

GERMANS IN LONDON MAULED BY RIOTERS

"No Business Transacted With Germans" Signs Displayed in Business Houses

London, May 12, 12.28 P. M.—Anti-German riots in the East End of London were renewed this morning with even greater violence than yesterday. Wherever a German showed himself he was attacked. The police force has been so thinned by drafts sent to the army that it had difficulty in dealing with the angry crowds. Special constables had to be called out.

A number of German establishments were raided and sacked, and their contents scattered over the streets. The Germans themselves were forced to go into hiding. The police in some cases were defied by the angry crowds, and some officers were injured during their endeavors to protect the Germans. The furniture and fittings of German houses and stores were hurled through windows to the streets. When the proprietors were caught they were severely mauled. In some cases their clothes were torn from their backs.

One German was thrown into a horse trough with the reminder that his compatriots had been spending time drowning men, women and children. There were several instances of German butchers trying to escape in their carts. They went racing down the streets at a mad gallop, but in most cases they ultimately were run down and their vehicles smashed.

Reports are reaching the police that private houses belonging to wealthy Germans in the fashionable West End are liable to be burned. Troops are in readiness to assist the police if necessary.

Large placards in the windows of almost all business houses and markets bear the words:

"No business transacted with Germans."

FOR THE SCHOOL GIRLS A New Frock in Redingote Style.

By MAY MANTON

8478 Girls Dress, 10 to 14 years.

Whatever Fashion has introduced for the grown-ups is sure to follow for the younger contingent. Just now, these loose belted garments are exceedingly smart. This one is the easiest thing in the world to make and is charmingly child-like and becoming. As will be noted in the different illustrations, it can be made of one material or with the skirt and trimming of one, and the over garment of another, and any frock that can be treated in that way is a good one for the growing girl since the style lends itself to making with great success. The skirt is in two pieces, slightly full and the belted over-garment is made with the blouse and skirt in one, so that there are only underarm seams to be sewed.

For the 12 year size, the dress will require 5 1/4 yds. of material 27, 3 3/8 yds. 36, 3 1/4 yds. 44 in. wide, with 3/8 yd. 27 for collar and belt, 1 1/4 yds. of lining material 36 for the upper portion of skirt.

The pattern 8478 is cut in sizes from 10 to 14 years. It will be mailed to any address by the Fashion Department of this paper, on receipt of ten cents.

NEW PENSION PLAN ADOPTED BY DIOCESE

Interest in Episcopal Observance Centers Round Church Club Dinner Tonight

After considerable discussion, delegates in attendance at the eleventh annual convention of the Harrisburg Diocese of Episcopal Church voted a pension widows and children of deceased clergymen. The money will be raised by assessment, to be based on the financial standing of the different parishes.

Much interest was taken in the reading of the treasurer's report by H. W. Hartman, which showed that the fund is now slightly overdrawn. Ways and means of making up the deficit were discussed. Harrisburg parishes rank high on the list of contributions to the diocesan fund. St. Stephen's church leads with \$407.23. St. Andrew's, St. Augustine's and St. Paul's contributed amounts ranging as high as \$174.

Holy communion was celebrated this morning at 7.30 o'clock by the Rt. Rev. Charles T. Olmsted, bishop of Central New York. He was assisted by the Rev. William Dewart, the Rev. Robert Bell, the Rev. Walter C. Clapp, the Rev. James F. Bullitt, the Rev. Orlando H. Bridgman and the Rev. Francis C. Woodard.

Interest in the dual observance now centers around the church club dinner, which will be held to-night. Covers will be placed for many guests and it will mark the formal ending of the three day celebration.

Praise for Wilson

The feeling of kinship which exists between the United States and Canada, was expressed by the Rt. Rev. James F. Sweeney, bishop of Toronto, last evening at the convention. He voiced his appreciation of President Wilson's tremendous responsibility in the present international commotion. The bishop declared that the United States must stay out of the war and that this country is the only one that can be turned to as a "moral referee."

Numerous reports and several minor addresses closed the convention service. Prior to this meeting Bishop and Mrs. Darlington received members of the convention at the Sea House. Preceding the auxiliary conference, which was held in St. Andrew's Church, a quiet hour was spent in prayer for the blessing of God upon the diocese, the auxiliary and all missionary undertakings. Afterward "The Central Meetings" were discussed.

Luncheon at St. Andrew's

The conference was entertained at luncheon by the members of St. Andrew's Church, this afternoon at 1 o'clock. Mrs. J. W. Bausman, who was elected president of the parish branches of the convention in 1905 and held that office since, told the story of the decade. There are now forty branches in the diocese; fourteen junior branches and nineteen senior branches. The contributions for all objects up to last year totaled \$2,775.82. Mrs. James H. Darlington responded to a toast by Mrs. Bausman. Afterward Miss Eleanor Clark responded to a toast to Mrs. George D. Ramsey, for ten years directress of the juniors. Other officers who served ten years were honored in a toast by Miss Nanna Stewart. Afterward the Rt. Rev. Hiram Rice, Bishop of Cuba, delivered a missionary address before the delegates.

