"I SHOT MYSELF-- I HAD NO FRIENDS"

Duncannon Man Tells Girl After He Attempts to Kill Himself in Hotel

Claiming that he had no friends, no money and that his parents did not want him, Lee McKinley Lightner of Duncannon, attempted to commit suicide by shooting himself in the left breast, at the Central Hotel, 211 Market street, shortly before ten o'clock this morning.

Lightner, after the shot had been fired, staggered from his room into the hall on the fourth floor. Mary Brice, 2033 Logan street, a chambermaid heard the shot, and saw him fall.

When the chambermaid asked Lightner what he had done he replied: "I shot myself—I had no friends."

The ambulance was sent for and Lightner was hurried to the Harrisburg hospital where it was found that the bullet had just missed his heart. Physicians believe that unless complications set in he will recover.

Married a Year Ago According to the hotel authorities Lightner came in last evening and was assigned to room 24 on the fourth floor. In a search this morning the police found a 32 caliber revolver and some newspaper clippings and other papers.

One of the clippings contained the announcement of Lightner's marriage to Miss Florence Myers, of West Fairview, daughter of Mr. and Mrs. Grant Myers. A marriage certificate showed that he had been married in Norfolk, Va., September 1, 1914.

A discharge paper which was found showed that Lightner had served an enlistment in the United States Marine corps and was discharged from service February 8, 1915. At the hospital Lightner said that he was only eighteen years old and that his father, Lynn Lightner, lived on a farm near Duncannon.

Governor Brumbaugh's refusal to take part in Republican primary contests has driven the rumor-mongering Democrats well nigh to distraction to find material to hide the disruption in their own ranks.

Entirely overlooking the fact that Governor Brumbaugh is out of the State and will be away until within a few days of the primary date, the mourning yarn spinners insist that he will figure in the primary contests in Dauphin county. And, this, too, in the face of the fact that the Governor on Monday afternoon informed an accredited representative of the Harrisburg Telegraph that its editorial on the Governor's declared purpose to keep out of primary contests met his entire approval. "It is just right," said the Governor. "It states my position exactly."
