CHAUTAUQUA SUMMER SCHOOL PASSES OUT

Mt. Gretna Cottagers Recommend Its Discontinuance to Chautauqua Directors

Special to The Telegraph

Mt. Gretna, Pa., Aug. 28. — After considerable discussion it was voted by the cottagers of the Chautauqua grounds to recommend to the Chautauqua directors the discontinuance of the Chautauqua summer school. The conditions which made this step necessary and advisable were that the Chautauqua could not expect the \$2,500, and which the State appropriated yearly for its support, as Superintendent Schaeffer did not recommend it again this year. Also this year there were less than 40 teachers at the school, which shows that their attendances have fallen off considerably. But the big reason is that the Chautauqua directors face this year a deficit of \$1,200 from the school and this made necessary, it was thought by a vote of a majority of the cottagers, the discontinuance of the Mt. Gretna Chautauqua.

Merrill Boerland left yesterday for an extended trip to New York and Atlantic City.

Mr. and Mrs. John M. Shely and daughter, Miss Lorene Shely have returned to their home in Harrisburg after summering at the cottage, the Sunnybrook.

General Thomas J. Stewart, Benjamin Demming, G. P. Drake, Major Berry and Dr. John Biddle, recently motored to the Rifle Range from Harrisburg.

Miss Daisy Shaeffer spent yesterday in Harrisburg.

Mrs. David J. Haehnel and children, Mary and James returned to their homes in Harrisburg after spending several days at the Seven Gables. George Craig spent the day with his parents, Mr. and Mrs. John Craig in the camping grounds.

William and Frank Whitmoyer have moved their cottage for the summer and returned to their homes in Harrisburg.

Mrs. W. S. Evans spent Thursday as the guest of Mrs. A. I. Miller at the Clear View Cottage.

Mrs. J. X. Quigley has as her guests at the Idylwyld, Mr. and Mrs. Charles Norton and Mr. and Mrs. H. E. Gabriel of Cleveland, O.

Albert Rinkenbach left yesterday for Atlantic City, where he will spend the week after summering in the Grove.

The Swing of the Pendulum

OR a time department stores depended on "price" to pull trade and hold it. The bargain idea was rampant.

Gradually led by the biggest and best stores a change of front has come about. Service is now the tocsin note.

Reprinted from a leading trade journal because it best serves to illustrate the progress that has been made along these lines during past seasons by this store, and which will be the guiding principles after the reconstruction.

In a few weeks Harrisburg will look upon the completion of a store which will stand out as an example of a modern store system, and modern merchandising.

The store itself will be more attractive and comfort-giving than you can possibly imagine at this time; but aside from appearances and conveniences, there'll be provided the kind of store that most people will welcome—where **QUALITY MERCHANDISE** will be the dominant feature, rather than the "selling for less" or "bargain" mania still adhered to by stores who yet seem to think that folks buy merchandise merely for the sake of saying they "got it at a bargain."

In these days of domestic economy, few women there are, indeed, who have not learned the advantage of buying merchandise that will give best service, and letting a special price come in a natural way, which does happen occasionally in quality merchandise. They realize that a forced bargain is very **slowly** expensive.

We hope to win more friends to this store because we intend to be more courteous and more helpful to customers in their selection and in their economical problems. We will hope to hold their friendship and goodwill in accordance with the satisfaction they'll find in shopping here, and by having varied lines of merchandise desired—the newest in style—the most reliable in quality and service-giving, at prices consistent with values offered.

Aroma Does It

Don't deny yourself the pleasure of an Havana smoke because some 10c cigars are as "heavy as lead" and "black as coal."

MOJA

10c Cigars

are all Havana but they are fit to smoke because their reputation is built on fragrant quality instead of needlessly strong tobacco.

And aroma is the secret of a satisfying smoke.
