OLER BREAKS RECORD MADE BY MOFFITT

New Figures Came in Saturday's Meet on Franklin Field; Championship Winners

Tom Moffitt's feat of breaking the intercollegiate record in the high jump, which he made on Franklin Field in 1907, and which record was maintained at 6 feet 3 3/4 inches until Saturday, was broken when Oler, of Yale, cleared the bar at 6 feet 4 1/2 inches, establishing a new record.

To those who had an opportunity to watch it, the struggle between Oler and Richards for the high jump honors was unparalleled as an exhibition of splendid sportsmanship and athletic prowess.

When the bar reached 6 feet 3/4 inch, Johnstone, of Harvard, still was in the fight. But that was as high as the Crimson jumper could go.

Then it was announced that the bar was to be placed at 6 feet 4 1/2 inches. Oler went back to try it, with the eyes of Richards and the majority of the spectators on him.

Then it was announced that the bar was to be placed at 6 feet 4 1/2 inches. Oler went back to try it, with the eyes of Richards and the majority of the spectators on him.

Leaping to the fact when he knew that he was licked and that his rival from Yale was the intercollegiate champion and record holder, Richards hurried over to again grasp Oler's hand and congratulate him.

SPEED KINGS START IN LONG AUTO CHASE

Rain Responsible For Fast Track; Expect New Records; Twenty-four Starters

Indianapolis, Ind., May 31.—The fifth annual 500-mile race on the Indianapolis Speedway started at 10 o'clock this morning. Twenty-four of the fastest racing automobiles in the world lined up for the start.

The fact that the brick surface of the track has been thoroughly chilled by the rains means that the racers will be able to make faster time than otherwise would be possible, it was said.

Among the drivers who will compete are men who have gained the highest honors in automobile racing. Ralph de Palma and Bob Burman are two of the best known of the pilots who will try for a share of the \$50,000 prize money.

Members of the Keystone Motor Club yesterday entertained 37 cyclists from Baltimore. Local motorcyclists went to York to-day.

ENDURANCE SWIM RECORD

Philadelphia, May 31.—In what proved to be one of the hardest swims in his career as a long-distance endurance swimmer, Charles B. Durborow yesterday gave a wonderful exhibition of pluck by swimming from opposite Walnut street wharf, on the Camden side of the Delaware river to half-mile below Market street wharf, Chester, and then turning round and swimming back for nearly two hours, covering an additional distance of 8 1/2 miles, or 22 1/2 miles in exactly 8 hours and 27 minutes.

ELECT MEREDITH CAPTAIN

Philadelphia, May 31.—Ted Meredith, who performed the wonderful stunt of winning the quarter and half-mile runs for Penn in the intercollegiate Saturday afternoon, is the new captain of the Penn track team.

To Work Coal Vein on Mountain Near Dauphin?

As the result of an examination by an expert mining engineer, an eight-foot vein of hard Lykens coal on the mountain back of Dauphin, will probably be worked by a company of up-state capitalists.

A thorough examination was made Friday and according to unofficial word received by Dauphin men interested in the mine the vein will be developed. It was worked about seven years ago on a small scale, and so far as can be ascertained contains both Nos. 1 and 2 grades of hard coal.