Dignitaries at Luncheon

Delegates in attendance at the main conference were the guests of the women of St. Stephen's Church at luncheon after the morning session. Afterward brief anniversary addresses were made by the Rev. Herbert B. Baker, general missionary and Senior Pastor of the diocese; the Rev. Alexander McMillan, archdeacon of Harrisburg; the Rev. Lewis Nichols, archdeacon of Williamsport; the Rev. Francis Eastman, archdeacon of Altoona; the Rev. Rollin A. Sawyer, the Rev. William Heakes, the Rev. George I. Browne, the Rev. George R. Bishop and the Rev. Herbert B. Baker.

The Rev. Clifford G. Twombly presided at a social service conference late this afternoon in St. Stephen's Church. The conference was led by the Rev. E. M. Crouch and Miss Harlette A. Keyser.

Men of national prominence will deliver addresses at the Church club dinner which will be held at 6.30 o'clock in the Masonic Temple.

Ex-Governor Samuel W. Pennypacker will be ruler of the feast. The Rev. Dr. Philip W. Tompkins will speak on "The Christian of To-day." "Concentration" is the subject of a talk to be given by Francis A. Lewis. General Charles M. Clement will talk on "The First Ten Years of the Diocese." Governor Martin G. Brumbaugh, Bishop Darlington and J. W. Bausman will also speak. Anthony J. Drexel-Biddle, F. R. G. S., will deliver an address on "Athletics and Bible Classes."

Houck Buys Farm Near Enola For Building Lots

A. C. Young, who purchased the Livingston farm, situated on the Enola, avenue and Columbia road, at Enola, has sold the same to George A. Houck, of Pennsylvania, after having platted the land into building lots for bungalow and city farm sites. Mr. Houck has developed a developed a tract of these fifty-eight acres for immediate sales.

MAYOR ROYAL SAYS HE IS GOING AFTER BALL POOLS

Mayor John K. Royal ordered inquiries to-day to ascertain how many baseball pools are in Harrisburg. Information reached the Mayor that pools were being operated by outside parties through local agents and that various systems were used to overcome the law. He stated that as soon as he has the necessary information he will confer with District Attorney M. E. Strouf.

FARMER IS INJURED

John Weaver, aged 42, a farmer residing near Mechanicsburg, was admitted to the Harrisburg Hospital with a badly lacerated arm. Weaver had gone into his barn to look after his cattle when he struck a wagon tongue. The steel hook penetrated his right arm.

RETIRED RAILROADER DIES AFTER RECEIVING PENSION

George Olewine, aged 72, died late this afternoon at his home, 633 Muench street. Death was due to complications. Mr. Olewine was a retired Pennsylvania Railroad flagman. He received his pension check for April a short time before his death.

The survivors are a widow, two sons, Harry B., yardmaster, this city, and William of Philadelphia. Flagman Olewine was retired seven years ago. He served forty years in the employ of the Pennsylvania Railroad Company.

FIRE BURNS CLOTHES

Fire at the home of William Brown, 610 Showers street, this morning, damaged a basket of clothes valued at \$30. Sparks in a chimney set fire to a paper cover over the stovepipe hole. The burning paper dropped into a clothes basket. The Paxton Fire Company was called.

TO OBSERVE ASCENSION DAY

Members of Pilgrim Commandery, No. 11, Knights Templar, will attend Ascension Day services tomorrow evening in Augsburg Lutheran Church. The members will meet at the Masonic Temple.

Sick Women Made Well

Reliable evidence is abundant that women are constantly being restored to health by Lydia E. Pinkham's Vegetable Compound

The many testimonial letters that we are continually publishing in the newspapers—hundreds of them—are all genuine, true and unsolicited expressions of heartfelt gratitude for the freedom from suffering that has come to these women solely through the use of Lydia E. Pinkham's Vegetable Compound.

Money could not buy nor any kind of influence obtain such recommendations; you may depend upon it that any testimonial we publish is honest and true—if you have any doubt of this write to the women whose true names and addresses are always given, and learn for yourself.

Read this one from Mrs. Waters:

CAMDEN, N.J.—"I was sick for two years with nervous spells, and my kidneys were affected. I had a doctor all the time and used a galvanic battery, but nothing did me any good. I was not able to go to bed, but spent my time on a couch or in a sleeping-chair, and soon became almost a skeleton. Finally my doctor went away for his health, and my husband heard of Lydia E. Pinkham's Vegetable Compound and got me some. In two months I got relief and now I am like a new woman and am at my usual weight. I recommend your medicine to every one and so does my husband."—Mrs. TILLIE WATERS, 530 Mechanic Street, Camden, N.J.

From Hanover, Penn.

