ALL TROUBLES END WHEN LEADERS MEET

Games Protested in Dauphin-Perry League Go Back on Schedule; New Umpire Ruling

Troubles in the Dauphin-Perry League were aired at a meeting held last night, at the courthouse. Dauphin was represented by a number of prominent citizens who expressed a desire to see fair play. They asked to have the two protested games in which Dauphin played, thrown out, and an order given to play them over.

This was agreed to without much opposition. The last game which Dauphin won from Millersburg was scheduled for September 4. On September 18, the game played at Dauphin last Saturday, with Marysville, will be a part of a double-header.

Dauphin is handicapped because of contract jumpers. It was agreed to permit certain players in the Dauphin team. Hoover was reinstated under the five-game rule. It was also decided to place the selection of umpires with President Eubendall. He will select the men for each game, and will not announce his selections until time for the games. As a result of the games thrown out last night, Duncannon takes the lead. The revised standing follows:

	W.	L.	P. C.
Duncannon	9	6	.600
Marysville	7	5	.583
Millersburg	7	5	.583
Newport	8	7	.533
Dauphin	5	7	.417
Halifax	4	10	.286

Dauphin-Perry League Notes

For the first time this season, Millersburg now has no claim to first place, Marysville holding down that coveted position with Duncannon a close second.

Millersburg continues to skid, having dropped six in a row after winning seven straight games.

Baller, Halifax's receiver, took revenge on his former Newport teammates, when he pounded out three hits off Wertz, which produced enough runs for Halifax to vanquish her opponents.

Rote and Wrightstone, the New Cumberland Central Pennsylvania League Collins and Harry played with Millersburg last Saturday.

Cummings broke into the game again with Duncannon at centerfield after being out since June 5.

"P" Hunter, of Duncannon, is some utility man. In the early part of the season, he worked back of the bat; later, he substituted at second base and last Saturday, he held down right field. His big war club makes him a valuable man to have in the line-up at almost any position.

Brownie Ziegler, of Newport, is getting his eye on the ball now. Duncannon was hitting poorly, but in the last three games, he has slammed out five hits. This should fatten his batting average somewhat.

Peale did mound duty for Duncannon last week, after he had gone to his home in the western part of the State, declaring that he was through with Duncannon.

Mark Adams and Lefty Wertz, both ex-Tri-Staters, engaged in a lively pitching duel in the Halifax-Newport game last Saturday, each allowing but six hits, Adams was tighter in the pinches and won out.

Morris Williams Wins; Plays McLaughlin Thursday

Boston, Aug. 4.—Hard and accurate hitting yesterday won for R. Norris Williams, 2d., of Philadelphia, the national lawn tennis championship, a place in the final of the Longwood challenge tournament to-day.

Williams will be opposed by Nat W. Niles, of this city, and the winner will meet Maurice E. McLoughlin, of San Francisco, present holder of the cup, on Thursday.

In a semifinal match with Wallace F. Johnson, of Philadelphia, Williams lost the first set, winning only two games, but then captured three sets, allowing his opponent only two games.

EAST END URGES AGREEMENT FOR LOCAL CHAMPIONSHIP GAMES

Plan Series of Three Contests; Change of Umpire For Each Battle; Winner to Play For Police Protection

East End officials met last night and decided to submit to the management of the West End A. C., to-day, an agreement for a series of three games. The East End A. C. has for some time questioned the right to West End's claim as champions. They want it decided on the field.

The agreement calls for three games, one at West End A. C. grounds on Saturday, August 7; second game on East End field Saturday, August 14;

and the third on a neutral field August 21. Police protection is to be provided at all games, and expenses to be paid by the team winning the championship.

It is also recommended that the umpire be neutral and furnished by sporting writers on two local papers. The names of the umpires are not to be made public until the day of the games; and there are to be new umpires for every game.

McFarland Signs Contract to Fight Mike Gibbons

Special to The Telegraph

Chicago, Aug. 4.—At Kenosha, Wis., yesterday Packey McFarland, of Chicago, and Mike Gibbons, of St. Louis, signed articles for their battle at Brighton Beach, N. Y., September 11. The purse to be divided by the boxers amounts to \$32,500 and is said to break the record for one offered for a no-decision match.

The bout will mark McFarland's return to the ring after an absence of two years, but it is said he has been working steadily and will have no trouble making the 147 pounds set in the articles. The weight is between the welter and middle limits, so no title is involved in the outcome, but the skill of the boxers make the bout of importance.

Gibbons will return to St. Paul to begin his training with light work. Both men agreed to be in New York at least a week before the date of the bout.

Woman Tennis Champion of Norway in Tourney

Special to The Telegraph

The ninth annual tennis tournament for the Championship of Southern Pennsylvania will open at Bedford Springs, Pa., August 17. This tournament, which is open to all, carries, besides the Bedford Springs Challenge Cup, handsome prizes for men's singles, mixed doubles, and consolation in all events.

Miss Bjurstedt, the Norwegian tennis crack, has signified her intention of being present.

She became champion woman player of Norway at the age of 16, easily carried off the woman's championship at the last Olympic games held at Stockholm.

Since Bjurstedt has met and defeated many notable American players.

