

It's a Peculiar Habit Most Men Have

—of waiting until "Old Sol" sends overcoats to their cold storage berths before turning attention to a new suit.

This was evident during the past warm week when a large number of men sought the newest in pattern and coloring here, choosing from an exceptionally large variety, at

\$9.90, \$12.50, \$15, and \$20

There is everything in the way of smart and dressy stripes and checks, including the popular Glen Urquhart plaids.

And there's no reason why the conservative man should be "out of style" just because his manner of dressing is "quiet." Our extensive assortment provides for him also.

Come in to-morrow.

Sunday School Problems Up in Conference Here

Discussions on work in the primary and junior departments of the Sunday school, including problems relative to the conduct and control of the departments, were the most important part of the program for the afternoon session to-day of Sunday school teachers and officers of Dauphin county, who met in the Reformed Salem Church.

The principal speakers were Mrs. W. H. Harris, Miss Roberta Orth and Mrs. M. P. Hocker. Temperance and missionary work and methods of presenting these subjects in the primary and junior departments will be discussed by Miss Landes, president of the Lancaster County Woman's Christian Temperance Union at this evening's session.

Thousand Singers Greet Members of Stough Party

Two members of the Stough party, Miss Eggleston and Miss King, addressed more than 1,000 members of the Harrisburg evangelistic chorus last evening at a meeting in Ridge Avenue Methodist Church. Professor Spooner and E. G. Irwin, also of the Stough party, were unable to be present and sent their regrets.

In the afternoon at 4 o'clock in Pine Street Presbyterian Church Miss Eggleston renewed her acquaintance with members of the booster choir during a meeting which was held under the auspices of the Harrisburg Christian Endeavor Union.

At the night meeting new music was rehearsed under the direction of Professor Charles F. Clippinger. Preliminary arrangements for members of the chorus to sing at the homes of "shut-ins" were made. Final plans will be made at the next meeting.

Swat the First Fly!

Why wait until millions of flies have invested Harrisburg homes, before attempting to exterminate them. Every fly you swat now, means there will be 11,250 less later on. Just imagine the result if you failed to swat the first couple hundred.

Following our former custom, we will distribute many thousand Fly Swatters, starting tomorrow morning, as our share of aid in this worthy crusade.

Anyone may secure a fly swatter, merely for the asking, and when the first one "wears out," come back for another—and another.

GERMANY FAILS TO PAY LOAN

By Associated Press

Paris, April 13, 5.05 A. M.—Germany has failed to pay to Bulgaria the portion of the loan she agreed to remit April 1, according to a Sofia dispatch to the Petit Parisien, which says it is believed Germany distrusts the Bulgarian attitude and suspects she already has decided to join the allies.

WEAK, NERVOUS OHIO WOMAN

Made Well By Delicious Vinol

Bellefontaine, Ohio. — "My blood was very poor—I was in a weak, nervous, run-down condition. I tried different remedies without benefit and one day my druggist told me about Vinol. I tried it and it built me up in every way—blood, strength and nerve, and I tell my friends it is the best medicine on earth."—Mrs. Earl Brunson.

Vinol, our delicious cod liver and iron tonic without oil, sharpens the appetite, aids digestion, enriches the blood and in this natural manner creates strength.

Get Rid of Rheumatism

An Easy Matter with Rheuma, the Marvelous Remedy for the Disease. Drive out the uric acid from the joints. Get every particle of this poisonous matter out of your system, and keep it out.

You can do it with Rheuma, a scientific prescription that acts at once on kidneys, stomach, liver and blood; dissolves the uric acid and causes rheumatic agony to vanish.

Read this proof: "After treatment by three doctors, without result, I have been cured of a very bad case of rheumatism by using two bottles of Rheuma. It is now two years since I used the remedy, and I am still as well as ever. Previously I was a cripple, walking with crutches."—Judge John Barhorst, Fort Loraine, Ohio.

H. C. Kennedy thinks well enough of Rheuma to offer it on the "no-cure, no-pay" plan at 50 cents.—Advertisement.
