WAR HAS SAVED US INDUSTRIALLY
Blood of Europe All That Has Saved This Country From Another '93

Chicago, June 24.—Apprehension is expressed by many persons over the lopsided condition of financial affairs—the unprecedented demand for certain of our products, the immense importation of gold, and the awkward position in which European governments find themselves with respect to payment of the expenses of the war. It is toward the correction of their troubles that the European governments are now looking in their tenders of bonds to the people of this country.

But as for our own inconveniences in this connection one financier says: "It has not been for the European war we should be at this time in the depth of a business depression. Everything was tending that way before the first of August. The reversal of the foreign trade balance was going on at a rapid rate, and the new tariff law was inviting every European manufacturer to compete with our industries."

"It is an unpleasant thing for us to think of, but the blood of Europe has saved us from another 1893. Do not, therefore, lament too deeply the present distortion of our finances. Do not be too sorry that the floating gold of the world is coming to the United States. Do not be too sorry that many of our manufacturers, who, but for the European war would have been in hard lines at this time, are rolling up fortunes by the sale of munitions to the Allies."

Aged Suppliant Asks Judge to Hear His Plea

Huntingdon, Pa., June 24.—Accepting, literally the court crier's formal opening: "All those having business before the court, let them come forward and they shall be heard," Samuel Lewis, an aged man, walked slowly down to the bench and began to address President Judge Thomas Baldrige. Attorneys and attaches stared in amazement.

Lewis asked the court how he could require a property that should have fallen to him from his mother's estate since lawyers had failed to get him satisfaction. The judge explained he could do nothing.

"Didn't the court crier say all those having business to come forward and they shall be heard?"

"Yes," replied the judge, "but I cannot act both as attorney and judge in your case."

Lewis was told to employ counsel and his case would receive consideration.

CONFERENCE AT BLAIN

Blain, Pa., June 24.—An interesting Sunday school conference for this district, took place last evening in the Zion's Lutheran Church under the auspices of the county association. Speakers present were: David S. Fry, of Newport, president of the association; the Rev. S. L. Rice, of Marysville, minister in convention; the Rev. T. R. Gibson, of Blain, vice-president of the association, and the Rev. J. W. Keener, of Blain.

TO CUT OUT BALKY TOWN

Pottsville, Pa., June 24.—Because of the announcement that the City of Pottsville will veto the ordinance granting a franchise to the new Air Line trolley line, which is to connect Schuylkill county, Philadelphia and New York capitalists started to-day that St. Clair will be sidetracked and the new line will not touch that town.

AD MEN SELECT PHILADELPHIA

Chicago, June 24.—Philadelphia was chosen yesterday by Nominating Board of the Associated Advertising Clubs of the world in convention here, as the meeting place for next year's convention.

CONVICTED SPY SHOT

London, June 24.—F. Robert Muller, who on June 4 was found guilty at the Old Bailey police court of being a German spy, was shot in the Tower of London yesterday.

Removes Hairy Growths Without Pain or Bother

(Modes of Today)

It is not necessary to use a painful process to remove hairy growths, for with a little delatone handy you can keep the skin entirely free from these beauty destroyers. To remove hair, make a stiff paste with a little powdered delatone and water. Spread this on the hairy surface and in about 2 minutes rub off, wash the skin and the hairs are gone. To guard against disappointment, get the real delatone.—Advertisement.

A Message To Thin, Weak, Scrawny Folks

An Easy Way to Gain 10 to 30 lbs. of Solid, Healthy, Permanent Flesh

Thin, nervous, undeveloped men and women everywhere are heard to say, "I can't understand why I do not get fat. I eat plenty of good, nourishing food. The reason is just this: You cannot get fat unless your stomach and bowels assimilate the fat-making elements of your food instead of forcing them out through the body as waste."

What is needed is a means of gently urging the assimilating functions of the stomach and intestines to absorb the oils and fats and hand them over to the blood, where they reach the starved, shrunken, run-down tissues and build them up. The thin person's body is like a dry sponge—eager and hungry for the fatty materials of which it is being deprived by the failure of the alimentary canal to take them from the food. The best way to overcome this sinful waste of flesh building elements and to stop the leakage of fats is to use Sargol, the recently discovered generative force that is recommended so highly by the world's healthiest abroad. Take a little Sargol tablet with every meal and notice how quickly your cheeks fill out and rolls of firm, healthy flesh are deposited over your body, covering each boy's ankle and projecting bold, George A. Healy dot satisfied druggists have Sargol, or can get it from their wholesaler, and will refund your money if you do not feel satisfied with the gain in weight it produces.

Caution—While Sargol has produced remarkable results in overcoming nervous dyspepsia and general stomach troubles, it should not be taken unless you are willing to gain weight. In other words, for it is a wonderful flesh-builder.—Advertisement.

Pittsburgh Company Get Order Worth \$100,000,000

Pittsburgh, June 24.—The largest order received by any firm in the United States since the opening of the European war has been booked by the Westinghouse Electric and Manufacturing Company, of East Pittsburgh. The order is so important that a conference between Herman Westinghouse, President E. M. Herr and high officials of the company, was held here Monday and Tuesday.

