OLYMPIC COMMITTEE WORKS; TRANSFER TALK UNOFFICIAL

International Committee Lacks Power to Change Location; Count Von Francken Says Plans Are Under Way

Berlin via London, April 9, 10.20 A. M.—The Olympic games of 1916 have not yet been transferred from Germany, and the international committee has not the power to direct such action, according to a statement made by Count Von Francken-Sterstorff, vice chairman of the German Olympic committee.

Whether or not the games will be held depends on the course of the war, the count said, but if they are held, it will be in Berlin.

Technical high school baseball team will leave to-morrow morning at 7:55 o'clock for New Bloomfield to play its first game in two seasons with the Academy team.

Manager Beach, catcher; Reiff and Challenger, pitchers; Lescur, first base; Bingham, first base and sub catcher; Steward, short stop; M. Weaver, second base; Andrews, third base; Kutz, first base and fielder; Mell, left field; Heagy, center field; and one of the pitchers in right field.

Expect Hard Game Tech students think they have a very formidable line-up, but expect to play their hardest to win from the Perry county boys, who have already won from Mercersburg by a score of 5 to 3.

Because of the uncertainty as to who would make the nine, no captain has as yet been selected, and the maroon and gray boys will enter to-morrow's contest with a leader appointed for the day. It is possible that a selection of a captain will be made at the beginning of next week.

Following the opening game, Con-way hall will be played at Carlisle next Saturday and Mercersburg will be met at that place April 24.
