SALARY CUT NOT BEING CONSIDERED

Schedule to Remain Unchanged Also Says International League President

Special to The Telegraph Newark, N. J., July 9.—President Edward Barrows, of the International League, said that he understood that a proposition to reduce the salaries and possibly curtail the playing season had been under discussion by some of the minor league executives. He stated that he thought the proposed plan, if adopted, was to be confined to class A and lower leagues. "I was not aware," he said, "that any of the 'double A' leagues were considering such a move. Certainly the International League is not planning to reduce players' salaries or curtail the league season, which is scheduled to close on September 18."

FAIR FANS BEAUTIFY STANDS ON ISLAND

Ladies' Day Attended by Hundreds of Girls and Women Anxious to See Indians

Hundreds of the fairer sex, who, by the way, are baseball fans also, took advantage of the offer made by the management of the Harrisburg Indians to see the team play the Montreal Royals in the International League this afternoon. The stands were crowded with girls and women, who went through the outer gates and up on the grandstand free of charge as guests of the Indians. To-day's game was the wind-up of the series with the Canadian town. Yesterday's game was called off and will probably be played in August, when the Montreal team comes to this city for another series. To-morrow and Monday the Buffalo Bisons will be the attraction, with two double-headers scheduled.

WAGERS WIN TRUSTING TO GOOD LUCK OMEN

Lay Their Coin on "Sun God" When Rainbow Shone Through the Rain

Special to The Telegraph New York, July 9.—Racegoers are nothing if not superstitious. This characteristic proved of value to many of the patrons of the Aqueduct track during the running of the last race yesterday. Rain had been falling heavily while the horses were on the way to the post, and the start had scarcely been effected when the sun came out suddenly and a brilliant rainbow appeared on the horizon. In a twinkling some of the crowd yelled: "Sun God will win; there's an omen of good luck." Several of them turned to layers who were standing on the lawn and made bets on the colt. Whether the rainbow had any influence on the speed of Sun God or not is problematical, but Sun God increased his speed, and, with a well-timed rush, won the race by half a length. The victory of Sun God was a sop of comfort to Captain E. B. Cassutt, the colt's owner, for the defeat of the Flying Fairy in the fourth race, the Willett handicap, distance 1-16 miles. Flying Fairy and Sun God are stablemates. Flying Fairy led the seven furlongs, but it was only on surference, Bayberry Candle raced under a stout pull two lengths behind the leader until opposite the old field stand. At that point Butwell's Bayberry Candle her head and she galloped to the front and won by three lengths.

Blue Birds Sign Two Canadian Indian Braves

Special to The Telegraph Hagerstown, Md., July 8.—Determined to put more ginger into his team, Manager Joe Laughlin of Hagerstown Blue Birds has signed two Indian players from the Canadian league, which just closed the season. J. R. Jocks, a Cherokee from Montreal, reported here yesterday and accompanied the team to Gettysburg to play in the infield. Chief Menken, a member of the Sioux tribe, who played in the Canadian league for several years, will join the Birds in a day or two, probably in Hanover on Friday. Menken is a catcher and has some reputation. The Frederick team, which seems to have first place in the Blue Ridge League clinched, has been winning largely because of the superior pitching of Bill King, Fredrick's pitcher, who school lad, has won ten straight games while Stevens has taken about the same number. It is reported that Manager Morrison of the Frederick team has communicated with Connie Mack of the Athletics relative to signing King. Tracey and Carney, two infielders from Philadelphia, have joined the Chambersburg Maroons. The newest recruit pitcher, Hubbard, of the Maroons, is on the sick list.

Richmond Gains Half Game on Harrisburg

The Richmond team gained half a game on the Harrisburg Indians yesterday when the local boys were forced to remain idle. By defeating the Toronto Maple Leafs, score 12 to 5, the Virginia nine tied the Indians for fourth place honors. The Richmond team got an early lead scoring eight runs in the opening inning. After the first frame was hung on the board all hope commended the Toronto forces. All of the other teams in the league were unable to play owing to the rain. To-day's schedule is the same as the one of yesterday.

STIFF FOOTBALL SCHEDULE

Special to The Telegraph Chester, Pa., July 9.—Coach "Bill" Hollenback, of the Pennsylvania Military College football team, is already planning for the season, and promises a squad that will be a credit to the military institution. A harder schedule than ever has been arranged, and some of the best smaller colleges are included, as follows: October 2, U. of P. Scrubs; October 16, Delaware College, at Newark, Del.; October 23, Maryland Agricultural College, at Washington, D. C.; October 29, game pending with several colleges; November 6, Susquehanna University, at Chester; November 13, St. Joseph's College, at Chester; November 20, Lebanon Valley College, at Chester; November 25, St. John's Military College, at Chester. Eddie Cramp will captain the team.

THROW OUT CHIEFS JUNE 19 VICTORY

Special to The Telegraph Chicago, July 9.—The victory credited to the Chicago Federals over Baltimore on June 19 was thrown out to-day by President Gilmore, who upheld the protest of Manager Knabe and ordered the game played over. Knabe charged that a Chicago player giving up an attempt to reach the home plate went to the bench but later, illegally, got up and touched the base, whereupon he was allowed a run.

