

ENDEAVORERS MAKE PLANS FOR OTTING

Will Be Held at Reservoir Park; Westminster Members Open Efficiency Campaign

The reception committee of the Harrisburg Christian Endeavor Choral Union met at the home of Chairman F. E. Schwartz, 483 Boas street, and completed arrangements for the annual outing at Reservoir Park on Tuesday evening, June 8.

QUARANTINE LAW MAKES BIG CHANGE

Alters Periods of Quarantine For a Number of Diseases and Makes Regulations

Sweeping changes in State laws governing quarantine diseases as provided in the Walsh bill, just signed by the Governor. The bill is a codification of the quarantine laws in force at the time of the State officials and is the most comprehensive ever passed in the State.

Under the provisions of the act every teacher, principal, superintendent or other person in charge of a public, private, parochial, Sunday or other school, will be required to report to the health officer of a city, borough or township, as the case may be, any unusual rash, skin eruption, sore throat, symptoms of whooping cough or any disease of the eye noticed in any child or person attending such school, shall immediately exclude such child or other person from schools pending the action of the health authorities and shall report such fact to the health officer of the city, borough or township, as the case may be.

The committee on arrangements is as follows: F. E. Schwartz, chairman; Mary DeHart, Mrs. E. S. Schilling, Mrs. J. Frank Palmer, Sara McGran, Mrs. W. G. Hoover, Ida M. Sowers, Ruth Martin, John Harder, Henry Bruce, Henry Stewart, Mrs. John Whistler, Emily Edwards, Mrs. William Deal and Mrs. F. E. Schwartz.

The Men's League of the Harris Street United Evangelical Church will hold its monthly social in the social hall of the church this evening.

Ladies' Missionary Union Holds Annual Meeting

An imitation Japanese wedding was the feature of the annual meeting of the Ladies' Missionary Union of this city, held in the Paxton Presbyterian Church this afternoon.

The members were the guests of the Rev. and Mrs. Harry B. King. F. E. Hoffmeyer, a returned missionary from Japan, was the speaker at the meeting. Business sessions were held late this afternoon.

Benefit Musicals. — A musical for the benefit of the new church house will be given this evening in Zion Lutheran Church.

Messiah Congregation to Meet. — No definite action on the plans for a new church for the Messiah Lutheran congregation, will be taken until the Rev. H. W. A. Hanson calls a meeting of the members. It is probable, however, that the council will meet some time next week to discuss the matter.

Funeral of Captain Smith Will Be Held Saturday

Funeral services for Captain W. O. Smith, a veteran of the Civil War, who died at his home, 122 Cumberland street, yesterday after a brief illness, will be held Saturday afternoon at 2:30 o'clock, the Rev. Dr. Lewis S. Mudge, pastor of Pine Street Presbyterian Church, officiating.

CAPT. W. O. SMITH. — Funeral services for Captain W. O. Smith, a veteran of the Civil War, who died at his home, 122 Cumberland street, yesterday after a brief illness, will be held Saturday afternoon at 2:30 o'clock, the Rev. Dr. Lewis S. Mudge, pastor of Pine Street Presbyterian Church, officiating.

MRS. BENDER DIES. — Mrs. Mary A. Bender died yesterday at her home of her daughter Mrs. Joseph P. Bender. Funeral services will be held Saturday afternoon at 2 o'clock at the Rev. A. Wolf officiating. Burial will be made in the Harrisburg cemetery.

CHILD HAS GANGRENE. — Mike Pete, aged 5, 1262 North Seventh street, was admitted to the hospital this morning suffering from gangrene of the right foot caused by an accident several days ago when a wagon passed over his toes.

SPECIAL FRIDAY and SATURDAY Toasted MARSHMALLOWS 20c the lb. Gorgas' Drug Store 16 N. Third Street

COMMENCEMENT EXERCISES AT TECHNICAL HIGH SCHOOL WILL BE HELD JUNE 17; HONOR MEN

Franklin Metzler, Norman C. Stiteler, Charles Chayne, John Todd, Jesse Bernheisel, Stephen Anderson, Charles E. Kutz, Earl Shuey. —Photos by E. K. Gaugler.

HONOR MEN AT TECH HIGH ARE ANNOUNCED

Franklin Metzler Takes First With 90.96 Per Cent.; Norman C. Stiteler Close Second

Honors for the 1915 class of Technical High School were won by the following men, it was announced this afternoon: First, Norman C. Stiteler, second, Norman C. Stiteler; third, Charles Chayne; fourth, John Todd; fifth, Jesse Bernheisel; sixth, Stephen Anderson; seventh, Charles E. Kutz; eighth, Earl Shuey; ninth, Casper Wohlfarth; and tenth, William Scherfer.

