure, but affect a permanent cure. This being so, much time and money has been spent of late by a notable number of persons in a pure, gentle, yet effective, tonic that would quickly dispel all traces of the catarrhal poison from the system, eventually formulated, and which has the effective prescription which was soon to be extinct, is given below in understandable form, so that anyone can treat themselves in their own home at little expense.

Secure from your druggist 1 oz. Parmit (Double Strength) about 75c worth. Take this home and add to it a pint of hot water and 4 oz. of granulated sugar; stir until dissolved. Take one tablespoonful four times a day.

The first dose should begin to relieve the distressing head noises, headache, dullness, cloudy thinking, etc., while the hearing rapidly returns as the system is invigorated by the tonic action of the treatment. The catarrhal mucus dropping in the back of the throat, are other symptoms that show the presence of the catarrh, and which are often entirely overcome by this efficacious treatment. Nearly ninety per cent. of all ear troubles are directly caused by catarrh; therefore there must be many people whose hearing can be restored by this simple home treatment.

Every person, who is troubled with head noises, catarrhal deafness, or catarrh in any form, should give this prescription a trial.—Advertisement.

Wide Lumber Narrow Lumber

Long lengths. Short Lengths. Any kind of lumber you want is here in our yard. And if we don't have the exact size we can easily cut it to suit. It makes no difference how small your order is, you will get it promptly.

LEGISLATIVE NEWS

MAURER HANDS IN OLD FAVORITES

Initiative, Referendum and Recall Make Their Appearance in the Lower House

Resolutions proposing constitutional amendments for the initiative, referendum and recall were introduced into the House by Mr. Maurer, Berks, at the late session yesterday. Fifty thousand persons are required to propose legislation, the text of which must be filed with the Secretary of the Commonwealth four months before an election. Provision is also made for submission of legislation to the legislature and then to the people and for emergencies. Initiative and referendum are also conferred on municipalities. The recall proposition is that every elective officer is subject to the recall when 25 per cent. of voters petition for an election, except State officers in which case 150,000 voters must sign for an election. The recall is to be offered to voters of a county every five years and if accepted shall govern all officers.

Mr. Mearkle, Allegheny, introduced by request a bill for local self-government by second class cities, whereby on petition of ten per cent. of voters an election shall be held whether a commission shall be chosen to frame a city charter. In case of approval the common pleas judges shall name a commission of fifteen. The charter shall be submitted to the people for ratification. Mr. Mearkle also introduced bills making it mandatory on electric railways to do an express business under penalty of fines of from \$100 to \$500, and codifying and classifying the laws relative to municipal liens by solicitors of several cities.

JUDGES' CAMPAIGN EXPENSE LIMITED

Can Only Spend So Much in the Primary and General Contests For the Bench

Limitation of the amount of money that may be expended in a campaign for a judicial nomination and for election of a judge, restriction of expenditures of the candidates only and providing for reimbursement of nominee's expenses in the general election is proposed in a bill embodying ideas of Governor H. B. Swisher presented in the Senate. The bill was drawn by Attorney General Francis Shunk Brown and was introduced by Senator Edwin H. Vere, Philadelphia. Accompanying the bill were the necessary amendments to the election laws in order to prevent fusion, to halt withdrawals of candidates, repealing nonpartisan acts and changing registration days.

The belief is general that the judicial expense bill is designed to enable President Judge Charles E. Rice, of the Superior Court, to become a candidate to succeed himself, as well as to secure as judicial candidates men who do not feel able to assume the great financial burdens sometimes attendant on such high office. It will end committees in behalf of a candidate, but enable contributions to be made directly to a candidate. Candidates must disburse the money, the State returning the amount after the election is over.

PROVISIONS OF BILL

"That it shall be unlawful for any person or persons, committees or organization of any kind whatsoever, to contribute or expend any money or other valuable thing for election expenses or other thing of value at any primary election of any candidate for nomination for any judicial office in this commonwealth, or to defeat or prevent the nomination at any primary election of any candidate for nomination for any judicial office in this commonwealth; provided, however, that it may be lawful to contribute money or other thing of value to any person who is a candidate at a primary election for nomination to any judicial office in this commonwealth."

The bill makes it unlawful for any candidate for the nomination of judge of the Supreme or the Superior court to expend for his primary election more than \$2,500. It makes it unlawful for any candidate for any other judicial nomination to spend more than \$2,500.