DUNN RELEASES WORKS

Special to The Telegraph Richmond, Va., July 9.—Manager Dunn, of the Richmond Internationals, announced that he had obtained Catcher Reynolds from Jersey City. Dunn also announced that he has released Pitcher Ralph Works, a former big leaguer.

GOLF CHAMP BEATEN

Kentucky Expert Handed Big Surprise in Central States Tourney Indianapolis, Ind., July 9.—The biggest upset of the Central States Golf Association tournament occurred in the third round of thirty-six holes yesterday when John Marshall, Jr., of Louisville, 1914 Kentucky champion, lost to Ed Zimmer, of the Riverside Club, Indianapolis, 6 up and 5. Marshall had played consistently good golf throughout the meet and was expected to at least reach the semifinals today.

M'CONNELL WINS NINTH

Special to The Telegraph Chicago, Ill., July 9.—George McConnell won his ninth straight victory today, shutting out Kansas City, 4 to 0. Chief Johnson also pitched an airtight game, but a wild throw by Eastery let in two runs in the second and an error by Rawlings helped another around in the sixth. Only one Kansas City man reached third base.

LEADERS OF DAUPHIN LEAGUE TO MEET

Marysville Looks Like Winner; Will Drop Hard If a Loser

Marysville, Pa., July 9.—Millersburg and Marysville, the two leaders of the Dauphin-Perry League, will line up here on Saturday in their last regularly scheduled contest of the season. Both teams are in a bad slump, but it looks as if Marysville has the better chance of winning. In case Marysville wins, she will advance to within a game of the leaders, but if she loses she will probably drop to third or fourth place. Manager Platt hopes to play Branyan this week. Last week Branyan was kept out of the game because a former athletic director of the team had withdrawn his name before the opening of the season. Rumor here has it that the athletic directors are angling for a prominent Central Pennsylvania League star, but this report cannot be verified. If Branyan does not play, the team will line up as it did on Saturday afternoon, with the exception of one change. Hart and Rippensteel will start the game as Marysville's battery, with Franke and Fry will probably be the Millersburg choice.

WALKED 20 MEN IN 8 INNINGS, STILL HOLDS JOB

Minneapolis, Minn., July 9.—Harry Harper, of Hackensack, N. J., twirler for the Millers, of the American Association, is still in the league today, although he walked twenty St. Paul men in Monday's eight-inning game at St. Paul. The record is believed to equal the world record and broke American Association records.

MONTREAL GETS CADORE

Brooklyn has released Pitcher Leon Cadore to Montreal of the International League. He was cut off, it was stated, to make room for the signing of Joe Schultz to the eligible list. To make room for Cadore the Montreal club released Elmer Koestner. Montreal may dispose of Frank Miller to the New York Yankees, who are said to also want Outfielder Paul Smith. The Boston Braves, it is said, also have made offers for Miller.

SCHMIDT SPOILED HIS RECORD

When Schmidt muffed Maranville's perfect throw in the first inning of the Phillies-Braves game on Saturday, he broke a marvelous record. It was the first time since late in 1913 that Schmidt had dropped a throw that was good enough for an official scorer to charge him with an error. There is no record of any other first baseman, or any other player going so long without a muff.

KELCHNER TO MANAGE LOWELL

Special to The Telegraph Lowell, Mass., July 9.—Charles L. Kelchner, formerly a scout for the New England Americans, has been appointed manager of the local team of the New England Baseball League. It was announced to-day.

RICHMOND TO REMAIN

Special to The Telegraph Baltimore, Md., July 9.—Jack Dunn, manager of the Richmond International League team, who brought home his son, taken suddenly ill in Richmond Tuesday, has signed up a new player. Dunn says that Richmond will stick in the league, no matter what happens.

LANNIN REINSTATES LEONARD, REMITS FINE IMPOSED ON HIM

Special to The Telegraph Boston, Mass., July 9.—President Lannin, of the Red Sox, has reinstated Leonard and also has paid the southpaw for all the time he was under suspension and remitted the fine imposed at the time of his suspension. The action of the Boston owner probably is ill advised, for the reason that Leonard deserved much punishment for his action, and he should not have been allowed to get away with the charges he made without paying for the use of his tongue.

MAY MOVE NEWARK FEDS

Special to The Telegraph Newark, N. J., July 9.—Dissatisfied with the transportation facilities to and from the Newark Federal League Club park in Harrison, Harry F. Sinclair, principal owner of the club, to-day declared himself as considering the transfer of the team's franchise to another city. He made known his position before officials of the Public Service Railway Company at a conference held in this city. In the talk of taking the Pops away from Newark, frequent mention of Boston as their next stopping place has been heard.

Twin Tires?—No One's a Goodyear as It Might Be The Other Costs Us \$1,635,000 More

This is to prove that you can't judge tires by looks. Here are two Goodyear tires, seemingly identical. But one is built like many of its rivals. Goodyear extras are omitted. The other has those hidden values. And those unseen extras, on this year's output, will cost us \$1,635,000. This year's betterments alone add to our cost \$500,000 yearly. Yet our 1915 price reduction saves our users about five million dollars.

No Price Excuse This is not a price excuse. Goodyear prices have been fairly racing down. Our late big reduction made the third in two years, totaling 45 per cent. No equal tire can compete
