### MORE MARKERS TO BE PUT UP BY STATE

Historical Commission Will Mark Site of Fort Granville Some Time This Fall

#### CUNNINGHAM FOR ERIE

Called to That City to Look After Repairs to the State Highways at Once

In addition to marking the site of the eastern landing of Harris ferry during the municipal celebration in this city next month, the State Historical Commission will carry out its plan of erecting a marker at Fort Hunter and will also make some inquiries regarding Fort Halifax, which crowned the high back of the borough up the river.

The commission is preparing a marker for Fort Granville near Lewis town, one of the early colonial forts in the Juniata Valley and has received word that the Enoch Brown association proposes to mark the site of Fort Loudon, one of the famous forts of early days.

The site of Fort McCord in Franklin county was marked last year and so was Fort Augusta, near Sunbury. Will File Briefs.—It is believed that D. E. Dallam, the Philadelphia who is fighting the rapid transit plan will file a brief against approval of the plan by the Public Service Commission. He has until Friday to do so. Nothing has been heard as yet from John H. Fow.

Wardens Active.—State fish wardens, who have been working in Berks, Monroe, Clarion, Bearfield and other counties to put a stop to pollution of streams by mines and manufacturing establishments have sent a number of names of manufacturers who refuse to install filters to the Fisheries Department and they will be forwarded to the attorney general for action. The wardens have been summoned to meet at Pleasant Mountain on Saturday for a general conference on matters which they are undertaking in conjunction with other departments and on means to halt pollution. More is being done in this line recently than in years.

On Inspection.—Highway Commissioner R. J. Cunningham and Chief Engineer W. D. Uhler left today for a tour of northwestern counties to inspect damage done by the cloudbursts in Erie and to look over places where State-aid has been asked for improvement of roads. The inspection will be the first for Mr. Cunningham in some sections and important engineering details will be looked over in northern counties and in the western border.

Warning on Gasoline.—Warning is given in a bulletin just issued by the Department of Agriculture and Industry on inflammable liquids. The inspections made throughout the State by inspectors of the department reveal the fact that persons who use benzine, gasoline or other easily inflammable liquids do not exercise the amount of care necessary in handling this material says the bulletin. It is pointed out in some cases that care has been found and recommendations for care are given with intimation that if it is not done more drastic steps will be taken.

Mr. Brusstar.—The Erie flood situation having called Highway Commissioner Cunningham and Chief Engineer Uhler to that county on inspection of the damage to the Erie division, will speak in Mr. Cunningham's place at the Center county automobile club picnic on Friday near Bellefonte. Mr. Brusstar will leave tomorrow night for Bellefonte.

Beard Will Build.—It is expected that the contract for the new building at the State arsenal will be awarded to the Beard Construction Company, of Lancaster. It is within the appropriation.

Stein to Wed.—Representative A. C. Stein, of Pottsville, is to wed this Fall. He met his bride-to-be at San Francisco, according to western papers.

Morrison to Be a Judge.—Frank W. Morrison, former clerk to the auditor general and assistant chief clerk of the last House, is slated to be nominated for magistrate in Philadelphia.

Commissioner's Work.—In addition to acting on the Nineteenth street bridge application, the Public Service Commission last night granted the charter for the Eastern Electric Company, of Penn township, Lancaster county, and various other electric companies. The contract of the Penn Central Light and Power Company at McVeytown was also approved.

#### Germans Hurl Back With Enormous Losses

Petrograd, Aug. 10, via London, Aug. 11, 2.50 A. M.—The following official review was issued to-night following the receipt of details concerning the assault on Kovno which the Germans undertook Sunday:

"The enemy began an attack on the front of our works from the village of Pipe to the Elsenthal front on the river Iessla. With siege artillery they began a bombardment at midnight, utilizing guns up to sixteen inches. The hurricane of fire lasted not less than six hours and our batteries answered energetically.

"About 3 o'clock in the morning the assaulting columns, in close formation, marched against our positions. By a concentrated fire, the explosion of mines and gallant counter-attacks by our troops the enemy was thrown back along the whole of the front. The Germans, who suffered enormous losses, were hurled back into the neighboring ravines, where they apparently began to prepare a fresh assault.

"Sunday noon the enemy's fire increased with terrible intensity, but this protracted and destructive hurricane from most powerful guns failed to shake our troops, who firmly stood the hall of projectiles showered upon them."

#### BIG STORM ON WATER FRONT

Fort de France, Martinique, Aug. 11. Considerable damage was done along the water front here by a violent storm with a heavy wind from the west which broke last evening following a very perceptible drop in the barometer. The sea rose high and docks were flooded and merchandise destroyed. Other material damage was not heavy.

### GRAIN CROP HARD HIT BY WEATHER

#### Dr. Surface Says That the Dampness Will Cause Much Loss to the Farmers

Rains, cold nights and general unfavorable weather conditions are going to cost the farmers of Pennsylvania many dollars in deterioration of grain according to Dr. H. A. Surface, the State zoologist who has been receiving reports from demonstrators who have been traveling through the eastern part of the State and who are now investigating in the western counties.