Franklin Metzler, son of Mr. and Mrs. John G. Metzler, 2550 Lexington street, who receives the honor of valedictorian of the 1915 class of the Technical High School, had an average for the four years of 90.96 per cent. He will deliver the valedictory oration at the commencement exercises June 17, and at the same time receive a prize of \$25 in gold offered by the Tech Alumni Association.

Second in rank is Norman Critchfield Stiteler, with an average of 90.78 per cent. for his course. He is a son of Mr. and Mrs. H. John Stiteler, 662 North Seventeenth street, and a grandson of Secretary of Agriculture N. B. Critchfield. He will deliver the salutatory oration.

Stiteler has been a leader in many of the school's activities. He is the only member of the class to have held the position of president of the class, being the incumbent since an organization was effected. He was manager of last year's basketball team, and by skillful management turned over a neat surplus at the close of the season. He was also business manager of the Tech Tatler.

As an athlete, "Norm" started at end on the football team, and was a member of the relay team, which broke the school record at Reading last Monday. He was also on the entrance "exams" for West Point as first alternate. In case he does not get the opportunity to enter the United States military school, Stiteler will in all probability enroll at Cornell.

Charles Chayne, son of Mr. and Mrs. Horace A. Chayne, 407 North Second street, took third place with a general average of 90.54 per cent. Chayne's penchant is engineering, which he will pursue at Boston Tech next fall. The operation of an engine constructed by him was one of the features of the Tech "open house" several weeks ago. He has several patents on flying machine parts.

John Todd, who took fourth position, made an average of 90.32 for his mental quality of justice in dealing with juveniles under sixteen. Many a juvenile offender is quite capable of sensing the enormity of his offense as some older persons. Age is not the essence of differentiation.

William Scherfer, Stephen Anderson, G. Webber Knight, Harold Cobough, Victor Emanuel, Bernard Stansfield, Stanley Golden, David Hefflinger, Jesse Bernheisel, Frederick H. Kutz, Earl Shuey, Merle Beach, Walter Klucker, Albert Compton, James Evans, Everett Kutz and William Landis.

College Preparatory. — Charles Schaefer, Samuel Lipman, Samuel McIlhenny, C. Glennon Melville, Franklin Metzler, George Miller, James Miller, Paul Shope, Norman Stiteler, John Todd, Harold Wagner, John Yoder.

Industrial Course. — Claude Alexander, Earl Pickinger, Venus Zimmerman, Fulmer Craner, Earl Shuey, Harry Reeser, Leon Brien, Kay Steward, Merle Beach, Walter Klucker, Albert Compton, James Evans, Everett Kutz and William Landis.

GARLIC WARDENS ARE TO BE COMPETENT

Dr. Kalbfus Says That Only Those Who Know Their Business Will Be Appointed

Men who aspire to the State Game warden's office will have to demonstrate that they can fill the bill, according to Dr. Joseph Kalbfus, secretary of the State Game and Commission and chief protector. The bills recently signed provided for doubling the force and have brought the usual rush of applicants there being authorized, but the secretary says that the protectors must show that they "have the goods."

The force will hardly be completed for some time to come and it may be July before it is finished. The State Game Commission is scheduled to meet early in July, when the preliminary of hunters' license and other matters are to be taken up.

New Basis in Effect. — By Governor Brumbaugh approval of the Baldwin bill providing for an amortized system of valuing the bonds held by life insurance companies Pennsylvania companies will have the same basis as those in New York, Massachusetts and several other States. The act will become effective this year and it is probable that other States will adopt it.

May Income Good. — Receipts of the State Dairy and Food division for the month of May amounted to \$5,598.73, making the total revenue returned into the State Treasury since January 1, \$239,880.20. The bulk of the May income came from suits for violation of the pure milk laws, which reached the \$234,900 mark. Fines from prosecutions for violation of the pure food laws produced \$1,270.50. Four hundred dollars were realized from fines for the sale of bad eggs.

Commission to Meet. — The State Forestry Commission will meet here to-day to discuss the work under the new appropriations. J. M. Hoffman, of Johnstown, the new commissioner, will take office. Steps will be taken to take over the forestry work here. Reserves which have been offered, and the Reference Bureau, has been completed by many city and county officials throughout the State on his report. They have thanked him for information given during the session.

Camp Begins. — The camp of instruction for infantry officers of the National Guard began at Mt. Gretna to-day. General C. B. Dougherty is in command with a corps of instructors from the regular army. Adjutant General Stewart will visit the camp.

Petunias Planted. — The gardening force of the Capitol Park has completed planting the petunias placed on the plaza. The bed takes the place of the line of tulips that attracted so much attention this Spring.

Prison Bills Signed. — The Governor's office to-day announced that the two bills changing the system of prison labor in the penal institutions of Pennsylvania had been approved on June 1. These laws were two of the series recommended by the Penal Laws Commission appointed by Governor Tener on June 1, 1914.

Hearing on Ship Canal. — The Governor's office to-day announced that a hearing would be held on the Lake Erie ship canal bill at the Capitol on June 9. Fifty or sixty people have been invited.

