## GERMAN SERMON AT LYKENS VALLEY CAMP

### The Rev. O. G. Romig Will Speak at United Brethren Meeting at Elizabethtown

Special to The Telegraph  
Elizabethtown, Pa., July 29.—Lykens Valley United Brethren Campmeeting began last evening at this place. The Rev. D. D. Lowery, D. D., of Harrisburg, conference superintendent, has general supervision of the services. The opening sermon was preached by the Rev. S. L. Rhoads, of Elizabethtown, on the theme "The Kingdom of Christ."

The early worship at 6.30 this morning was conducted by the Rev. J. E. Keene, of Lancaster. At 8.30 the prayer and praise service was in charge of the Rev. J. F. Brown of Shamokin. At 10 o'clock the sermon was preached by the Rev. R. S. Arndt, of Adamsdale.

Thursday will be "Communion and Old People's Day." The sermon in the morning will be preached by the Rev. D. D. Lowery. In the afternoon the Rev. O. G. Romig of Tower City, will preach a German sermon to the old people, and in the evening the Rev. I. H. Albright of Middletown, will deliver the discourse.

The singing of the Camp is in charge of the Rev. E. A. G. Bossler of Harrisburg and Mrs. Bossler presides at the organ. The officers of the camp are: President, I. T. Buffington; secretary, J. K. Bertsfeld; superintendent of boarding house, A. M. Romberg.

## FOUR HURT IN AUTO ACCIDENT

Special to The Telegraph  
Waynesboro, Pa., July 29.—Striking a stone pile on the Emmitsburg pike when about to pass another machine, the automobile of David Reifender, of Taneytown, turned turtle, injuring four of the party. Those in the machine were Mr. and Mrs. David Reifender, three children and Mr. Reifender's mother, who is about 75 years old. The elder Mrs. Reifender was bruised and cut and the wife was also badly bruised. Mr. Reifender, who has but one arm, was severely injured about the head, neck and back.

## FINISHING SCHOOL BUILDING

Special to The Telegraph  
New Cumberland, Pa., July 29.—Brick masons are getting along well with the new Bellavia schoolhouse. It will be a four-story building and work is being pushed rapidly.

## HOME FOLKS.

### What Our Neighbors Say.

Union City, Pa.—"I got run down and lacked tone. I read about what a good medicine Dr. Pierce's Golden Medical Discovery is, so I made up my mind to try some. I began taking it and was surprised that it built me up so fast. I did not need any after the first bottle. It is the finest medicine of its kind on earth. When I use any pills for indigestion and constipation I always use the 'Pleasant Pellets.' They relieve me and seem to tone up the system in the stomach and other parts. I like Dr. Pierce's remedies the best of any.—Ma. E. O. SEWERS, Union City.

Doctor Pierce's Golden Medical Discovery cures diseases of the stomach and organs of digestion and nutrition. It increases the assimilative powers, and purifies and enriches the blood. When diseases of organs remote from the stomach are caused by the stomach, the cure of the stomach results in the cure of the other diseases, in heart, lungs, liver, kidneys, etc.

Sold in either tablet or liquid form. If your dealer does not keep a sugar-coated tablets, send 50 cents (in stamps) for a box. It is the world's proved blood purifier. It's not a secret remedy for its ingredients are printed on the wrapper. Start to take it to-day and before another day has passed, the impurities of the blood will begin to leave your body through the liver, kidneys, bowels and skin. In a few days you will know by your steeper nerves, firmer step, keener mind, brighter eyes and clearer skin that the bad blood is passing out, and new, rich, pure blood is filling your arteries.

The same good blood will cause pimples, acne, eczema and all skin eruptions to dry up and disappear.

## ORANGE AND BLACK FOR AUTOMOBILES

### New Style of License Tags Will Be Ordered For Pennsylvania Next Year

## ENAMEL WILL NOT CRACK

### Tags Will Display Black Letters and Figures on a Background of Orange

The color for automobile license plates for Pennsylvania for 1916 will be orange with black letters and figures thereon. State Highway Commissioner Cummings' department will advertisements inviting proposals for furnishing automobile plates, dealers' plates, trailer plates, truck plates, traction engine plates, traction engine dealers' plates, motorcycle plates and licensed automobile drivers' badges. These bids will be opened on August 10.

Chief Engineer Uhler has revised the specifications for automobile plates and Pennsylvania's 1916 plates will be different from any others heretofore issued by the Department. The form of the plate is a flexible enamel. This will permit the bending of the plates without cracking the enamel and will prevent it from chipping off. The figures and letters on the plates are to be made from what is known as 20 gauge rolled sheet steel, to be lined and buffed to remove all scales and then to be enamelled with the highest grade flexible enamel. This will permit the bending of the plates without cracking the enamel and will prevent it from chipping off. The figures and letters on the plates are to be made from what is known as 20 gauge rolled sheet steel, to be lined and buffed to remove all scales and then to be enamelled with the highest grade flexible enamel. This will permit the bending of the plates without cracking the enamel and will prevent it from chipping off.
