BAN JOHNSON HAS NO FEAR ABOUT FEDS

Claims Outlaws Are Doing What They Ask Judge Landis to Prevent

Chicago, Ill., July 26.—President B. Johnson, of the American League, returned from St. Louis yesterday, but he had nothing to give out in regard to the umpire feud.

"Why it is almost unbelievable. The Federal League is doing exactly what it asked Judge Landis to prevent. They went into court praying that organized baseball be enjoined from interfering with the players and business of the Federal League.

"I might say that the Federals will find it pretty tough sledding in getting players. All our good men are under long term contracts, and besides, I do not think that very many players will be foolish enough to jump. The Federals can offer nothing, and I repeat that they cannot succeed.

Release Russell Ford; Inventor of Emery Ball

Buffalo, July 26.—Russell Ford, inventor of the "emery ball," last season the foremost pitcher in the Federal League and star of the Buffalo Federal twirling staff, has been given his unconditional release by Manager Harry Lord.

Inability to make good without the emery ball, which has been put under the ban by the Federal League at the decision of last season, caused his release. Ford has won only two games so far this season.

Last year, while using the famous emery ball, which put him among the leading pitchers in the American League before he jumped to the Federals, he won twenty-one games and lost seven.

Ford did not break into the winning column this year until July 4, and even then, after being given a six-run lead, he was knocked out of the box. He has figured in a dozen or more defeats.

Ford pitched for the Atlanta team in the Southern League in 1908 and for the Yankees a few years ago.

TAYLOR EASY FOR WILLIAMSON

Baltimore, July 26.—Kid Williams, of Baltimore, outclassed Jimmy Taylor, of New York, and was given the decision in a fifteen-round bout at Terapin Park, here, Saturday.

Ability to take punishment was about all that Taylor had to show. At no stage did he display any aggressiveness, and in the last five rounds he spent most of his energy in trying to cover and hold.

EVEN BREAK GIVES PROVIDENCE SERIES

Joe Chabek Loses His First Home Game After Hard Fight; Lee Wins Out

Providence quit the city Saturday, winner in the series with Harrisburg. The Grays were the first team to accomplish this feat. The Indians won the first game in the eleventh in time-limits, score 8 to 7. The second went to Providence, score 4 to 2.

In the first game, Lee was it, up to the ninth inning when Providence came back with a quartet of runs tying up the score. Harrisburg in the eighth had a rally that looked like putting the game on ice. The eleventh inning brought another rally and victory.

In the second contest Joe Chabek lost his first home game. He and Schultz worked hard for six innings when each team scored a run. Thorpe with his home run brought the answer for Harrisburg. Bunches of hits in the seventh and in the ninth gave the Grays a lead that could not be overcome. Harrisburg got one man over the plate in the ninth. The scores:

INDIANS MOVE UP IN HOME BATTLES

Two Players Have Reached High Mark in Batting; Chabek Is Best Pitcher

No International League baseball in Harrisburg for three weeks. At least that is what the schedule shows. President Thomas Fogarty may land something extra, but it is not a certainty, as the jumps home would be too long. Harrisburg and Providence played to more than 6,000 people on Saturday. The team opens at Rochester to-day.

The Indians have not only been a big attraction in Harrisburg, but the patronage has been a big factor in boosting the players to stronger efforts pennantward. The team has picked up in averages during its home games. The Indians now have nitters showing a 300 pace.

Witter up to last Wednesday was batting at .306. Zimmermann is next with .304. Kraft has moved up to .294. Others who show improvement and are battling between .250 and .300 are Mensor, Tooley, Callahan and Heckinger.

Chabek leads the Harrisburg pitchers with 11 games won and four lost. Schacht is next with 11 won and seven lost. This boy, however, claims he is entitled to two other games, which official scorers gave to other pitchers. Harrisburg is seventh in club batting and sixth in club hitting.
