The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in the last few years, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing her work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Sent by mail for \$2.00. Address F. J. CHENEY & CO., Toledo, O. ## Makes Old Rugs Look Like New

Sprinkle a little Nomordust across your rug, then sweep it ahead of you as you go. You'd think the rug was new, so bright will be the colors. Nomordust attracts dust and dirt like a magnet. If you use Nomordust, you need never again wear a dusting cap. You can dust your ornaments and furniture before you sweep, then leave them uncovered, and they'll be as clean when you finish sweeping as when you started. It makes sweeping easier, too, and prevents repeated dusting. You can clean any room in half the time if you use Nomordust, and you need only sweep half as often, for every time you do sweep you get all the dirt (it clings to the powder), whereas ordinary sweeping spreads the dust from one part of a room to another. Fine for wood floors and linoleums as well as rugs. Get a 10c can to-day from your favorite grocer—he'll reward you if you're not more than pleased.
