Woman's Health Requires Care

Women are so constituted as to be peculiarly susceptible to constipation, and their general health depends in large measure on careful regulation and correction of this tendency. Their delicate organisms rebel at the violence of cathartic purgative remedies, which, while they may afford temporary relief, shock the system and seriously disturb the functional organs. A mild laxative is far preferable and, if properly compounded, much more effective. The combination of simple laxative herbs with pepsin sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin, is ideal for women's use. A free trial bottle can be obtained by writing to Dr. W. B. Caldwell, 452 Washington St., Monticello, Ills.

A QUICK, SURE WAY TO END CATARRH

Catarrh Grows Breed By Millions In Air Passages of Nose and Throat, Just One Way To Drive Them Out

To stop catarrh for good you must drive from your system the germs that cause catarrh and that are now feeding and growing fast upon the swollen, inflamed mucous membrane of your nose and throat.

A splendid means of destroying catarrh germs and overcoming catarrh has long been recognized by physicians in the well known oil of Hyomei (pronounced High-o-mey) and it is now a very simple matter for any catarrh sufferer to use it with splendid results at home, by breathing its air through a little hard rubber inhaling device, which leading druggists are supplying with each large complete treatment. Just pour a few drops of the oil of Hyomei into this inhaler, place it between your lips and then breathe naturally and the pleasant smelling antiseptic germ killing air will penetrate deep down into every fold and crevice of your raw, sore nose, throat and lungs and give you quick, certain relief, opening up the air passages, making you breathe easily, stopping the inflammation and discharge and driving from your system every catarrh germ that has found lodgement there. If you want to be free from every symptom of catarrh, are tired of trying one thing after another without benefit to H. C. Kennedy or any other reliable drug store, hereabouts and get a complete Hyomei inhaler, use it every day for a few minutes and if it does not drive the catarrh germs out of your system and give you real, lasting relief from catarrh, your druggist will give you your money back—Advertisement.

SYRUP OF FIGS FOR CROSS, SICK FEVERISH CHILD

If little stomach is sour, liver torpid or bowels clogged Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered. When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it cannot cause injury. No difference what ails your little one—if full of cold, or a sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle inside cleansing should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle. Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.—Advertisement.

I have taken one bottle of Rheuma and do not have any more pain, and I can again walk at will." H. C. Kennedy and all druggists sell Rheuma for 50 cents. It is guaranteed to cure any case of any kind of rheumatism or money back. Gratifying relief comes in a day, because Rheuma acts at one time on the kidneys, stomach, liver and blood, and starts to rid the entire system of poisonous uric acid at once.—Advertisement.