HANOVER, PA.—"I was a very weak woman and suffered from bearing down pains and backache. I had been married over four years and had no children. Lydia E. Pinkham's Vegetable Compound proved an excellent remedy for it made me a well woman. After taking a few bottles my pains disappeared, and we now have one of the finest boy babies you ever saw."—Mrs. C. A. RICKRODE, R.F.D., No. 5, Hanover, Pa.

Now answer this question if you can. Why should a woman continue to suffer without first giving Lydia E. Pinkham's Vegetable Compound a trial? You know that it has saved many others—why should it fail in your case?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

IT WILL KEEP THE WOLF FROM THE DOOR

when all other helps fail—a sizable account with a strong savings bank. Why? Because of interest and compounding. But oaks don't grow in a night—start with tiny acorns. Drop your dollars in this bank and see them sprout into thousands—but do it regularly and often. We allow 3% interest annually and compound that every six months.

WILL CHANGE CITY'S WHOLE WATER SYSTEM

Biggest Temporary Shift of Supply Mains Ever Attempted Is Planned by Bowman

Within a month or six weeks the two great 30-inch water mains which convey the city's entire water supply to and from the reservoir will be lowered beneath the bed of Paxton creek under the direction of City Commissioner Harry F. Bowman, superintendent of public safety.

The change will be the most important ever attempted in the city's history because of the fact that the whole system of supplying water to the thousands of the townspeople will be changed around temporarily without interfering with the service.

Incidentally several thousands of dollars will be expended in placing two great 30-inch valves on the mains and some 4,000,000 or 5,000,000 gallons of water will be spilled into Paxton creek.

When the job is completed, however, there will never be any danger of breaks or leaks due to frost or other causes on the great mains which supply the whole city with its drinking

and operating water. The "return" main will be changed first.

Experimenting on Changes

For the last week or ten days City Commissioner Bowman has been experimenting with the various valves and supply mains to determine whether or not his plan for changing around the system could be carried out. The system, he said to-day, worked like a charm. Incidentally the plan demonstrated the value of placing the big 16-inch main in Front street last summer.

Harrisburg's water supply is pumped from the North street pumping station to the Reservoir over one big 30-inch main and back again through a pipe of similar capacity. These pipes cross Paxton creek at State street. When the creek improvement was planned no provision for the pipes were made and the excavations have left the big tubes in the air at least twenty inches above ground. What might happen should there be a leak and a big fire on the Hill, Mr. Bow-

man says he doesn't like to dwell upon.

On the lawn of the Harrisburg Pipe and Pipe Bending Works Mr. Bowman will dig a hole some eighteen feet deep and about six feet square to reach the main and there one of the big valves will be attached.

At Sixth and North streets the "return main" will be shut off by the big valve at that point and the water will be pushed through the force main and thence through 16-inch pipe up Sixth street. The west end of the city will thus be supplied. A similar operation at North and Front streets will turn the water down the new 16-inch main through Front street. All the lower section of the city will be cared for by the plan, Cameron street and other points beyond Paxton will be provided for by the 20-inch main on Cameron

which connects with the big Front street pipe. All of Allison Hill will be supplied direct from the Reservoir.

When the return main is changed to its new place under the creek bed the reverse of the system with the "force main" will be applied, the return main then serving instead. In the few days that will be required to make changes the Harrisburg folks will not know that anything out of the ordinary is taking place on its water system except, perhaps, a slight lapse in pressure, in the west end of the city.

UNDERGOES OPERATION

Paul Critchley, a driver for the Pennsylvania Milk Products Company, was operated on yesterday at the Harrisburg Hospital for appendicitis.

DONDI ECZEMA REMEDY

A positive and speedy remedy for Eczema, Barber's Itch, Ring Worm and Itch. The formula of a famous skin specialist now offered to the public. Clean your skin with a few applications. Don't suffer—Get relief. 35c

An Open Letter This Is Also a Paid Advertisement

RIGHT OR WRONG.

We do not believe a whole lot in expending much money for newspaper advertising so that we are thereby compelled to ask increased prices for our goods. However, we do, just occasionally like to let EVERY ONE know that this store is now as always selling furniture and other housefurnishings at lower prices than most other stores.

OUR WAY—

We do a large business under an economical expense system which enables us to quote the lowest possible prices on EVERYTHING. Our prices are uniformly low on all our goods. Our stock is one of the largest and most complete in the city.

Our customers will tell you that this store is not only one of the largest, but the best store in which to purchase their home needs. In fact, our customers really prove to be our advertisers and they have done it very well indeed. We believe thoroughly in a business system that will convince the customer that what he purchases here is at least just a little better for the same money, or as good for less money than he can obtain it for elsewhere.

This is the system which has built up our business to its present large proportions and is still doing good work for us. We try our best to give our customers the most for their money and our experience has been that the customer can always be depended upon to return the favor in some good way.

REMEMBER THAT—

You may not see our advertisement in the newspapers very often, but we ask you to chalk this down: When you want to buy good furniture at the way-down price, this is the store that is sure to be there with the goods you may want and with the price that will suit.

A JITNEY WILL LET YOU OFF RIGHT AT OUR DOOR.
