LYNCH-DUNN BRIDAL EARLY THIS MORNING

Church Service Followed by Wedding Breakfast Served at Rutherford's

The marriage of Miss Gertrude Edwardina Dunn, daughter of Mr. and Mrs. Thomas Dunn, of Oberlin, to Charles Alphonsus Lynch, son of Mrs. Catherine Lynch, of Steelton, was an event of this morning, taking place at 8 o'clock, in St. James' Catholic church of Steelton, with the Rev. Father J. C. Thompson, officiating, in the presence of the immediate families and a few intimate friends.

The nuptial mass was celebrated and during the service Mrs. Julia Eckinger sang "Ave Marie" by Millard; Mrs. Harley Noll sang the "Communion Hymn" by Verdi and James Collins, baritone, gave Gounod's "O Salutaris," accompanied by Miss Mary Lynch, organist, and Frank Wieser, violinist.

Immediately after the ceremony the bridal party was served with a wedding breakfast at Rutherford's, this city.

The bride was charming in a white crepe de chine costume with silk net bodice and satin girdle. Her hat was of white Georgette crepe and she carried a shower of bride roses and maidenhair fern falling from the covers of a white prayer book. Miss Gertrude C. Dunn was maid of honor for her cousin, wearing a dainty frock of flowered organdie and white Milan hat trimmed in pink satin. She carried a sheaf of pink roses and fern. The best man was Andrew McCall of Steelton.

The wedding journey to Philadelphia and Atlantic City will be followed by a residence at 116 Franklin street, Steelton.

The bride has a host of friends in this city where she has been employed for some years in the glove department of Bowman & Co., and Miss Fernman's Glove Shop. Mr. Lynch is an attaché of the Pennsylvania Steel Company.

It Ruins Hair to Wash It With Soap

Soap should be used very sparingly, if at all, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is just ordinary mulified coconut oil (which is pure and greaseless), and is better than soap or anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get mulified coconut oil at any pharmacy. It's very cheap, and a few ounces will supply every member of the family for months.—Advertisement.

FOR SUMMER CATARRH AND HAY FEVER

As there seems to be a regular epidemic of Catarrh and hay fever at the present time the following prescription will undoubtedly be welcomed by many. Go to any good drugist and get 1 ounce of Parmitin (double strength), take this home and add to it a pint of hot water and 4 ounces of granulated sugar, stir until dissolved, take one tablespoonful 4 times a day. This will often bring instant relief from such distressing symptoms as clogged nostrils, catarrhal discharges, head aches, dullness, watering of the eyes, sneezing, sore throat, etc. It is easy to prepare, costs little and seems to bring relief even to chronic sufferers. Every person who suffers from catarrh or hay fever should give it a trial.

Catarrh a Blood Disease S.S.S. Drives It From Your System

Because Catarrh affects the nose and throat, causing sores in the nostrils, stoppage of air-passages and gathering in the throat, it has been common practice to treat Catarrh by lotions, washes and sprays applied to these parts. This mode of treatment is entirely wrong. It cannot give permanent relief, and it is liable to irritate and aggravate the trouble. Catarrh cannot be trifled with. If allowed to run on it will disease the bronchial tubes, settle on the lungs, the stomach—indeed it is a very serious disease. Don't treat it locally. The fact that it causes headaches is proof that it is caused by impure and diseased blood. The one treatment that has proved effective in the treatment of Catarrh is S. S. S., it is the greatest blood purifier and blood tonic known. It relieves the cause of Catarrh by the process of renewing the blood, renewing its strength and vigor, giving new life to the red blood corpuscles, and stimulating the flow so that it has the vitality to throw off the poison and germs from the system. It is literally a blood bath. You quickly feel results. Headaches disappear, the gathering in the throat stops, the nostrils heal—before you hardly realize it you are well. S. S. S. is a natural blood tonic and has proven effective in the treatment of all blood affections. Eczema, tetters, rash acrofula. Get S. S. S. at your druggist's. If you need special advice write the S.
