The Stieff Piano Comes Direct From Factory to You

When you buy a piano, nine cases out of ten you pay a big middleman's profit.

This profit makes a medium grade piano as high in price as a "quality" instrument would be, if bought direct from the manufacturer.

When you buy a Stieff piano you buy direct from the Stieff factory at Baltimore.

Get the point? You save the middleman's profit.

TORIC GOOD LOOKS

There is character in glasses. Properly-fitted glasses make people look bright and intellectual. Poorly-fitted glasses make good-looking men and women appear commonplace.

A pair of Torics with the right kind of mounting are as attractive in appearance as they are easy to the eye.

Buy a pair of glasses that are both comfortable and attractive.