"In many cases the grain started to sour while in the field. Considerable wheat has done this and I am informed that quite a quantity of rye suffered from the damp and the generally bad conditions," says Dr. Surface. "The oats crops, which we all thought was going to be such a valuable one and so much larger than usual, may be diminished more than other grains because of the damp. I have learned of large fields in which the oats have been cut, but which is wet through and through. This will make it not only difficult to handle, but unsalable in some sections.

#### THIEVES MISS \$1300 HAUL

Only \$50 Stolen From Herr's Home; Left Big Chunk Behind  
Robbers who entered the home of Mrs. A. J. Herr during the absence of the family, stole \$50 in cash. This announcement was made today, following the receipt of a letter received by the son, Daniel C. Herr, stating that Mrs. Herr had some of her valuables with her, and others had been placed in a safe deposit vault.

#### BITTEN BY SNAKE

William Murphy, of York avenue, Rockville, while picking herbs and teas on the mountains near his home was bitten by a snake, according to the story he told physicians at the Harrisburg Hospital, where he applied for treatment.

#### BRITISH STEAMER BEACHED

London, Aug. 11.—The British steamer Rosalia, of 2,725 tons net, which sailed from Shields on August 10 for San Francisco, has been beached. Her crew was saved.

### Furniture Men to Take Auto Trip Through the York County Factories

Plans were made last evening by the members of the Furniture Dealers' Association of this city to take an automobile trip next month through York county to visit the furniture factories in that part of the State. The trip will extend over two days and will take the place of the regular monthly sessions of the organization.

#### Kitchen Odors Must Cease at Crystal Restaurant

Inspectors from the Pennsylvania Labor and Industry Department yesterday together with officials from the City Health Department examined conditions at the new Crystal restaurant, Market street, and served a similar notice to the one issued by the health bureau. In the notice issued by the health authorities Athens George, proprietor has been ordered to have a ventilator installed to eradicate the odors from the kitchen of the place. Petitions were made recently that the nuisance be stopped and a hearing was scheduled to be held this morning at 10 o'clock. Alderman Hoover, however, postponed it until Friday morning, August 20 at 9 o'clock. Mr. George has promised to fulfill the ten days' notice and has men working now making the necessary changes.

### TO TELL HOW TO GO FOREIGN BUSINESS

#### Stanley H. Rose Will Confer Local Businessmen Thursday

Stanley H. Rose, of the United Department of Commerce, who addresses the members of the Harrisburg Chamber of Commerce tomorrow at noon, will spend Thursday afternoon at the rooms of the Chamber in the Kunkel building. He will confer with any businessman in Harrisburg or Central and Southern Pennsylvania who desires to secure definite information as to just how the government can aid him in extending his particular line of business abroad.

#### HURT IN FALL

Lester Cunningham, 1211 Chestnut street, fractured his left leg yesterday when he fell at Third and Chestnut streets. He was taken to the Harrisburg Hospital.

**PARK GUARD STRICKEN**  
Park Policeman James E. Earp, 109 Paxton street, was found lying unconscious on a bench in River Park late last night. He was removed to the Harrisburg Hospital, where physicians believe that he was suffering from a stroke. He regained consciousness shortly after he was admitted, but his condition is being watched by the doctors.

### POPULATION TAKES PRONOUNCED JUMP

State Statistics Show That There Was a Gain of Over 10,000 in the Month of May

Pennsylvania's population jumped over 10,000 during the month of May, vital and mortality statistics for which have just been completed by the State Department of Health. That month there were 19,154 births and only 8,870 deaths. It was the greatest increase recorded for any month in almost a year.

The causes of death show that pneumonia caused 364 deaths against 857 from tuberculosis of the lungs. Pneumonia caused many deaths during the earlier months of the year. Bright's disease and cancer run next as causes of death with diarrhoea next. Diphtheria caused 119 deaths and 601 children died in early infancy. Influenza caused 95 deaths, whooping cough 61 and measles 58.

The death rate from typhoid fever, against which the State has been waging a campaign, dropped to 48, the lowest in many months, while only 34 deaths from scarlet fever occurred. Meningitis caused 33 deaths and malaria only 2.

The violent causes of death are given as 95 in mines, 90 from railroad injuries, 89 from suicide and 459 from other forms of violence.

## For County Commissioner Alfred B. Gardner

On the Democratic Ticket

If nominated and elected I pledge myself to vote for a reduction of county tax and devote my entire time to the office.

I have been a resident of Harrisburg ever since I was seven (7) years of age. Made a success in business thirty (30) years, and promise the same efforts to make a success as a County Commissioner.

Should I be a stranger to you I trust you will inquire as to my business ability, also my character as a citizen, and if after due consideration you find me worthy of your vote and influence I will be ever grateful.

It would be my pleasure to meet every voter personally and am making every effort to do so. However, should I fail to accomplish this desire, I hope you will not feel offended and that you will give me the same consideration as you would otherwise.

Your vote and influence will be greatly appreciated.
