Cathartics and purgatives are violent and drastic in action and should be avoided. A mild, effective laxative- tonic, recommended by physicians and thousands who have used it, is the combination of simple herbs with pepsin sold by druggists everywhere under the name of Dr. Caldwell's Syrup Pepsin. The price is fifty cents and one dollar a bottle. For a free trial bottle write to Dr. W. B. Caldwell, 452 Washington St., Monticello, Ill.

WHEN WINTER COMES

One Ought to Have a Good Appetite. A good appetite is the best sauce. It goes a long way toward helping in the digestive process, and that is absolutely essential to health and strength. Many persons have found that Grape-Nuts food is not only nourishing but is a great appetizer, and children like the taste of it and grow strong and rosy from its use. It is especially the food to make a weak stomach strong and create an appetite for dinner. "I am 67 years old," writes a Tenn. grandmother, "and have had a weak stomach from childhood. By great care as to my diet I enjoyed a reasonable degree of health, but never found anything to equal Grape-Nuts as a stand-by. "When I have no appetite for breakfast and just eat to keep up my strength, I take 4 teaspoonsful of Grape-Nuts with good rich milk, and when dinner comes I am hungry. While if I go without any breakfast I never feel like eating any dinner. Grape-Nuts for breakfast seems to make a healthy appetite for dinner. "My little grandson was sick with stomach trouble during the past summer, and finally we put him on Grape-Nuts. Now he is growing plump and well. When asked if he wants his nurse or Grape-Nuts, he brightens up and points to the cupboard. He was no trouble to wean at all—thanks to Grape-Nuts." Name given by Postum Co., Battle Creek, Mich.