Last March after but one day's practice, she won from Miss Force, and other good performers at the Seventh Regiment Armory, New York. She finished the finals from Miss Marie Wagner, title holder for the previous years. Miss Bjurstedt was also the winner of the Ladies' National Singles Championship this Spring.

Percy D. Siverd, the present holder of the Bedford Springs Challenge Cup, will defend his title for the third time, having already held the cup for two seasons.

Vanity Wins Race; Resolute Towed Ashore

Special to The Telegraph

Newport, R. I., Aug. 4.—Boisterous weather virtually disintegrated the racing contingent of the New York Yacht Club cruising squadron yesterday. Starting for Newport from New London in the forenoon of Fisher's Island, the yachts bumped into a cross sea and a twenty-five knot east wind, which at once put several yachts out of commission through breaks and strains of various sorts, and drove other craft to seek the shelter of a harbor.

Chief of the disabled vessels was the Resolute, one of the America's cup candidates, which met with an accident to her top hamper and was towed to port.

The Vanitie finished at 3:15 o'clock, after a tresh of thirty-eight miles. The Enchantress was the second boat to finish. The Samuri and the Grayling, of the fifty-footers, finished in order.

The Vanitie gains the credit of a victory, since once a yacht crosses the starting line in a race she must keep herself together and loses the contest if she leaves it, as did the Resolute.

Captain Johnny Evers in Fight With Umpire Clarke

Special to The Telegraph

Pittsburgh, Pa., Aug. 4.—Captain Johnny Evers, of the Boston Braves, was mixed up in another public exhibition of temper yesterday during the double-header between Boston and Pittsburgh. In the third inning of the second game, Umpire Emile made a close decision on a runner at first and it appeared as if Schmidt had beaten Collins to the bag on a ground hit, but Emile said he was safe. Evers and Schmidt became furious at the umpire and Evers was banished.

Johnny walked over to the Pittsburgh bench and took a drink of water before leaving. Fred Clarke, of the Pirates, called to Quigley to put Evers off the field before he could get another drink. Evers playfully threw some water at Clarke, who became angry and the men immediately became embroiled in a battle in full view of several thousand spectators. After a severe exchange of blows the men were separated and went to the clubhouse.

TWO GAMES WITH BISONS TODAY; PLAN BIG HOME SERIES PROGRAM

Indians Will Be Busy With Double-Headers and Special Days; Anxious to Return With Good Record

As a result of an agreement made yesterday Harrisburg will play two games with the Bisons at Buffalo to-day. Manager Eddie Zimmerman is anxious to win both games, and will use Schacht and Enzmann. The only games played in the International League yesterday were between Providence and Montreal. They broke even.

In a telegram to Secretary William R. Douglas, President Thomas Fogarty says the Indians are traveling a fast pace, and will come home with a good record of victories. While on the trip President Fogarty will try to have some of the games which may be impossible to play on the final trip, scheduled for Harrisburg during August and September. It is understood that President Edward G. Barrow is willing to approve any change agreed upon.

Big Home Series

The next home series will include a number of special days. Starting with August 14, Harrisburg will entertain Richmond, Jersey City, Buffalo, Montreal, New York Americans, Toronto and Rochester in the order named. On August 17, Thorpe Day will be observed. A special train will be run from Carlisle, and it is probable the Indian Band will play.

Harrisburg fans will observe August 25 as Zimmerman Day, and September 2, will be known as Chabek and Newsboys' Day. Providence will be the attraction when Thorpe Day is the program. Other interesting features are promised.

HOME RUN BAKER IS WANTED BY FEDERALS

Outlaws Have Designs on Collins, Alexander and McInnis; Money No Object

Special to The Telegraph

Atlantic City, N. J., Aug. 4.—Former and present Philadelphia major league stars are included in another proposed raid on organized baseball in the Fall by the Federal league, according to President James A. Gilmore, who was here at an informal confab with magnates yesterday.

"If money can get them, we will have them on the Spring training trip next season," said Gilmore. "It is understood that Baker, Collins, Alexander and McInnis are among those whom the 'Outlaws' have hungry eyes on."

Rumors floating from the meeting have J. Franklin Baker as the possible leader for the proposed New York team next season. It is understood either Baltimore or Newark might be moved, and one of these will be the only change of the circuit.

President Gilmore said full details of the invasion in New York City would be ready for an announcement within another two weeks.

It is again proposed to have the champion club in the Federal League challenge the winner of the Fall series for the world's title. "The refusal of the Boston National League club last year to play us was unparliamentary," said President Gilmore. "No team can claim the world's title without playing us."

AMUSEMENTS

"HYPOCRITES" AT THE REGENT

"The Hypocrites," the great film spectacle in which the shades of modern and medieval life are shown under the pitiless light of "Naked Truth," and which drew 14,000 people at \$1 admission prices to the Longacre Theater in New York, the first week it was shown, is the sensational offering for the last four days of the week at the Regent Theater.

"The Hypocrites" is doubly a woman's triumph, Margaret Edwards, playing the part of the woman who appears as Truth. "Hypocrites" is one of the most extraordinary pictures ever placed before the public. By means of an absorbing story and superb allegory, it flays mercilessly those people, who, Pharisees themselves, yet dare to judge the seeker after Truth. Hypocrisy in the church, in the home, in society, in every nook and corner of life is shown, and to the thinking man and woman it startlingly tells the truth.—Advertisement.
