LADIES' DAY ON THE ISLAND TOMORROW

Fair Fans Get Chance to See Indians Go After Montreal Team

President Thomas A. Fogarty, of the Harrisburg International League baseball club, yesterday announced the first "ladies' day" of the season for Friday afternoon. It is the custom of the International League clubs to hold ladies' days at various times during the season and to-morrow afternoon ladies will be admitted to gate and grandstand free. There will be no charge whatever to ladies attending the game. The Montreal club will wind up its three-day stay in this city to-morrow and a keen game is expected as the result of to-day's and to-morrow's games will determine whether Eddie Zimmerman's Indians go to third place in the league race. The ladies' day coming on a Friday afternoon will offer an opportunity for all women who enjoy the great national pastime a chance to go over to the island and see the especially interesting style of play of the International League players. The Montreal team has some notable stars in its line-up, while the Harrisburg club is not lacking in stars. Practically every man on the team is a finished player, but Kraft, Callahan, Tooley and Mowe have caught the fancy of the crowds in the early games and are the favorites. The games are called at 3:15 o'clock. On Saturday the Buffalo team will be the attraction and the first double-header of the season will be played with the first game called at 2 o'clock.

BUFFED SIGN PITCHER LAFITTE. New York, July 8.—Pitcher Gene Lafitte, who was released a few days ago by the Brooklyn Federals, has signed with the Buffalo club of the same league, it was announced here to-day.

ISLAND PARK SCHEDULE. Friday: Montreal (Ladies' Day). Saturday: Buffalo (two games). Monday: Buffalo (two games). Week days games at 3:15 p. m.; Saturday at 3:00 p. m.

Ginger. Tobacco. Chill-con-came. Also Whoop! Whoop! Yea Bo! Some games going on at Island Park. "Jimmy" Indians came back in form after one day of rest. Those Royals make speedway records when trotting over the field. Nash was Montreal's big asset yesterday. If Harrisburg wins to-day, the Indians will tie up Montreal for third place. The crowd yesterday numbered 1,413. Nearly 16,000 people in four days. Not so bad. Both home runs were clean drives. Kraft's ball dropped two feet this side of the sign board. Third Baseman Develin of the Royals was once a Pirate. He is a good hitter. Had an off day yesterday. "Harrisburg is Some City"—Duet by Umpires Brown and Hart. Friday will be ladies' day at Island Park. Admission and grandstand free. Starts to-morrow. Both Nash and Mowe gathered in some deep drives to short. They are there with long throws. Buffalo plays two games on Saturday and Monday. "Eddie" pulled off some timely stunts yesterday. Callahan was there with his wallops. He scored twice and stole second. Harrisburg's infield worked like a piece of high class machinery yesterday. Goodbred figured in the brilliant work.

League Leaders Win In Errorless Game

Providence, league leaders in the International race, won from the Buffalo Bisons at Providence yesterday, score 3 to 1. The game was an errorless one, both teams pulling off several brilliant plays. The leaders scored one in the third and the remaining two in the fourth inning. Buffalo's lone run came in the seventh. Fullenwelder and Tyson pitched for the visitors while Schultz twirled for the home club. Richmond held fifth place in the league by defeating Toronto yesterday in the Virginia town, score 4-2. Eleven hits were made on McTigue who pitched for the Toronto nine. Morrisette held the visitors to six scattered swats. The Jersey City nine and Rochester played a fast game at Jersey City, the sketeers winning 2 to 1. Huenke was in the mound for Rochester. Crutcher pitched for the Sketeers. Neither team scored in the first six innings.

Member of Legislature Plays With Montreal Team

The Montreal club has a law-maker on its roster. Kenneth Nash, former Brown twirler, later a member of the St. Louis Cards, and at present a member of the Massachusetts Legislature from Weymouth, has joined the club. He also had an offer to join the St. Paul club, of the American Association, but preferred Montreal, because of its being nearer home. Nash plays short. His work yesterday was at times sensational. He is a fast man on bases, and is in the game because he likes it.

INDIANS TOMAHAWK MONTREAL 9 TO 3

Rout Richter Early in Seventh; Home Run Drives Feature Harrisburg's Hitting

With their big tomahawks the Indians mowed down Montreal yesterday, score 9 to 3. Goodbred supplied the staff of life in the form of sizzling saliva twisters, with a total of sixteen bases, including two circuit walks, a triple and double. Harrisburg kept up a lively war dance around the diamond. The Royals put up a snappy opposition. Those boys from across the American border line were full of fight until the finish. Richter started on the firing line. His liberality early in the seventh with one man down, proved his undoing. Good was just as easy to hit. His punishment was hard. It came in a little less than two innings.

