HOUCK EASY MARK FOR MIKE GIBBONS

Middleweight From St. Paul Turns Down Knockout Chances; Wants Another Fight

New York, May 27.—Leo Houck, middleweight aspirant, Lancaster's pride and joy, was a regular punching bag last night for Mike Gibbons, of St. Paul. The fight went ten rounds. Gibbons did as he pleased with Leo Houck. He jabbed, poked, hooked, slammed, banged and punched Houck until the latter was cut and bleeding three times. Mike, had he willed, could have knocked Houck out, but each time when the Lancaster man was in distress Gibbons deliberately turned his back on his adversary and walked to the center of the ring. Mike was saving him for another bout. Gibbons weighed about 151 pounds. Houck was unable to make better than 165 1/2 pounds. Houck is willing to take another chance with Gibbons.

HEFFELFINGER WINS MEDALS; LEADER FOR TECH TRACK TEAM

Captain "Davey" Will End His Scholastic Career in Reading Meet Monday Afternoon; Started as Grammar School Champion

"Davey" Heffelfinger of Tech is some collector of medals. To date he has won nineteen, including nine gold, seven silver and three bronze. He has also won two individual cups. Heffelfinger has been a track captain since 1911. And this is not all, according to this young star, for he has promised to add several more medals and cups to his collection in the Reading meet next Monday, which will wind up his career as a high school athlete. Heffelfinger has been a point winner during each year he has been at Tech, but has reached the zenith of his work on the track during this season. At Mercersburg he ran the century in 10 1-5 seconds, while on the same day he traveled the furlong in 23 seconds. At Philadelphia he ran his quarter in 53 seconds, and last Saturday he made a leap of 29 feet, 6 3/4 inches in the broad jump. Popular at School Captain "Davey" gave a splendid example to his team mates and endeared himself in the hearts of the Tech boys by his self-sacrifice last Saturday. He was given the chance of running either the 440-yard dash, or running anchor man in the one-mile relay. He chose the latter, and even though he crossed the line a winner, was given no award of points individually. Had he run the quarter mile and won, he would have scored enough points to have won the individual cup. Not mentioning the medals Heffelfinger expects to annex next Monday, the following is a list of those he has already won: Harrisburg Grammar School meet, 1911 — gold medal, 100-yard dash; gold medal 220-yard dash. Reading Inter-school meet, 1912 — silver medal, 220-yard dash. Penn-State Inter-scholastic meet, 1913 — silver medal, 440-yard dash; bronze medal, 220-yard dash. Reading Inter-scholastic meet, 1913 — silver medal, 220-yard dash. Harrisburg Inter-scholastic meet, 1912 — bronze medal, relay team. University of Pennsylvania relay races, Philadelphia, 1913 — individual cup, relay team. Harrisburg Inter-scholastic meet, 1914 — gold medal, relay team; silver medal, broad jump; silver medal, 440-yard dash.

O'Day, Veteran Umpire, to Jump to the Feds

Chicago, May 27.—Hank O'Day, veteran umpire and manager of the National League, practically has concluded negotiations for joining the Federal League staff of umpires. President Gilmore, of the Federal League, said he had reached terms with O'Day on all proposals with the exception of salary, which he expects speedily to settle. Gilmore has had several complaints against two of his present umpires, and it is said that the men in question may be released. O'Day managed the Chicago club of the National League last season.

Laments Digging Up of Flowers by the Roots

In a letter to the Telegraph, Dr. John H. Fager vigorously and indignantly protests against the actions of some of the Upper End farmers who bring yellow and pink "lady slippers," or mosses flowers, to the Verbeke street market for sale. These flowers, Dr. Fager declares, as a rule are dug up by the roots in order that the farmers or their wives transfer them at higher prices because of their possibilities for next season's replanting and cultivation. "Can't a law be passed," concludes Dr. Fager, "providing for the punishment of the persons who try to sell these beautiful inhabitants of the damp woods?"

GAME OF GOLF TO DECIDE IF PENN GETS NEW CHAIR OF SURGERY

Charles H. Giest, of Philadelphia, Makes Wager With Dr. Edward Martin; Contest in October

Philadelphia, May 27.—A golf game is to decide whether the University of Pennsylvania shall be enriched by \$100,000 to endow a chair of surgery, research or whether the Seaview Golf Club, near Atlantic City, shall have \$1,000 for a new life membership. Dr. Edward Martin, professor of surgery at the University, is to play the game with Charles H. Giest, president of the C. H. Giest Company, of this city, and also head of the Seaview club, which is a private club. The pair have entered into an agreement whereby, if Mr. Giest loses the match, which will be played in October, he will, before January 1, 1916, turn over to the treasurer of the university \$100,000 to endow the chair. If Dr. Martin loses he is to become a life member of the golf club. Dr. Martin is widely known as an eminent surgeon and as a devotee of sports. He is a brother of Judge J. Willis Martin and a graduate of the medical department of the University of Pennsylvania. He has been active in outdoor sports. It is said that Dr. Martin is partly responsible for Mr. Giest's rugged health because of the success of an operation that he performed on him at the University of Pennsylvania Hospital.
