Sunshine Society Wants Home For Crippled Boy

The Sunshine Society would like to find a temporary boarding home for a crippled boy. The boy has just returned from an operation at the hospital and is badly in need of country air and good food to build up his body.

This is only one instance of the society's activities this summer. The work goes on. Several children are gaining health and strength at Manada Gap and are so happy there that they don't want to go home. There are all crippled. Another child, a little girl who was taken in a helpless condition to Philadelphia some months ago, has improved enough to be taken to the North American home for cripples at Atlantic City. Still another little fellow who had been suffering intense pain for some time from double hip disease is now so happy with his feet higher than his head that the doctors and nurses call him "Sunny Jim." He is going to get well, but it will take him a long time.

These are only a few of the immediate cases. Sunshine is being scattered here and there and the society stands ready to help wherever a ray is needed. People can help to scatter it, though. Clothing for a 6-year-old crippled girl is needed, and also this home in the country. If you want to help, communicate with Mrs. Homer Black, Camp Hill; phone 3432.

Miss Clara Marshbank, matron at the Y. W. C. A., is home after a delightful trip to the Panama-Pacific Exposition and points of interest in the West.

Miss Elizabeth Boher, of Second and South streets, has gone to Chambersburg to attend the wedding of Miss Margaret Greenwald.

Miss Emily Cummings, of Crescent street, left to-day for a visit with friends at Clearfield.

MISSION SOCIETY OUTING

The Young Women's Missionary Society of Christ Lutheran church will hold their July meeting this evening at Reservoir Park. The business meeting will be preceded by a supper at six o'clock. Should the weather be unfavorable the meeting will be held in the church parlors.

The Closed Season for the Bake-Oven

We have built a two-million dollar bakery with which to supply you with a perfect whole wheat bread which contains all the body-building material in the whole wheat grain prepared in a digestible form. Make our bake-oven your bake-oven during the Summer months by serving

Shredded Wheat

the life-giving, muscle-building "meat" of the wheat. It is ready-cooked, ready-to-eat. Close the bake-oven for a while and serve Shredded Wheat in many dainty, delicious combinations with ripe, luscious berries and all sorts of fruits and green vegetables. Two biscuits, with milk or cream, or fresh fruits, make a complete meal that will fit you for the day's work.

NERVOUS WOMEN

Are troubled with the "blues," anxiety, sleeplessness, and warnings of pain and distress are sent by the nerves like flying messengers throughout body and limbs. Such feelings may or may not be accompanied by headache or headache or bearing-down. The local disorders and inflammation, if there be any, should be treated with Dr. Pierce's Favorite Prescription. Then the nervous system and the entire womanly make-up feels the tonic effect of Dr. Pierce's Favorite Prescription. Take this in tablet or liquid form and be a well woman.

Carlisle, Pa.—"When I needed to be built up and get strong I used Dr. Pierce's Favorite Prescription. I was in a nervous and run-down condition. I took it for a period of six months and at the end of the treatment was much stronger and better."—Miss ANSA P. CROMLICH, 69 E. North St.

Many mothers of families in Pennsylvania have reason to be grateful to the person who recommended Dr. Pierce's Favorite Prescription. It is put up for the single purpose of curing diseases peculiar to women. Another point in its favor: it is a temperance remedy and does not contain a single drop of alcohol or of any narcotic. Its ingredients are printed on the wrapper. It banishes pain, headache, backache, low spirits, hot flashes, dragging-down sensation, worry and sleeplessness surely and without loss of time.

Why should any woman continue to worry to lead a miserable existence, when certain help is at hand?

What Doctor Pierce's Favorite Prescription has done for thousands it will do for you. Get it to-day!

The sluggish liver can be cured by the use of Dr. Pierce's Pleasant Pellets. Bileousness, coated tongue, bad breath, are all cleared up and banished by the use of these tiny sugar-coated granules—purely vegetable and harmless. They do not cause a habit.

HOW TO REDUCE VARICOSE VEINS

Many people have become despondent because they have been led to believe that there is no remedy that will reduce swollen veins and bunches. If you will get a two-ounce original bottle of Moore's Emerald Oil (full strength) at any first-class drug store and apply it night and morning as directed you will quickly notice an improvement which will continue until the veins and bunches are reduced to normal.

Emerald Oil is extensively used in hospitals and in factories as first aid to the injured. It is a harmless, yet most powerful germicide and two ounces lasts a very long time.

Indeed, so powerful is Emerald Oil that soft humors, gonor, swollen glands, varicose and wens are reduced. It is one of the wonderful discoveries of the present year and anyone who is disappointed with its use can have their money refunded. Any druggist will supply you. Generous samples on receipt of 10 cents from Moore Chemical Co., Rochester, N. Y.

HOW TO REDUCE YOUR WEIGHT

A SIMPLE, SAFE AND RELIABLE WAY

People who are over-burdened with superfluous fat, know only too well the discomfort and ridicule that over-stout people have to bear.

If you are carrying around five or ten pounds of unhealthy fat you are unnecessarily weakening your vital organs and are carrying a burden which destroys the beauty of your figure.

There is no need of anyone suffering from superfluous fat. If you want to reduce your weight in a simple, safe and reliable way, without starvation diet or tiresome exercise, spend as much time as you can in the open air, breathe deeply and get from any good druggist a box of oil of korein capsules; take one after each meal and one before retiring at night.

Welch yourself once a week so as to know just how fast you are losing weight and don't leave off the treatment or even skip a single dose until you are down to normal.

Oil of korein is absolutely harmless, is pleasant to take, helps digestion and is designed to consume the excessive fatty tissue by increasing the oxygen-carrying power of the blood. Even a few days' treatment should show a noticeable reduction in weight, footsteps become lighter, your work seem easier and a lighter and more buoyant feeling take possession of your whole being.

Every person who suffers from superfluous fat should give this treatment a trial, there is nothing better—Advertisement.
