PENTATHLON FOR DICKINSON STARS

Athletic Meet to Be Held on Biddle Field to Develop All-Round Man

Carlisle, Pa., June 2.—Additional earnestness and zeal has been enticed into the track candidates at Dickinson owing to the announcement by Coach Craver of a proposed "pentathlon" to be held on Biddle Field next Saturday, in which Dickinson men only participate. The probable events will be the high and broad jumps, discus, 220-yard low hurdles and the 220-yard dash. The pick of the Red and White cinder men have already entered themselves for the initial event of its kind at Dickinson. Ingram, who recently broke the collegiate 220-yard dash record and scored second in the same event at the intercollegiate at Haverford; Yates, the best quarter-mile Dickinson has ever had on the cinder paths; Palm, Warfield, Dalton and Welsh, are among the candidates for the loving cup which will be presented the winner of the event.

Coach Oyer's baseball proteges have remained idle since the Ursinus game, two weeks owing to inclement weather conditions of the last week, but the snap and energy put into the practices during the latter part of the week give every indication that Dickinson will acquit herself creditably on the diamond in the last three games of the season, the last being with Villanova, the commencement game, on Tuesday, June 8.

MANY KIND WORDS FOR TECH ATHLETES

Work at Reading Set New Pace For High School Performances

Praises for the Tech high school track athletes are coming to Harrisburg from all over Pennsylvania. In high school circles the work of the Tech team this year is classed as eclipsing that of any high school team since the scholastic contests were started nine years ago.

"Beck and Heffelfinger were the individual stars for the winners, each winning two first places. Included in their 58 points are five hard-earned ones for first place in the mile relay, the last event of the afternoon, and by far the most thrilling.

"The handsome University of Pennsylvania cup awarded to the school winning the relay, together with the big new Josiah Dives cup to the school winning the meet, will be held in Tech's trophy case till the games next year, when both will be put up for competition.

"Hoffman, after craftily getting out of a nasty pocket on the first turn, opened up on the back stretch and went into the van by a five-yard margin. Kemp, Reading's second man, maintained this lead till the home stretch, when his afternoon's hard work in the hurdles and the broad jump told on him. Steiner, Tech's second man, let loose with a marvelous sprint in the last fifty yards and left Kemp two yards to the rear.

"Jimmy" ran magnificently, but well within himself till in the center of the back stretch, then started his fight for first place. He had to take the clinders from Tech's captain all the way till the stretch was reached. Then he drew up even. Down the straightaway neck and neck both men struggled. The two thousand Reading partisans in the stand were in a frenzy, calling on Jimmy. But he lacked just a trifle. And Heffelfinger broke the tape with Pierce barely six inches to the rear.

"The hand that the crowd gave the plucky little captain was an ovation seldom seen and heard in Reading. Pierce had run his quarter in 53 seconds, a full second faster than the Tech man. And at that, to win the Maroon and Gray boys from the Capital City had to wipe out the old mark to win. They shaved 2.5 seconds faster than the mark made 'way back in 1907 by Camden, when the Jersey boys ran in 3.04.

"The speedy work and the new record was only one of the things that gave Tech the victory. Performances creditable to any college were the order of the day. Sutcliff, the wiry youngster from Harrisburg, who has been winning the distances in phenomenal time all season, again shattered a record. This was the mile mark in 4:47 1-5, made four years ago.

"Sutcliff shaved 5 3-5 seconds off this mark. The 'dopesters' in the stands figured that Whiteman, a dark horse from Williamsport, who had sprung out from the field in the half mile, winning easily, might repeat. But he couldn't place, so fast was the pace and so clever did the Tech boys team together. Tech made a killing in this event, capturing three first places. Some of the old-timers recalled that Wilmington placed first three men in the mile 'way back in 1909, when the field was dedicated. But the pace was not nearly so fast.

"Just how good a team Harrisburg had, and how brilliant were their two stars, Beck and Heffelfinger, may be gleaned from the fact that they shattered marks that have been on the Memorial Day meet books as records for years. Each pushed the shot 46 feet 8 3/4 inches, a college performance, two years ago, the last time Tech attended the Memorial Day classic—and won it, too, by the way—Beck set a mark that has been equaled only once. Yesterday he went out 4 1/2 feet beyond that mark.