The order is for the construction of a new power plant at Hazelton, Pa., which will be worth approximately \$100,000,000. The order is said to be for the English, French and Russian war and naval departments.

News Items of Interest in Central Pennsylvania

Reading.—A number of additional contributions just received has swelled Reading's annual cash donation to the Nervensink Mountain Tuberculosis Sanatorium here to \$3,847, the largest ever taken up.

Hazleton.—Unable to combat the fire because of both hands having been lost in a mine accident, Jacob Gietzki, of Hazleton, suffered \$1,000 loss to his house before he could summon neighbors who were able to turn in an alarm.

Hazleton.—Dr. James A. Corrigan, who graduated from Jefferson Medical College, at Philadelphia, this month, was elected an assistant surgeon at the State Hospital at Hazleton, his home town, by the board of trustees.

Tamaqua.—Run down by an engine in the Lansford tunnel, Edward Dougherty, of Summit Hill, was so badly injured that he died at the Coal-dale Hospital.

Muhony City.—Run down by a freight train on the Pennsylvania railroad, Michael Sipple, aged 40, a miner, was fatally injured.

Allentown.—Amos Frederick, the horse thief, who last week escaped from the Allentown jail disguised as a workman whose clothes he stole, was recaptured by Warden Garman at the home of a daughter in Reading.

HAGER HELD UNDER \$2,000 BAIL

Negro Who Kept Upper End of City In Uproar to Face Court

Following a hearing last evening before Alderman Kramme, Fifth ward, Nicholas Hager, the colored "bad man" who held half a dozen policemen at bay, but finally succumbed to the persuasive powers of a fire hose stream, was held for court on charges of felonious assault with intent to kill. His bail was fixed at \$2,000. Hager's wife, Mrs. Irene Hager, whom the former threatened to kill brought the charges.

HIGH EXPLOSIVE SHELLS NOW ORDERED BY ALLIES

Specifications of a number of the contracts for ammunition placed in this country by the allies, it was reported on good authority to-day, recently have been altered so that this now call for high explosive shells, rather than shrapnel. This step was taken, so it is said, in accordance with the realization by the British government of the mistake in pinning faith upon shrapnel for the trench fighting, which monopolizes the warfare on the western front.

The Rev. Dr. John D. Fox, pastor of Grace Methodist church was the principal speaker.

WEDDING AT WRIGHTSVILLE

Wrightsville, June 24.—Miss Jeanette F. Axe, was married yesterday to Clarence H. Haas, of Youngstown, O., formerly of York county, at the manse of the Westminster Presbyterian church, the Rev. C. A. Oliver, officiating.

SUICIDE OF CATTLE DEALER

York, June 24.—Daniel E. Barnitz, a Hanover cattle dealer, committed suicide within sight of his home by throwing himself under the on-board of a Western Maryland train as it was moving away from the station. Barnitz's mind became impaired about two years ago. He was about 60 years old.

HORSES FOR BRITISH ARMY

Columbia, Pa., June 24.—Dr. Harry V. Pierce is buying horses for the English army and within the last few days purchased 56 head and is looking for more. The animals are shipped from Columbia to New York where they are placed on English boats.

WORKMAN'S ANKLE BROKEN

Columbia, Pa., June 24.—Jacob Bowers, a rolling mill employe, broke an ankle joint, when he bent his knee to stay the fall of a heavy piece of iron. The weight was too great and when the bar struck his knee one of the bones was broken and the joint of his ankle dislocated.

FIND BODY IN WATER TROUGH

Reading, Pa., June 24.—After being missing since Sunday, the body of Edward Van Aerman, of Philadelphia, an inmate of the Westmoreland State Insane Asylum, was found in a water trough on the premises of the institution a mile from the main building.

REFORMED CHURCHES TO PICNIC AT HERSHEY

All the Reformed churches of the city will be represented at the annual picnic at Hershey Park to-morrow. Special cars will leave St. John's and the Fourth Reformed churches and other specials will be run from the square at 8 o'clock.

Two baseball games will be played. Dashes, games of skill and other events will feature the big program.

EATING WHAT YOU WANT

Not to be limited in his diet but to eat whatever he pleases without discomfort is the dream of every dyspeptic.

Nobody can honestly promise to restore any stomach to this happy condition because all people cannot eat the same things with equally satisfactory results. It is literally true that "what is one man's food is another man's poison." But it is possible to select a pleasing diet from articles of food that cause no discomfort and it is possible to tone up the digestive organs. When the stomach lacks tone there is no quicker way to restore it than to build up the blood. Good digestion without rich, red blood is impossible and Dr. Williams' Pink Pills offer the best way to build up the blood. They also have a direct action on the nerves and as the nerves control the processes of digestion, these pills are especially good in stomach trouble attended with thin blood and in nervous dyspepsia.

You can begin this treatment at once because your own druggist sells Dr. Williams' Pink Pills. Perhaps you are not eating the right foods. Sometimes the very things that people eat "for their health" are the things that hurt them. A postal card request to the Dr. Williams' Medicine Co., Schenectady, N. Y., will bring a free diet book. Write for it to-day.—Advertisement.