No Passes for Royals. Goodbred was in full control. Not one man walked. In six innings the Royals were retired in one, two, three order. Four hits came in three innings, and counted in two.

In the first with two men down, Smith drove a line drive to left field. He stole second and scored on Holden's single to right. In the fifth the only error in the game was recorded. Nash hit to Kraft at first. Goodbred ran over to the base to get the throw. He dropped the ball. Nash stole second and third. Richter doubled to center, scoring Nash. A wild pitch put Irelan on third. He scored on Smith's out from second to third. The next three men went out in order.

Kraft's Long Drive. Kraft started the runs for the Indians in the fourth with his home run drive to the green sign board in left field. In the sixth Callahan's single, a stolen base, an out from second to first and a wild pitch, brought one run. More came in the seventh. Goodbred was walking. Mowe put him on second with a sacrifice. Zimmerman and Tooley each had a free trip to first. Callahan cleared the bases with his triple. He scored on Kraft's out from short to third. In the eighth Witter went out at first. Heckinger singled to left. Mowe drove the ball to center for four bases, scoring Heckinger ahead of him. Zimmerman singled, stole second and scored on Tooley's double to center. The score: Montreal 9, 0, 0, 0, 0, 0, 0, 2-3; Harrisburg 3, 0, 0, 1, 0, 1, 4, 2-3.

ATLANTIC STEAMER AFIRE NEAR HALIFAX

[Continued from First Page.]

A night wireless message made public to-day, from Captain Claret of the Atlantic Transport Line steamer Minnehaha, telling that his ship was afire at sea 570 miles southeast of Halifax. The ship had sufficient ammunition aboard, by the line's admission, to sink her should the flames reach it, but whether the blaze in her hold was started by a bomb which Holt had placed there was a matter of pure conjecture. It was possible that he had done so, an official said; but one man's guess on that point was as good as another's, he added. Captain Claret's message said that the fire was in No. 3 hold and was not serious. The ammunition aboard the vessel was stored aft at an appreciable distance from this hold.

No Passengers on Board

No passengers were aboard the Minnehaha. Her crew numbered approximately 100. She was at her pier about a week, taking on cargo, before she sailed for London last Sunday, July 4. Holt made his attempt on the life of J. P. Morgan at Glen Cove last Saturday, July 3. He would have had ample time, it was pointed out, to have placed a bomb aboard the Minnehaha during the five days preceding this while the vessel was taking on cargo here.

Holt's Letter to Wife Made Public in Dallas

Dallas, Texas, July 8.—A letter written by Frank Holt to his wife was given out last night by O. F. Sensabaugh, Mrs. Holt's father. In the letter, which is believed to have been written while Holt was on his way from Washington where he had set a bomb in the capital, to Glen Cove, L. I., where he shot J. P. Morgan, Holt outlines his plans for stopping "the slaughter in Europe." The letter, which follows, was headed "Enroute" and was without date: "My dear Darling: You are the only one I can and must trust and entrust with this news. I know you are strong in your faith in God and love for your fellowmen and do therefore approve of my action. The fact that it should strike our family instead of John Smith's may seem hard, but can't be helped. One hundred times I said, like Jonah "Lord, send somebody else; but I got only one answer. Nobody else seems to be available. I have prayed and trembled and doubted and lain awake at night and thought and thought, but there is no way out of it. The slaughter in Europe must be stopped and America must stop sending ammunition. If it goes on I cannot live, for I am responsible insofar that I do not stop when I can. So I will try. "First: R. Pearce, of Washington. That is my appeal. It is a starter and may do some good. Let us pray that the people may wake up to the crime they are committing by allowing the slaughter to go on.

"Second: The steamer leaving New York for Liverpool on July 3 should sink. God will get practically the same as for the last year. Harrisburg will get \$46,335; Steelton, \$7,887.

Rich Must Participate

"If the rich of this country wish to get richer, by the European horror, they must also be ready to participate in the horror. "They say, if the Germans could buy here and ship safely they would do so. Yes, but that is no excuse for our selling them any munitions, no more than the allies. We must stop it.

"I asked the Blozers to deposit at First National Bank. They owe \$10.75 in July and \$12.50 for August. "This is my last letter before the Glen Cove affair. My heart is with you and my babies and all the family in Dallas. I am sorry if a great blow should fall on all of you, but hope that God will avert it. He knows best. I cannot do otherwise.

"I see that at 11:30 last night I heard right. Let us pray that it was not in vain. Am so glad it cost no lives. Did not know anybody would be on the upper floors at night.

"Well, good-by, my sweet darling. Bring up our children in the love of God and man and be strong and kind. "Your affectionate, "Frank."