Committees Out of It
The bill further provides: "That it shall be unlawful for any person or persons, committee or organization of any kind, to contribute or expend any money or other valuable thing for election expenses or to promote the election of any candidate nominated for any judicial office at any general election or to defeat or prevent the election of any candidate nominated for any judicial office at any general election."

The bill limits candidates for Supreme and Superior Courts to an expenditure of \$2,500 and other judicial candidates to \$1,500 at the regular election. The bill further provides: "All such candidates nominated for such offices shall, after the general election and upon compliance with existing laws as to filing of expense accounts, be paid by the Commonwealth by warrants drawn by the Auditor General such sum or sums as they have expended at such general election for election purposes."

IF KIDNEYS AND BLADDER BOTHER

Take Salts to flush Kidneys and neutralize irritating acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or getting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.—Advertisement.

RECENT DEATHS IN CENTRAL PENNSYLVANIA

East Lampeter.—Jacob M. Landis, 74 years old, died yesterday. He was a member of the Reformed church, and is survived by two brothers and a sister.

New Danville.—Mrs. Jacob Sewnd, 81 years old, died yesterday. Her husband and four children survive.

Blain.—The first Mrs. Margaret Gutshall, widow of Dr. Michael Gutshall, was held to-day. She was about 70 years old.

Lemoyne.—Charles S. Hall, aged 31, died at his home near Lemoyne yesterday afternoon after an illness of several months. He is survived by his wife, his parents, Mr. and Mrs. John W. Hall, of Duncannon, and three brothers.

RETURNED FROM LONG TRIP
Hummelstown, Pa., March 17.—Mr. and Mrs. John Longenecker, who for several years had a restaurant in Center Square, but sold it a year ago in order to take a year's vacation in travel, have just returned home. They spent the greater part of the time in the Pacific Coast States and ended up by visiting the exposition just prior to their start for home. They also attended the great Dunbar convention, which was held in Denver.

THE FIRST SERIES OF THE CAPITAL STOCK OF THE KEystone STATE FAIR AND INDUSTRIAL EXPOSITION

Is Now Being Offered at Par---\$10 Per Share

The Keystone State Fair and Industrial Exposition is a corporation chartered under the laws of the State of Pennsylvania, with an authorized capital of \$1,500,000.

The corporation will be conducted by able business men in a business like way.

There will be no appropriations from the State. The corporation will be a dividend-paying proposition, to which an appropriation from the State would be unconstitutional.

Its officers and directors are men chosen for their known integrity and business ability.

Title has already been taken to 211 acres, and options are held on 199 additional acres of ground between Harrisburg and Middletown. On this site it is proposed to locate a State Fair of which Pennsylvania may well be proud. One of the important features on which it is desired to begin work quickly is the construction of

The Largest Automobile Speedway in the World

It is to the construction of such a speedway that the proceeds from the sale of the first series of stock will be applied.

This speedway will have a larger track and seating capacity than the famous Indianapolis Speedway, and will enjoy more favorable conditions.

The Indianapolis Speedway enjoys an annual attendance of 130,000 to 150,000 on May 30th, and has returned to its stockholders more than a million dollars in the past five years.

Harrisburg enjoys greater attendance possibilities than Indianapolis. Within a 300-mile radius there are eighteen million people to draw from, the like of which, according

Buy Now Before Premium Prices Go Into Effect

The shrewd investor who posts himself on the history of such enterprises will buy stock now, before the subsequent series are reached.

The proposition is a small one for a State like Pennsylvania, with resources second to but one other State in the Union.

Manufacturers, large and small, business interests, and individuals throughout the State, who appreciate what a State Fair means, will be quick to subscribe.

MILITARY CODE IS PASSED BY SENATE

Is Designed to Place N. G. P. on Full Footing With United States Army

The bill placing the National Guard on the same footing as the United States army was passed finally by the Senate late yesterday just before it adjourned for the week.

Other bills passed finally by the Senate included the following:

Amending the compulsory school laws so as to compel employers to notify the school authorities when a child leaves its employment or is absent ten days.

Regulating the sale of chicory mixed with coffee.

Amending the tax laws so as to give the right to an appeal to other property owners and to the city borough, county, township, school district or other public corporations entitled to levy and collect taxes on the assessment complained of.

To further protect persons against fraudulent checks, drafts and orders of payment of moneys.

Providing that the police authorities must furnish copies of charges on which persons are arrested upon proper application.

Requiring the payment by the county of costs of prosecution in certain criminal cases.

Standardizing baskets and other kinds of containers used in the sale of fruits and vegetables.

Providing for the formation of third class cities from parts of two or more contiguous counties.

