GERMANS BELIEVED TO HAVE LOST 500,000 MEN London, July 28, 12:27 P. M.—Though the Germans now hold a great line from the Gulf of Riga sweeping southward around Warsaw, thence encircling the city and stretching away to the Galician frontier, near Sokal, it is estimated they have lost 500,000 men, perhaps more, in this the most ambitious movement of the war, and the Russian front is not yet broken on the Narew river, north of the Polish capital.

Tiny Velvet Roses in Bunches 19c All light colors; value 75c

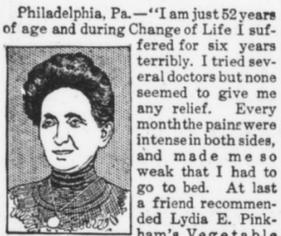

RUSS FORCES HOLD GERMANS IN CHECK [Continued from First Page.] Nicholas have taken the offensive successfully at several points. The German attacks along the river Narew have been checked and along the river Bug the Russian soldiers are holding firmly. On the other hand, German troops under Field Marshal von Mackensen have made progress toward the Lublin-Chelm railroad. In the southern area of Russian Poland, between the Vistula and the Veprez, the operations would appear to have reached a temporary standstill. As an offset to this inactivity the Germans are widening the sphere of their hostility toward the east. Captain Eugene Delk, of the American steamer Leelanaw, sunk by a German submarine off Scotland July 25, reports from Aberdeen that he and his crew were treated with the utmost courtesy by their German captors. They traveled sixty miles on the deck of the submarine and were then sent into Kirkwall in their own lifeboats. The owners were C. C. Johansson of Kalmur.

WILSON PLAYS GOLF

By Associated Press. Cornish, N. H., July 28.—President Wilson was out on the golf links early today for a game with Dr. Gary Grayson, his naval aid and physician. He planned to work later until time for the informal tea arranged for this afternoon by Miss Margaret Wilson in honor of members of the artist and author colony of Cornish.

MRS. THOMSON TELLS WOMEN

How She Was Helped During Change of Life by Lydia E. Pinkham's Vegetable Compound. Philadelphia, Pa.—"I am just 52 years of age and during Change of Life I suffered for six years terribly. I tried several doctors but none seemed to give me any relief. Every month the pain were intense both sides, and made me so weak that I had to go to bed. At last a friend recommended Lydia E. Pinkham's Vegetable Compound for what it has done for a woman's friend. You are at liberty to use my letter in any way." Mrs. Thomson, 649 W. Russell St., Philadelphia, Pa.

Change of Life is one of the most critical periods of a woman's existence. Women everywhere should remember that there is no other remedy known to carry women so successfully through this trying period as Lydia E. Pinkham's Vegetable Compound. If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Roosevelt Again Scores

Advocates of "Peace at Any Price" San Diego, Cal., July 28.—Advocates of peace at any price were scored by Colonel Theodore Roosevelt here last night, when he addressed a large crowd at the Panama Exposition. Mr. Roosevelt's address, came as a climax to Roosevelt Day at the exposition. After holding a reunion with 77 members of his former Rough Riders Regiment, Colonel Roosevelt visited one of the attractions at the exposition where live several bands of Indians. He exhibited much pleasure at a ceremony of christening a new-born Indian boy "Theodore Roosevelt."

"If after his Gettysburg address, Lincoln had listened to those who said that war is the worst of all the evils, we would not be here to-night," said Colonel Roosevelt. "It's absurd when we say we want war. I'm an extremely domestic man. But should there be war, I and my four sons would go to it. We should be prepared. We should have a standing army of 200,000."

Business and Professional Men Organize Branch

Last night at 10 South Court street, a large number of colored professional and businessmen of the city met and organized a local branch of the National Businessmen's League of which Dr. Booker T. Washington is president. After the organization it was decided to hold a meeting in the auditorium of the Capital Street Presbyterian church on Tuesday evening, July 3 to enroll membership and hear addresses from noted speakers who will be invited. The National organization meets this year in Boston on the 18th of August, at which time the local branch will be represented. Following are the officers elected last evening: W. H. Craighead, president; W. H. Strothers, vice president; Daniel H. Potter, Jr., secretary; Harry Burrs, treasurer; Stephen J. Lewis, auditor and C. J. Toomey, registrar.

REFORMED SALEM MEN TO TAKE BIG AUTO TRIP

Members of the Men's Brotherhood of Reformed Salem Church, have planned an automobile trip and outing for Friday. Occupying ten automobiles, fifty members will auto to Gettysburg. They will leave Harrisburg at 7:30 in the morning. The trip will include a ride over the historic battlefield. A stop will be made at the Reformed Orphanage at Littlestown for luncheon. York will also be visited. A stop will be made at Lancaster in the evening for dinner. The route to Harrisburg will include Elizabethtown and Middletown.

LIME STARVATION Causes Tuberculosis

In the Medical Record (New York) of December 15, 1909, Dr. John P. Russell says: "The condition which is recognized as preceding the active development of tuberculosis in the adult may be considered as due to lime starvation. Among inorganic substances lime salts appear to be of special physiological importance, but if the salts are not in organic combination, it is difficult to suppose that the cells can appropriate them for food." Years of widespread use confirm our belief that the success of Eckman's Alternative in tuberculosis is due largely to its contents of lime, in such combination with other valuable ingredients as to be easily appropriated by the cells. Doubtless this has had much to do with the results in many cases which appear to have yielded to it. As it contains no opiates, narcotics or habit-forming drugs, it is safe to try. Your druggist has it or will get it. Eckman Laboratory, Philadelphia, Advertisement.