No Appointments. — The appointment of the Agricultural Commission expected to be announced next week.

Forty-five Arrests. — Dairy and Food Commissioner Poust stated to-day that he had ordered forty-five arrests for violation of the food laws in Allegheny and Cambria counties. Several of them were of flagrant character, according to reports.

Water Supply Permits. — The State Water Supply Commission acted upon twenty-one permits, among those granted being to Ellen Greider to re-locate the Conduff dam on the West Pennsboro and to the Huntingdon Land and Improvement Company to change the course of Crooked creek in Smithfield township, Huntingdon county. Brian H. Schuchell, Berks and other counties in that part of the State were authorized. The application of the Pennsylvania Railroad for permission to make fills in Homer City was refused.

WASHGT FOR AWAIT'S THRESHOLD GORGAS NOTES FROM MEXICO DISMISSAL MEASURE

Foreign Diplomats Express Approval of President Wilson's Course. Board of Public Works Considers Resolution Authorizing General "Lay-off" July 1

Washington, June 3.—News of how President Wilson's demand on the leaders of the various military factions in Mexico for prompt restoration of peace in the revolution torn southern republic is being received by them was awaited to-day in official and diplomatic quarters.

The President's statement which was sent to Generals Carranza, Villa, Zapata, Gargaz and others, publicly called upon them to settle their differences quickly and establish a government which the United States can recognize. The President warned them that failure to do so within a very short time would constrain the United States to decide what means should be employed to save the Mexican people from further devastations of internal warfare.

Foreign diplomats here express approval of the President's course. The communication was interpreted by officials of diplomatic and Mexican here to mean that the United States would bring pressure to bear first to unite the factions in the choice of a provisional president. Failing in that, the United States would accord its active support to the elements that would agree. Possibility of ultimate intervention was considered. That would result, however, only in the event of a reign of anarchy which the Mexicans themselves were unable to remedy.

Appeal to Red Cross. — An appeal to the Red Cross from the interior of Mexico, sent through the Mexican minister there, was made public here to-day. It follows: "We appeal to the Red Cross of the United States and the Red Cross of Mexico to supply nearly exhausted; no prospect of relief. Conditions of disorder, lack of seed, men and animals, and insecurity of life would accord us the situation this city desperate account shortage food and medical supplies. Regular railway service between city and border, between Chihuahua and the coast, suspended since February. Imperative need everywhere is corn. Also urgently require beans, flour and medicine. Only hope lies from United States. We are doing all possible, but resources entirely inadequate."

APPROPRIATIONS MUST BE DEFINITE

Governor Vetoes Memorial Day Bill With Some Terse Comments on Its Drafting

Governor Brumbaugh to-day announced his veto on the bill authorizing county commissioners or borough authorities to make appropriations for Memorial Day exercises to organizations other than the Grand Army of the Republic in counties where no Grand Army of the Republic post exists.

The Governor says: "It requires an annual appropriation of \$50 to each association of society. It is fitting and proper to grant such a sum to a regularly constituted Grand Army post and the law now does so. But to compel a county to appropriate law to appropriate funds to an indefinite body as a society or association of any description is an unwarranted invasion upon the revenues provided by the people. Why should that society or organization shall have this fund? What guarantee of service is assured? Why should any society or association have equal claim with the Grand Army post upon the resources of a people? It is necessary to pay a society or association to do honor or tribute to the nation's heroic dead such honor of tribute is scarce worth having. Surely the patriotism or our people needs no subsidy to give it fitting expression on Memorial Day."

The Governor also announced these vetoes as of May 29: House bill authorizing board of public charities to change plans and specifications for buildings, etc., of certain charitable and penal institutions. The Governor says the bill was amended and authority limited. "It makes the superior authority subordinate to the lesser authority. It is absurd. Moreover, the present law surely need not be interpreted to give to the Board power to change any plan it may have approved."

House bill requiring that records of criminal acts of those under 18 should be kept in a separate docket. On this the Governor says: "This bill is too lenient and denies the funda-

It follows: "We appeal to the Red Cross of the United States and the Red Cross of Mexico to supply nearly exhausted; no prospect of relief. Conditions of disorder, lack of seed, men and animals, and insecurity of life would accord us the situation this city desperate account shortage food and medical supplies. Regular railway service between city and border, between Chihuahua and the coast, suspended since February. Imperative need everywhere is corn. Also urgently require beans, flour and medicine. Only hope lies from United States. We are doing all possible, but resources entirely inadequate."

Appeal to Red Cross. — An appeal to the Red Cross from the interior of Mexico, sent through the Mexican minister there, was made public here to-day. It follows: "We appeal to the Red Cross of the United States and the Red Cross of Mexico to supply nearly exhausted; no prospect of relief. Conditions of disorder, lack of seed, men and animals, and insecurity of life would accord us the situation this city desperate account shortage food and medical supplies.
