Outfielder Gilhooley May Sign With New York Yankees; President Fogarty Resigns

Major League draft season opens today. Yesterday was the last day for waivers and purchases. The only International League player known to have been in any deal is Outfielder Gilhooley of the Buffalo club. The New York Americans want him, and it is said, offer \$9,000 for this player. Other purchases will not be made public for two weeks.

Gilhooley left yesterday for New York. To-day he was in conference with American League officials. The deal may not go through according to statements made in Harrisburg last night by league officials. Gilhooley was formerly the property of New York Americans and was purchased outright by Buffalo. Gilhooley said before leaving Harrisburg yesterday that he would not sign a contract unless he received half of the purchase price.

President Barrow Here
President Edward G. Barrow was in Harrisburg yesterday, and it is said he conferred with several Harrisburg players relative to deals now on. Shortly after his departure it was announced that Thomas A. Fogarty, president of the Harrisburg club had resigned and that Frank DeWan, of Jersey City would succeed Mr. Fogarty as business manager. The retiring official has business interests in New York City, but it is understood will remain in Harrisburg until late in the fall, and perhaps all winter. Mr. Fogarty is considering several good business propositions for Harrisburg and has the backing of local businessmen.

Announcement that President Fogarty had resigned cast a gloom over local baseball circles. Players on the Harrisburg team were feeling rather blue last night. Local fans who have recognized President Fogarty as an active baseball man, expressed regrets on his retirement. He had an army of friends here.

Frank DeWan who assumed charge last night is a young man who has been identified with the International League for a long time. He has been located in Jersey City and at one time was allied with Mr. Fogarty in the management of the Jersey City team. He went to Hagerstown to-day with the team. On his return he will announce the schedule for the final week in Harrisburg.

Women Players Win in Game With Men

Dauphin, Pa., Aug. 26.—In an interesting and exciting game of baseball, played here last evening, the women's team defeated the men's team, score 10 to 2.

The male players were handicapped by having to use their left arm for batting and only four innings were played. The women's team played brilliantly. The Gilday battery was their main feature. Miss Mayme Garman was the star hitter, having four hits out of four times at bat. Clyde McNelly made three hits and three runs for the men, one of them being a home run. Blake, Gilday and Roy Welker composed the battery for the men.

Sports of All Sorts

"Booster" day will be observed at Linglestown Saturday. West End A. C. will be the attraction. The game starts at 3 o'clock.

At Duncannon yesterday West End defeated the upper end league team, score 5 to 1.

Hummelstown plays Anville Saturday afternoon at Hummelstown. The Keener A. C., played at Marysville to-day.

MRS. EDITH RHODES CLARK

Ready for a Dive.
Mrs. Edith Rhodes Clark is one of the great swimmers of the United States. Having captured the women's championship for the 17 1/2-mile course in the Delaware River at Philadelphia she may be induced to enter the championships at the San Francisco fair. Mrs. Clark made this time in 4 hours and 36 minutes. She once held the American mile record for women.

"Rube" Marquard May Play Here With Montreal

"Rube" Marquard, sold yesterday by the Giants to the Toronto International club for \$11,000, may play in Harrisburg next week. Toronto was the only team willing to pay Marquard the salary demanded by this star left hander. Marquard refuses to accept the conditions of sale and asks for his unconditional release. Marquard has been ordered to report to Toronto not later than Monday. In addition to the price paid the Giants will get Pitcher Herbert from the Maple Leaves. Marquard came to New York in 1908, when \$11,000 was paid to the Indianapolis club for him. He did not play much until 1911, when he began to develop, and the next year made a record by pitching nineteen straight victories. Last season he defeated Pittsburgh in twenty-one innings, the longest game ever played in the National League.

ALBION A. C. TO MEET

At a meeting of the Albion A. C. to be held Friday, arrangements will be made for the outing at Halifax on Labor Day.

LOCAL GOLF STARS IN ALTOONA TOURNEY

T. H. Devine and H. W. Perry Play in First Sixteen Today

Harrisburg is well represented in the Golf tournament at Altoona. Local players are also making good in the preliminaries. The Harrisburg contestants include, T. H. Devine, H. W. Perry, Fred Harry, F. P. Gourley, Harry Harris and Samuel Nisley and Karl E. Richards.

In yesterday's play Devine and Perry won places in the first sixteen matches which are on to-day's program. There were sixty entries in the qualifying gold rounds yesterday. A high wind handicapped the players in the morning. Those who figured in yesterday's good work were:

Willing to Meet Any Man Is Jess Willard's Duty

"I'm willing to meet Frank Moran, Battling Levinsky or any one else who wants to take the title from me, but the purse has to be big enough to make it worth while for me to enter the ring."

This statement was made by Jess Willard, heavyweight champion of the world and cownpuncher at Philadelphia yesterday. Willard is a part of the 101 ranch show that comes to Harrisburg to-morrow. Willard is said to be drawing down \$1000 a day with the Wild West show. There is no fear of the big fellow giving up something like \$315,000 per annum, deducting Sundays, to talk time and train for a bout which will net him less money.

NATIONAL TENNIS DOUBLES

New York, Aug. 26.—President Robert D. Wrenn, of the National Lawn Tennis Association, has named Saturday, September 4, as the day for the playing of the national doubles championship match at Forest Hills, L. I.

No other matches will be played on this particular day, which will be devoted entirely to the contest between the two California pairs, with M. E. McLoughlin and T. C. Bundy in the role of title defenders, and Clarence Griffin and W. M. Johnston as challengers.

DOUBLE SHUTOUT RECORD

Charleston, W. Va., Aug. 26.—Lawrence Henderson, pitching for Charleston in the Ohio State League here yesterday, shut out Ironton in a double-header, not a hit being allowed in the first game. Three Ironton players reached first base in the opening contest, two on base on balls and another on an error. Henderson allowed but five hits in the last game. Dan Harding pitched both games for the visitors, allowing three hits in the first and five in the second game.

CLEVELAND NOT FOR SALE

Cleveland, O., Aug. 26.—President Charles W. Stearns, of the Cleveland American League baseball club, yesterday denied that he intends to sell the local club. He said there was no foundation for a story published in New York that the club might be sold to James C. McGill and William Smith, owners of the Indianapolis American Association team.

DOUBLE-HEADER IS LADIES' DAY PROGRAM

Montreal Next Attraction at Island Park; Indians Play at Hagerstown Today

Montreal will be the attraction in doubleheaders at Island park to-morrow and Saturday. The Royals were scheduled for to-day, but could not make the jump from Providence in time to play this afternoon. The Indians went to Hagerstown this morning. They played the Blue Ridge team of that place this afternoon.

To-morrow will be Ladies' Day at Island Park. It is also a half holiday at the stores. Harrisburg must win four games from Montreal in order to hold fourth place. The Indians put up two hard fights yesterday, but lacked the hitting punch when bingles were necessary.

The second game was a pitchers' battle, with sensational fielding. Tamm was a big star in the outfield, taking the place of Thorpe, who is out of the game with a sore arm. Gaw, who won the game on Monday from Harrisburg, was in the box in the second battle, and had the local hitters guessing. The score:

JARS OF JAM
Fruit jams and marmalades are easier to make than jellies; they are quite as good and go farther, and one can use the pulp which is lost in jelly-making. By combining different fruits one can have quite a variety of these fruit butters. — September Mother's Magazine.
