THAT perfectly built and neatly finished furniture at moderate prices is one of the advantages of our semi-annual Furniture Sales is evidenced by the character of these Bureaus, Chiffoniers and Princess Dressers at \$12.95. They are shown in golden oak, mahogany and bird's-eye maple and are the highest type of designing. Mirror backs, case backs and drawer bottoms (parts so often skimped in inexpensive furniture) are of 3-ply stock so they can't split or warp. And no paint stains or finger marks are seen in the interior work—evidence of skilled and careful workmanship. Bedroom pieces of such quality are impossible elsewhere at such low prices. Only a big outlet such as provided by our combined stores could buy to such advantage from the manufacturers.

TRAIN SMASHES AUTO; HARRISBURGER DEAD

[Continued From First Page.] ed to the bedside of Mr. Meyers and administered the last rites. The others who were injured are Calvin Mengle, 35, Reading, owner and driver of the car, bruises and shock, and Mrs. G. J. Karkle, 44, Reading, internal injuries.

Smash-up Victim Helper in Rutherford Yards; Son at Mother's Bedside

William L. Myers was employed as a helper, running out of the Rutherford yards. He was a trainman and fireman, filling the latter position more frequently because of the demand for

extra firemen. There were times when he had a long layoff at Reading. On these occasions Mr. Myers would visit relatives and friends in nearby towns. He was visiting with his wife and family at Moslem yesterday and expected to return to Harrisburg tonight.

Mr. Myers has been in the employ of the Reading company for seven years. His eldest son, Augustus, was employed at the Rutherford yards at night and was at work last night when he received word about his father's death. He went to Reading at midnight. Arrangements for the funeral have not been announced. It is probable that the body will be sent to Harrisburg to-night and funeral plans will be announced later. The son remained in Reading to-day because of the serious condition of his mother.

Pope's Appeal to Rulers to End Carnage in Europe

Rome, July 31. — Pope Benedict yesterday issued the following, urging the rulers of Europe to end the war: In the holy name of God, our Heavenly Father, and the Lord Jesus, whose blood was given as the price for human salvation, we beseech you whom Divine Providence has placed at the head of the belligerent nations to end the bloody carnage which for a year has dishonored Europe. Brotherly blood is shed on land and sea. The most beautiful regions of Europe, this garden of the world, are strewn with dead and ruins. Where once smiled factories and vineyards and fruitful yards are now only the frightful guns of war pouring forth their ruin and death. The abundant wealth wherewith our

Creator endowed these lands enables you to continue the war, but at what a price! Thousand of young lives are being snuffed out daily. Shall the ruins of so many cities and villages and monuments erected by genius in commemoration of the faith of our forefathers answer the bitter tears shed within the privacy of home or at the foot of altars? No, that cannot be. The price of the struggle is too high. On the sad anniversary of the outbreak of this tremendous conflagration an ardent plea arises from our hearts for a sudden cessation of hostilities. The longer we cry for peace, the more loudly may this cry reach the people of neutral countries and their rulers, inducing them to higher councils. Why should not the rulers of the warring Powers begin now to exchange views with the idea of ending the conflict? Blessed is he who shall first raise the olive branch. You are assuming before God and

man tremendous responsibility. O, warrior warriors, heed our prayer! Hark to the paternal voice of the Vicar of the Eternal and Supreme Judge before whom all shall be called to account. BENEDICT XV, P. M. Interned German Ships Labeled For Debts San Francisco, July 31.—Two German schooners, the Neptune and the Atlas, interned in Oakland harbor since the commencement of the European war, were seized to-day by James B. Holohan, United States marshal, upon libels for \$19,539 and \$5,098, respectively, issued by the United States District Court. The vessels were owned by the Ja-luit Gesellschaft, of Hamburg, Germany. The libel actions were commenced by Williams, Dimond and

Company, to recover money they advanced for the crew's wages and for maintenance. TWILIGHT SERVICES Special to The Telegraph Dauphin, Pa., July 31.—Twilight devotional services will be held tomorrow evening at seven o'clock at the cottage of Mr. and Mrs. William Worcester on the mountainside. The Rev. Robert F. Stirling, pastor of the Presbyterian church, will be in charge. Fifteen minutes before the devotional service a song service will be held. TO HOLD LAWN FETE The Ladies' Aid Society of the Enola Methodist Church held its annual meeting at Summerdale Thursday. Luncheon was served at 4 o'clock in the afternoon. Monday, August 9, a

social will be held on the lawn of C. Mellinger, Columbia road, the proceeds to be used for the parsonage fund. GERMAN FERRIES WITHDRAWN By Associated Press London, July 31.—All German ferries between Sasonitz, on the west coast of the island of Rugen, and Trefleborg, the southern most town of Sweden, have been withdrawn as the ships are being used to convey large drafts of troops to the Russian Baltic provinces according to the Stockholm correspondent of the Morning Post. TO TAKE AUTO TRIP Albert E. Burkholder, foreman of the Telegraph composing room, will spend his vacation visiting Central Pennsylvania points, including an auto trip to Lebanon and elsewhere.