Authorizing the State zoologist to prepare a catalogue of the insects of the State and a colored chart of various birds of the State.

Providing for the payment of interest on damages caused by the taking, injuring or destruction of private property for public use.

ST. PATRICK SUBJECT OF SONG AND STORY

His Legislative Sons Meet to Pay Him Honor; Distinguished Men in Attendance

Skits on current political and legislative affairs, a minstrel show and lots of vocal music enlivened the biennial dinner of the Legislative Sons of St. Patrick in the Board of Trade last night. Members of the Senate and House, state officials, newspaper correspondents and others to the number of 225 joined in the jollification. The feature of the dinner was the minstrel show, the minstrels being members of the Legislature. Representative J. J. Heffernan, of Philadelphia, was interlocutor and the end men were Readling Clerk Hewitt, of the House, and Representative "Dick" Powell, of Luzerne county. Soloists were Representatives Hackett and Bauerle, of Philadelphia; Thomas and Evans, of Luzerne; Luxembourg, of Lackawanna; and Phillips, of Clearfield. Violin solos were furnished by Representatives Lipschutz, of Philadelphia, and Ginkery, of Clearfield.

The end men had a lot of jests at the expense of current legislative affairs and public officials and the minstrels had a number of song parodies which hit off events and things of which the legislators and officials appreciated the humor. One of these parodies, to the tune of "Tipperary," made such a hit with the diners that they sang it over and over. One verse had something to say about the dashed hopes of any legislative junkies to the Panama-Pacific Exposition and ran as follows:

It's a long way to San Francisco,
It's a long way to go,
It's a long way to San Francisco,
To the dearest town I know.
Good-by, Tom and Jerry,
Farewell, Rock and Rye,
It's a long way to San Francisco,
When Harrisburg goes dry.

The toastmaster was Lieutenant-Governor Frank H. McClain. At the instant demand of his fellow-diners he delinquished the gavel long enough to sing "When Sweet Marie was Sweet Sixteen" and as an encore other songs in his repertoire. Real Estate Assessor Peter J. Hoban, formerly a Philadelphia legislative correspondent, was called upon and responded with "Sally in Our Alley," a ballad with which he has long been identified in Harrisburg. Edward J. Dooner, a Philadelphia guest, sang "Killarney" and "Loch Lomond."

Seated at the head table, at Governor McClain's left and right, were State Senators Vere, McNichol, Sprull and Crow, Judge J. W. Kephart, Chief Clerk of the Senate Harmon Kephart,

DRUG FIENDS SUFFERING

Hagerstown, Md., March 17.—Attention of the board of County Commissioners has been called by physicians to the serious and lamentable conditions of drug fiends, nearly all of them being women, in Hagerstown and the county, since the new Federal law went into effect Dr. S. M. Faganman yesterday notified the commissioners of three critical cases of women who need medical attention, while other physicians report numerous cases of drug fiends being in desperate straits.

Complete Car Orders; Shops May Close Down

Work on new equipment at Altoon shops is reported near the end, with no future orders in sight. Present indications are that a shutdown may come during April.

On Friday the Cumberland Valley Railroad Company will receive thirty-two new gondola cars. This complete a special order for sixty cars. Several more electric cars were delivered at Altoon yesterday, making a total of sixty-one completed to date. There are in the shops thirty-two cars awaiting completion. Orders have been withdrawn on the new steel cabin cars because of the desire to reduce expenses.

FATALLY INJURED BY HORSE

Salunga, Pa., March 17.—L. L. Hensel, 20 years old, was perhaps fatally injured last evening when he was dragged by a horse several hundred feet while the animal was running away.

FOOD SALE FOR CHURCH

Dillsburg, Pa., March 17.—On Saturday, March 20, the Christian Endeavor Society of St. Paul's Lutheran Church will hold a food sale in Kapp & Seibert's store in South Baltimore street. The proceeds will go toward the society's obligation in helping to pay for the new church.

PREACHED FAREWELL SERMON

Marietta, Pa., March 17.—The Rev. H. H. Poticher, pastor of the Methodist Church, last evening preached his farewell sermon to the congregation.

Register of Wills James M. Sheehan, of Philadelphia; Prothonotary Henry F. Walton, of the Philadelphia courts; Quarter Sessions Clerk Thomas W. Cunningham, of Philadelphia, and E. J. Dooner, former president of the Friendly Sons of St. Patrick.

Speeches were made by Register Sheehan, Senators McNichol, Vere and Sprull and Chaplain Thomas W. Davis, of the State Senate, and others.
