RAILROAD TEAM IS AFTER LOCAL FIELD

Railroad League Plans Call For Large Expenditure Next Season; After Young Players

PRESIDENT C. H. ANDRUS Head of Local Motive Power Athletic Association.

An enclosed baseball field in every city including Harrisburg is planned by the Pennsylvania Railroad Motive Power League for next season. It is also proposed to increase the circuit to 12 teams.

Harrisburg is one city picked for an early start. The association back of the local Motive Power team, of which Master Mechanic C. H. Andrus is president, is already seeking suitable grounds.

Manager Mike Friel is sure to be re-elected. He is a veteran baseball leader and has been looking over promising material for next season.

It is said that several locations on Allison Hill have been suggested as a good place for the new Athletic field. These fields are now being looked over and inquiries made as to how long a lease can be obtained.

HARRISBURG SPLITS WITH PROVIDENCE

Both Contests Are Pitchers' Battles; Timely Singles Give Harrisburg First Victory

Harrisburg got back into the game at Providence yesterday in good form. The Indians took the first from the Harrisburgs, but the second was won by the same tally. Both games were pitchers' battles. Schultz was touched up in three innings in the first battle.

Thorppe and Zimmerman were the star hitters. Ensmann was strong in the pinnacles. In the second battle Eayers was a puzzle in the pinnacles, retiring the side several times without a score when bases were filled. Lee had a bad start. The scores follow:

INDIANS TO VISIT BATTLEFIELD; PLAY CHAMBERSBURG SAME DAY

Plans Also Under Way For Game With Jersey City at York on August 20; Fans Anxious For Team's Return

Harrisburg's team is in demand for exhibition games. Secretary William R. Douglas is working overtime trying to find dates to accommodate clubs in nearby towns. The team plays Chambersburg's Blue Ridge aggregation on Thursday, August 19.

This is an open date on the local schedule and plans are under way to give the team a day's outing. The team, with officials and local sportsmen will leave Harrisburg in automobiles at 7 o'clock in the morning. Gettysburg battlefield will be visited. Luncheon will be taken at Chambersburg and the game played in the afternoon. After the game the team and guests will go to a country inn for an old-fashioned chicken and waffle dinner.

May Play at York Harrisburg also has August 20 open. The Indians also have a postponed game with Jersey City, which plays two games here on Saturday, August 21. Negotiations are now on to have the postponed game played at York in the afternoon of the 20th. York Moose are planning to sell 2,500 tickets for this game. As York is the home town of Eddie Zimmerman, it is expected there will be at least that many people at the game.

Fans are anxiously awaiting the return of the Indians. Richmond, with a new line-up, will play two games Saturday and Providence opens a four-game series on Monday, August 18.

AMUSEMENTS

BLANCHE SWEET AT THE REGENT To-day is the last day of Blanche Sweet in "The Captive," at the Regent. "The Captive," the second photodrama in which Blanche Sweet has starred under the direction of the Laasy Feature Play Co. It deals with events during the time of Napoleon.

There is an enormous difference between the war of 1812 and the present conflict. The Germans are hurling against Russia forces equivalent to seven such invasions as that of Napoleon and supported by the latest technical appliances, whereas in 1812 the Russian army in the latter respect was fully on a par with the French.

The Germans are infinitely better posted as to the positions of Russia than Napoleon and they are incapable of regarding Moscow as the key to the empire. They know that Petrograd is the political center and it is only half as far from Riga to Moscow. It is only a night's railway journey between Riga and Petrograd and the distance of 250 miles over good roads and two lines of railway does not offer difficulties. This is no second war of 1812, but something far more serious.

The fireworks display at Paxtang, this evening, will be one of the best pyrotechnical entertainments the park has had this summer. Arrangements for several new stunts in the fireworks line have been made by the park management, while all the most striking features of the previous displays will be duplicated. Manager Davis is well satisfied with the success of the previous fireworks shows at the park, and he will make every effort to have the remaining displays of this season's series better and somewhat different from those already seen at Paxtang.

The bill at the park theater for this week is one of the best comedy programs of the season. There is more to laugh at in this show than there is in two average vaudeville performances. Fennel and Twitler, who are the featured attractions, present what is probably the classiest comedy singing and dancing offering the park has had in some time. The act would be a real feature on any program.—Advertisement.

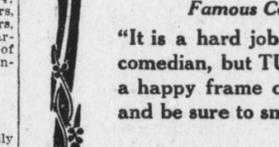

WARSAW LOST BY RUSS By Associated Press Berlin, via Wireless to Sayville, Aug. 12.—Among the items given out today by the Overseas News Agency was the following: "The loss of Warsaw was especially serious to Russia because it was the seat of the largest munition factories in the empire, which employed more than 100,000 men.

"The silver supply is large enough to satisfy the natural demand for small and medium specie currency. Since the war began 70,000,000 marks (\$17,500,000) have been coined."

McLoughlin Is Winner in Seabright Tourney

Seabright, N. J., Aug. 12.—Maurice E. McLoughlin, the Californian, T. R. Pell and Karl H. Behr won their places yesterday in the semifinal round of the Achelis challenge cup singles in straight-set victories on the turf courts of the Seabright Lawn Tennis and Cricket Club here.

The Californian met Harold A. Throckmorton, the Princeton and metropolitan junior champion. Throckmorton's swift twisting service temporarily checked McLoughlin, who had to let himself out on drives and volleys to win.

Ward Dawson, the young player from California, was outplayed by Pell. Behr was in phenomenal form and easily defeated Robert LeRoy.

McLoughlin and Dawson won a place in the finals of the doubles. The doubles final will be decided to-day.

Dauphin-Perry League Gossip

Marysville is a team that has hit poorly all season and in the six defeats that have been recorded against the team, a total of only seven runs have been registered.

Briker, Dauphin's first baseman and leadoff man is some hitter. Last Saturday he registered three hits off Pitcher Hart of Marysville.

In none of the towns except Halifax have the fans given up hopes of landing the pennant.

Indications are that Duncannon and Newport will fight it out for the pennant. Newport is one game back of Duncannon.

Manager Bill Sharon of Newport will have Croninger back to help out on the mound in the coming series with Marysville and Newport.

White, the Lebanon Valley star, broke into the league last Saturday as Dauphin's heaver. He whiffed fifteen Marysville clubbers.

Mutabaugh, Duncannon's shortstop appears to be the life of the Duncannon infield.

Rote and Wrightstone apparently have deserted New Cumberland leaders in the Central Pennsylvania league. Last Saturday, they were again in the line-up for Millersburg.

Millersburg has now tied her record of straight wins with defeats. One of the defeats does not appear in the "lost" column as a protest was sustained.

The silver trophy, which will be awarded to the winner of the league race is now on exhibition at Duncannon. On Saturday, it will make a trip to Newport, the last visit to any of the towns before it is permanently awarded.

RESOLUTE LEADS VANTIE Crosses the Line Four Minutes Ahead of Cup Defender Choice

Marblehead, Mass., Aug. 12.—The Resolute beat the Vantie yesterday over a course of 36 miles by 4 minutes elapsed time and Commodore George F. Baker's sloop Ventura won the Kings' Cup, so there was joy on the flagship Viking last night.

The races were sailed in a light wind from south by east, which held fairly steady but was too light to make the contests spirited.

The course was triangular, 12 miles to each leg, starting and finishing at Half Way Rock. The first leg was to windward and the other two were broad reaches.

The distance was 36 miles. The Resolute finished four minutes ahead of the Vantie.
